Let them see their way through the storms that occasionally form, the obstacles that sometimes block their path, and find clear sailing to their legislative goal. We pray that their fellow Nevadans understand their challenges and appreciate their efforts. For if it is worth it, it is hard commeth.

In Your Holy Name we pray.

Legislative Counsel's Digest:

Existing law provides that if a person commits an assault upon an officer who is performing his or her duty and the person knew or should have known that the victim was an officer, the person is guilty of: (1) a category B felony if the assault is made with the use of a deadly weapon or the present ability to use a deadly weapon; (2) a category D felony if the person is a probationer, prisoner or parolee; or (3) if neither of those circumstances is present, a gross misdemeanor. (NRS 200.471) Additionally, existing law provides that if a person commits a battery upon an officer and the person knew or should have known that the victim was an officer, the person is guilty of: (1) a category B felony if the battery causes substantial bodily harm or is committed by strangulation; or (2) if those circumstances are not present and no greater penalty is provided by law, a gross misdemeanor. (NRS 200.481) **Sections 1 and 2** of this bill revise the definition of "officer" for the purposes of the enhanced penalties for assault or battery to include an employee of this State or a political subdivision of this State whose normal job responsibilities require the employee to: (1) interact with the public; and (2) perform tasks related to child welfare services or child protective services or tasks that expose the person to comparable danger. Additionally, **sections 1 and 2** apply the enhanced penalties to an assault or battery committed against a hospitality employee.

Existing law prohibits a person from stalking and prescribes various penalties related to the circumstance under which the offense is committed. (NRS 200.575) **Section 3** of this bill expands the unlawful acts which constitute stalking to include certain courses of conduct that would cause the victim to feel terrorized, frightened, intimidated, harassed or fearful for the immediate safety of a person in a dating relationship with the victim. **Section 3** also makes various changes to provide that stalking encompasses both acts committed in person and by electronic means, and provides that such penalties are generally applicable to such acts regardless of medium. **Sections 25 and 45** of this bill make conforming changes related to the commission of stalking by electronic means under **section 3**.

Existing law provides that it is unlawful for a person to knowingly and willfully have in his or her possession: (1) any film, photograph or other visual representation depicting a person under the age of 16 years as the subject of a sexual portrayal or engaging in or simulating, or assisting others to engage in or simulate, sexual conduct; or (2) computer-generated child sexual abuse material. (NRS 200.730) **Section 4** of this bill revises the unit of prosecution for such an offense and prescribes that each person depicted under the age of 16 years in any film, photograph or other visual presentation and each child depicted or represented in any computer-generated child sexual abuse material, respectively, constitutes a separate offense.

Existing law establishes certain crimes making it unlawful to take or obtain property. (NRS 205.0821-205.295) **Section 7** of this bill creates a new crime which provides that if a person intentionally causes property damage to a retail

establishment in the commission of a theft offense and the aggregate value of the amount involved in the theft or property damage, or any combination thereof, is \$750 or more, the person is guilty of a category C felony.

Existing law sets forth certain unlawful acts that constitute domestic violence when committed against certain persons. (NRS 33.018) **Section 13** of this bill revises the unlawful acts that constitute domestic violence to include kidnapping as well as an attempt or solicitation to commit any unlawful act that constitutes domestic violence.

Existing law establishes provisions concerning actions for wrongful conviction. (NRS 41.900-41.970) **Section 14** of this bill provides that the entry of a certificate of innocence and the award in an action for wrongful conviction is not a finding that: (1) certain persons committed a wrongdoing; or (2) there was not probable cause under certain circumstances.

Existing law provides that if a child who is alleged to be delinquent is taken into custody and detained, the child must be given a detention hearing before the juvenile court. (NRS 62C.040) **Section 15** of this bill requires the juvenile court to order a qualified professional to evaluate the mental health of a child who: (1) is alleged to have committed certain unlawful acts involving a battery against a school employee or a child welfare professional; and (2) has, in the previous year, been taken into custody two or more times for certain battery offenses. **Section 16** of this bill makes a conforming change related to the detention of such children under **section 15**.

(NRS 62E.430, 62E.440, 62E.630, 62E.690) **Sections 17-20** of this bill make various changes to authorize the juvenile court to order the Department of Motor Vehicles to issue a restricted driver's license to the child if the issuance is in the best interest of the child. **Section 51** of this bill makes a conforming change regarding the circumstances under which the Department of Motor Vehicles may issue a restricted driver's license.

