The provisions of this bill are identical to the provisions in the Second Reprint of Senate Bill No. 319 of the 74th Session of the Nevada Legislature.

Existing law provides for the issuance by the Department of Motor Vehicles of special license plates to dealers, distributors, manufacturers and rebuilders licensed pursuant to chapter 482 of NRS for use on certain vehicles. (NRS 482.330) This bill authorizes the Department to issue not more than 12 sets of special license plates to any organization that operates a museum which is dedicated to the exhibition and display of motor vehicles and which is operated by an organization that qualifies as a tax-exempt organization pursuant to 26 U.S.C. § 501(c)(3). These plates may be used interchangeably on any of the motor vehicles exhibited or displayed in the museum, and the Department may not charge or collect any registration fees or governmental services tax for the issuance of the special license plates, except for a fee of \$12 for each set of plates which must be paid annually.

Section 2 of this bill prohibits the Department from charging or collecting any fees for the transfer of a certificate of title for any motor vehicle owned by the United States, the State of Nevada or any political subdivision of the State to any

17 nonprofit organization which operates a museum for the exhibition or display of
18 motor vehicles.
