City/County: **Washoe County**
Approved by: Cadence Matijevich, Government Affairs Liaison
Comment: Washoe County incurs expenses to place questions on the ballot based on the space the question takes up on the ballot, the information on the ballot question that is placed in the sample ballot and mailed to voters, as well as the publication of ballot questions in the newspaper. Those costs vary depending on the length of the question and supporting information. These costs can sometimes be reimbursed by the state, but that is not a guarantee unless sufficient funding for such purpose is added to the state budget. Because of these uncertainties a reliable estimate of the financial effect of this bill cannot be determined.