Existing law requires a court to discharge a defendant and dismiss the proceedings or set aside the judgment of conviction upon completion of the terms and conditions related to a program of treatment for alcohol or other substance use disorder, a program for treatment of mental illness or a program of treatment for veterans and members of the military or certain other terms and conditions. Thereafter, existing law requires the sealing of records related to the discharge, dismissal or setting aside a judgment of conviction. (NRS 176.211, 176A.240, 176A.245, 176A.260, 176A.265, 176A.290, 176A.295) **Sections 21-24** of this bill provide that the automatic record sealing provisions do not apply to such persons who were charged with certain offenses related to the abuse or neglect of a child or the abuse of an older or vulnerable person.

Existing law requires a court to release any bail at the time of sentencing, if the court has not already done so, unless the defendant owes fines and costs, in which case, the bail must be applied towards the fines and costs. (NRS 178.522, 178.528) **Section 29** of this bill provides that under these circumstances if the bail has been deposited by a person other than a surety, and upon notice and the agreement of the person, the bail must first be applied towards the payment of any restitution owed by the defendant. **Section 28** of this bill makes a conforming change related to the procedures prescribed by **section 29**.

Existing law authorizes: (1) a district attorney and any attorney employed by a district attorney to prosecute a person in a county other than the county by which the district attorney is employed for the limited purpose of conducting a pretrial release hearing; and (2) such an attorney to receive a stipend for being available on a weekend or holiday to serve as a prosecuting attorney in a pretrial release hearing. (NRS 178.760) **Section 30** of this bill similarly authorizes a city attorney in a county whose population is less than 100,000 (currently all counties except Clark and Washoe Counties) to be deputized to prosecute a person in the county that encompasses the city that employs the city attorney for the limited purpose of serving as a prosecuting attorney in a pretrial release hearing, and authorizes the city attorney to receive the stipend for such services.

Section 30.5 of this bill requires certain facilities in this State that hold a person in custody under process of law or under lawful arrest to create and maintain a list that includes, without limitation: (1) the name of each person held at the facility; and (2) the name of the facility at which the person is held. Section 30.5 requires the facility to revise the list in real time. Additionally, section 30.5 requires the facility to publicly display or make immediately available on the request of any person the information related to the name of the person and the facility at which the person is held.

Existing law authorizes the establishment of correctional programs and judicial programs for the reentry of offenders and parolees into the community. (NRS 209.4871-209.4889) **Section 33** of this bill: (1) authorizes the Director of the Department of Corrections to establish an alternative correctional program; and (2) provides for the qualification and assignment offenders to the alternative correctional program. **Section 33.5** of this bill requires the Director to submit an annual report to the Interim Finance Committee relating to the alternative correctional program. **Section 42** of this bill authorizes an offender participating in an alternative correctional program to waive his or her eligibility for, and release on, parole. **Section 43** of this bill establishes provisions related to the effect of such a waiver. **Section 44** of this bill requires the State Board of Parole Commissioners to consider the removal of an offender from an alternative correctional program in its determination of whether to release an offender on parole. **Sections 32, 35, 36 and 39-41** of this

bill establish and revise various provisions concerning the alternative correctional program.

Existing law authorizes the Director of the Department of Corrections and the sheriff, chief of police or town marshal to establish programs for the treatment of prisoners with a substance use disorder using medication-assisted treatment. (NRS 209.4247, 211.400) **Sections 34 and 37** of this bill require persons who establish such programs to collaborate with the Department of Human Services if the program relates to opioid use disorder.

Existing law: (1) authorizes a board of county commissioners, with certain exceptions, to exercise all powers necessary or proper to address matters of local concern for the effective operation of a county government, whether or not the powers are expressly granted to the board; and (2) defines “matter of local concern” for such purposes. (NRS 244.143, 244.146) Existing law also authorizes a board of county commissioners to enact and enforce local police and sanitary ordinances and regulations that are not in conflict with the general laws and regulations of this State. (NRS 244.357) **Section 46** of this bill requires a board of county commissioners in a county whose population is 700,000 or more (currently only Clark County) to adopt an ordinance that designates the geographic boundaries of one or more corridors in which the commission of crime poses a significant risk to public safety and the economic welfare of this State due to the high concentration of tourists, visitors, employees and other persons in such corridors. **Section 46** provides that a person who is charged with, convicted of or the subject of deferred adjudication for any offense punishable as a misdemeanor: (1) for the first offense within the corridor within 2 years, may as a condition of release, sentencing, suspension of sentence or deferred adjudication, as applicable, be prohibited from entering the corridor in which the offense occurred for a period not to exceed 1 year; and (2) for a second or subsequent offense within the corridor within 2 years, must as a condition of release, sentencing, suspension of sentence or deferred adjudication, as applicable, be prohibited from entering the corridor in which the offense occurred for a period of not less than 1 year.

