**BOTH HOUSES**

Bills.....	2	2
Concurrent Resolution .....	2	2
One-House Resolutions.....	9	9
Totals .....	13	13

Enacted bills are those that were passed by the Legislature and signed into law by the Governor; became law pursuant to Article 4, Section 35 of the *Nevada Constitution* and were assigned a chapter number in the *Statutes of Nevada*; or became law because the Governor's veto was overridden by both the Assembly and Senate.

One-house and concurrent resolutions shown under the heading "Legislation Enacted" were adopted by the originating house or by both houses, respectively, and assigned a file number in the *Statutes of Nevada*.

## **FISCAL NOTES**

*Nevada Revised Statutes* 218D.440 provides that fiscal notes are required on original bills and joint resolutions. Whenever an amendment is adopted that affects a bill or joint resolution in such a way that the fiscal note ceases to be valid, the presiding officer, at his or her discretion, can direct the Fiscal Analysis Division of the Legislative Counsel Bureau to obtain a new fiscal note showing the effect of the bill or joint resolution as amended. Not all fiscal notes are updated when an amendment invalidates the note.

## **VOTE REQUIREMENTS**

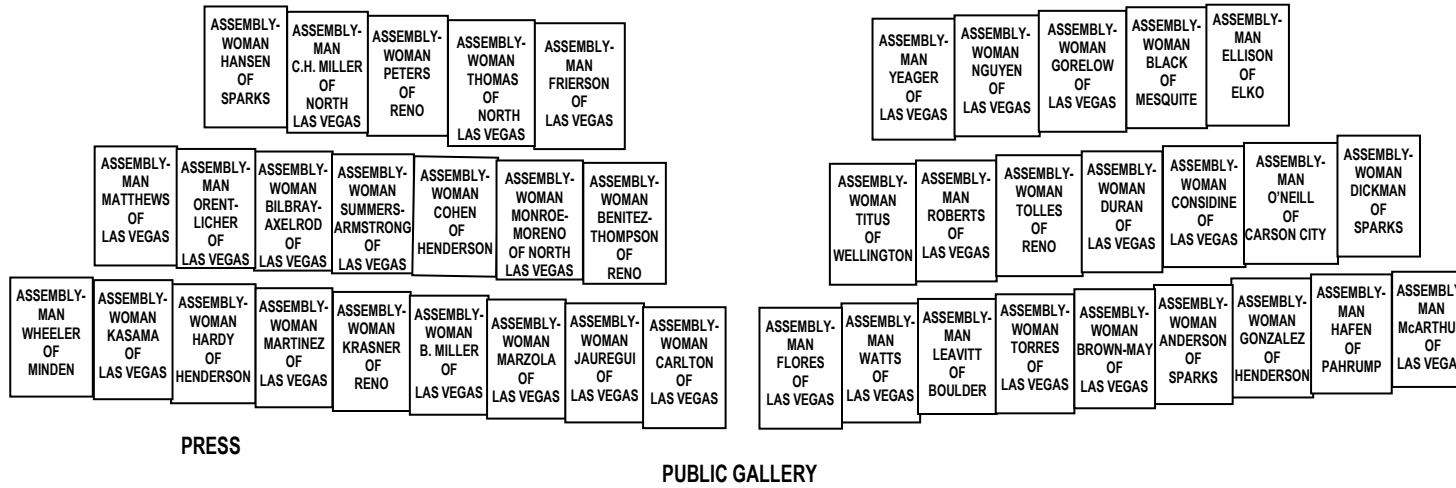

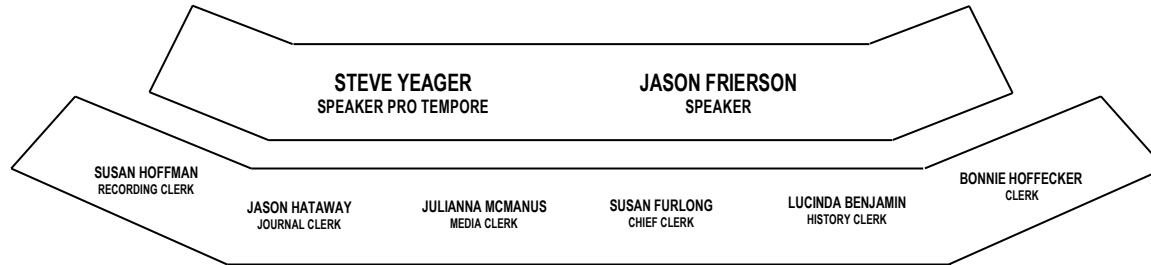

Article 4, section 18 of the *Nevada Constitution* requires an affirmative vote of not fewer than two-thirds of the members elected to each house to pass a bill which creates, generates, or increases any public revenue in any form, including but not limited to taxes, fees, assessments, and rates, or changes in the computation bases for taxes, fees, assessments, and rates. Passage of all other measures requires a majority vote of all the members elected to each house.

## **EFFECTIVE DATES**

Oftentimes a bill is introduced on behalf of the Legislative Counsel that proposes technical corrections to the *Statutes of Nevada* and the *Nevada Revised Statutes*. In some instances, technical corrections change the effective date of a measure passed by a previous Legislature. See, for example, sections 6, 7, 20, 26, and 27 of Assembly Bill No. 499 (Chapter 553, *Statutes of Nevada 2013*), which change the effective dates of several bills enacted by the 2011 Nevada Legislature. The Assembly does not reprint final histories to reflect changes to effective dates that are made by a subsequent Legislature.

In addition, the effective date of a bill passed by the Legislature and signed by the Governor may be changed by a separate bill enacted later in the same session.