Section 9 of this bill authorizes a justice court, in a county wherein the board of county commissioners adopts an ordinance designating the geographic boundaries of one or more corridors pursuant to **section 46**, to establish an appropriate program for the adjudication of offenses punishable as a misdemeanor that occurred within the boundaries of such corridors.

Section 10 of this bill requires a justice court whose jurisdiction includes a corridor established pursuant to **section 46** to prepare and submit: (1) to the Legislature an annual report containing certain information regarding crimes that occur within such corridors; and (2) to the respective board of county commissioners a monthly report containing certain information regarding crimes that occur within such corridors.

Section 46.5 of this bill prohibits a school district, public school and any employee of a school district or public school, except pursuant to a lawful court order, warrant or subpoena, or as required by certain other

circumstances, from providing a law enforcement officer who is carrying out official duties: (1) permission to access the grounds, buildings or facilities of a school district or public school; or (2) certain educational information about a pupil or the family or household of a pupil. Section 46.5 provides that a violation of this prohibition subjects the person who violated the provision to disciplinary action by the school district or public school that employs the person.

Existing law requires the Department of Human Services: (1) to conduct a statewide needs assessment to determine the priorities for allocating money from the Fund for a Resilient Nevada; and (2) based on that needs assessment, to develop a statewide plan for allocating the money in the Fund. (NRS 433.732, 433.734) Existing law also prescribes specific requirements concerning the statewide needs assessment. (NRS 433.736) **Section 50** of this bill requires the statewide needs assessment to identify educational resources to be used for the training of law enforcement and other criminal justice agencies related to trauma-informed practices and medication-assisted treatment for persons with opioid use disorder. **Section 49** of this bill makes a conforming change to refer to provisions renumbered by **section 50**.

Existing law establishes provisions related to peer recovery support services. (NRS 433.622-433.641) **Section 47** of this bill requires the Department of Human Services to make available certain information relating to peer recovery support services. **Sections 48 and 56-58** of this bill make conforming changes governing the applicability of **section 47** to certain existing provisions of law related to peer support services.

Existing law sets forth various penalties involving driving or operating a vehicle or vessel under the influence of alcohol, a controlled substance or a prohibited substance under certain circumstances. (Chapter 484C of NRS, NRS 488.400-488.520) **Sections 52 and 54** of this bill provide that the prohibition on a person driving or operating a vehicle or vessel with a specific amount of marijuana or marijuana metabolite in his or her blood applies to certain offenses punishable as a felony. **Sections 53 and 55** of this bill increase the terms of imprisonment for a person who proximately causes the death of another person while driving or operating a vehicle or vessel under the influence of alcohol or a controlled substance. Additionally, **sections 53 and 55** further provide that any such person who proximately causes the death of another person and who has previously been once or twice convicted of certain offenses relating to driving or operating a vehicle or vessel under the influence of alcohol or a controlled substance is subject to an increased penalty.

During the 2021 Legislative Session, the Legislature made an appropriation to the Department of Corrections for the reintegration of the Offender Sentence Management System into the Nevada Offender Tracking Information System. Any remaining balance of that appropriation was required to be reverted to the State General Fund on or before September 15, 2023. (Section 2 of chapter 463, Statutes of Nevada 2021, at page 2875) During the 2023 and 2025 Legislative Sessions, the Legislature extended the reversion date to September

19, 2025, and September 17, 2027, respectively. **Section 58.1** of this bill extends the reversion date to September 21, 2029.

Existing law authorizes an offender to earn certain credits to reduce the sentence of imprisonment of the offender. (NRS 209.432-209.449) During the 2023 Legislative Session, the Legislature established a revised method for awarding credits to reduce the sentence of an offender that applied to an offender sentenced to a crime committed: (1) on or after July 1, 2025; or (2) before July 1, 2025, if the offender elected to be subject to the revised method. (NRS 209.4467) During the 2025 Legislative Session, the Legislature delayed the implementation of the revised method to July 1, 2026. **Sections 58.2-58.7** of this bill further delay the implementation of the revised method to July 1, 2027. Additionally, **section 58.2** requires the Director of the Department of Corrections to calculate the credit of certain offenders who are within 2 years of completion of their minimum term or minimum aggregate term or maximum term or maximum aggregate term, as applicable, of imprisonment on or after July 1, 2027, using the revised method, and authorizes such offenders and the Director to make certain decisions affecting parole eligibility and release.

(NRS 178.522, 178.528) **Section 29** of this bill provides that under these circumstances if the bail has been deposited by a person other than a surety, and upon notice and the agreement of the person, the bail must first be applied towards the payment of any restitution owed by the defendant. **Section 28** of this bill makes a conforming change related to the procedures prescribed by **section 29**.

AN ACT relating to public safety; revising provisions governing regulation and designation of school zones and school crossing zones; revising provisions relating to signs in school zones and school crossing zones; providing for enhanced penalties for certain traffic violations in active school zones and school crossing zones; prohibiting the inclusion of certain information concerning pupils within a directory of pupils; prohibiting the provision of certain information concerning pupils to third parties; ~~setting forth the method for a third party to request certain information concerning pupils; requiring the compilation of lists containing certain information included in such requests for information;~~ providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the governing body of a local government or the Department of Transportation to designate school zones and school crossing zones. In relevant part, existing law does not prohibit a person from driving at certain speeds, making a U-turn or overtaking and passing another vehicle in a school zone or school crossing zone, as applicable, during the period from a half hour after school is no longer in operation to a half hour before school is next in operation. (NRS 484B.363) **Section 24** of this bill revises this provision to require the governing body or the Department which designated the school zone or school crossing zone, as applicable, to specify one or more periods in which a person is not prohibited from performing these acts in a school zone

or school crossing zone. However, **section 24** provides that any such period may not encompass the 30 minutes after school is no longer in operation or the 30 minutes before school is next in operation.

Existing law establishes certain requirements related to signs and other devices designating school zones and school crossing zones. (NRS 268.425, 269.185, 484B.363, 484B.367) **Section 25** of this bill requires the governing body or the Department which designated the school zone or school crossing zone, as applicable, to: (1) place signs in certain locations indicating the presence of a school zone or school crossing zone; and (2) prescribe standards for the design, application, installation and maintenance of the signs designating the conditions that apply to school zones and school crossing zones. **Section 25** also authorizes the governing body and the Department to consult and collaborate with certain officers and entities regarding the standards. **Sections 35 and 36** of this bill make conforming changes related to the standards applicable to the signs and other devices in school zones and school crossing zones.

Existing law provides that a person who commits certain traffic violations in a work zone or a pedestrian safety zone may be subject to double the penalty for the underlying offense or infraction, subject to certain limitations. (NRS 484B.130, 484B.135) **Section 2** of this bill similarly provides that a person who commits certain traffic violations in an active school zone or active school crossing zone may be subject to double the penalty for the underlying offense or infraction, subject to certain limitations. **Section 2** also provides that a person who commits such traffic violations in an active school zone or active school crossing zone is subject to an assessment of twice the number of demerit points assigned to the underlying offense. **Sections 1, 3-23 and 26-34** of this bill make conforming changes related to the enhanced penalty prescribed by **section 2**.

Existing law sets forth certain requirements governing the privacy of data concerning pupils. (NRS 388.267-388.296) **Section 36.3** of this bill prohibits a public school from including certain information concerning a pupil in a directory of pupils maintained by the school. **Section 36.4** of this bill prohibits a school district or public school from disclosing the ~~personally identifiable information~~ **phone number or address** of any pupil or parent or legal guardian of a pupil unless required in certain circumstances. ~~Section 36.4 additionally: (1) authorizes a third party to request information contained in a directory pursuant to section 36.3; and (2) sets forth the method for submitting such a request. Section 36.4 additionally authorizes a pupil who is at least 18 years of age or the parent or legal guardian of a pupil who is less than 18 years of age to reject the provision of such information concerning the pupil. Furthermore, section 36.4 requires the compilation of lists containing certain information about requests for information concerning pupils submitted pursuant to section 36.4.~~

Details of the violation must be submitted to the Department by the court where the conviction or finding is obtained. 6. If, while violating any provision of subsections 1 to 5, inclusive, the driver of a motor vehicle is the proximate cause of a collision with a person riding a bicycle, an electric bicycle or an electric scooter, the driver is subject to the additional penalty set forth in subsection 4 of NRS 484B.653.

7. The operator of a bicycle, an electric bicycle or an electric scooter shall not:

- (a) Intentionally interfere with the movement of a motor vehicle; or
- (b) Overtake and pass a motor vehicle unless the operator can do so safely without endangering himself or herself or the occupants of the motor vehicle.

Sec. 17. NRS 484B.283 is hereby amended to read as follows:

484B.283 1. Except as otherwise provided in NRS 484B.287, 484B.290 and 484B.350:

(a) When official traffic-control devices are not in place or not in operation, the driver of a vehicle shall yield the right-of-way, slowing down or stopping if need be so to yield, to a pedestrian crossing the highway within a crosswalk when the pedestrian is upon the half of the highway upon which the vehicle is traveling or onto which the vehicle is turning, or when the pedestrian is approaching so closely from the opposite half of the highway as to be in danger.

(b) A pedestrian shall not suddenly leave a curb or other place of safety and walk or run into the path of a vehicle which is so close that it is impossible for the driver to yield.

(c) Whenever a vehicle is stopped at a marked crosswalk or at an unmarked crosswalk at an intersection, the driver of any other vehicle approaching from the rear shall not overtake and pass the stopped vehicle until the driver has determined that the vehicle being overtaken was not stopped for the purpose of permitting a pedestrian to cross the highway.

(d) Whenever signals exhibiting the words “Walk,” “Don’t Walk,” “Wait” or similar symbols are in place, such signals indicate as follows:

(1) While the “Walk” indication or walking person symbol is illuminated, pedestrians facing the signal may proceed across the highway in the direction of the signal and must be given the right-of-way by the drivers of all vehicles.

(2) While the “Don’t Walk” or “Wait” indication or an upraised hand symbol is illuminated, is flashing and is accompanied by a countdown timer, a pedestrian may proceed across the highway in the direction of the signal, but must complete the crossing before the countdown timer gets to zero.

(3) While the “Don’t Walk” or “Wait” indication or an upraised hand symbol is illuminated and flashing but is not accompanied by a countdown timer, a pedestrian may not proceed to cross the highway, but a pedestrian who entered the highway lawfully pursuant to subparagraph (1) may continue to cross the highway but must proceed to a curb, sidewalk, safety zone if one is provided or other place of safety before the “Don’t Walk” or “Wait” indication or an upraised hand symbol is illuminated and steady.

(4) While the “Don’t Walk” or “Wait” indication or an upraised hand symbol is illuminated and steady a pedestrian may not proceed to cross the highway, but a pedestrian who entered the highway lawfully pursuant to subparagraph (1) or (2) may continue to cross the highway but must proceed to a curb, sidewalk, safety zone if one is provided or other place of safety as soon as possible.

2. If, while violating paragraph (a) or (c) of subsection 1, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian, the driver is subject to the additional penalty set forth in subsection 4 of NRS 484B.653.

3. A person who violates any provision of subsection 1 may be subject to the additional penalty set forth in NRS 484B.135 ~~or~~ **or section 2 of this act.**

4. As used in this section, “half of the highway” means all traffic lanes of a highway which are designated for traffic traveling in one direction, and includes the entire highway in the case of a one-way highway.

Sec. 18. NRS 484B.300 is hereby amended to read as follows:

484B.300 1. Except as otherwise provided in NRS 484B.307, it is unlawful for any driver to disobey the instructions of any official traffic-control device placed in accordance with the provisions of chapters 484A to 484E, inclusive, of NRS, unless at the time otherwise directed by a police officer.

2. No provision of chapters 484A to 484E, inclusive, of NRS for which such devices are required may be enforced against an alleged violator if at the time and place of the alleged violation the device is not in proper position and sufficiently legible to be seen by an ordinarily observant person. Whenever a particular provision of chapters 484A to 484E, inclusive, of NRS does not state that such devices are required, the provision is effective even though no devices are erected or in place.

3. Whenever devices are placed in position approximately conforming to the requirements of chapters 484A to 484E, inclusive, of NRS, such devices are presumed to have been so placed by the official act or direction of a public authority, unless the contrary is established by competent evidence.

4. Any device placed pursuant to the provisions of chapters 484A to 484E, inclusive, of NRS and purporting to conform to the lawful requirements pertaining to such devices is presumed to comply with the requirements of chapters 484A to 484E, inclusive, of NRS unless the contrary is established by competent evidence.

5. A person who violates any provision of subsection 1 may be subject to any additional penalty set forth in NRS 484B.130 or 484B.135 ~~or~~ **or section 2 of this act.**

Sec. 19. NRS 484B.303 is hereby amended to read as follows:

484B.303 1. Whenever official traffic-control devices are erected indicating that no right or left turn is permitted, it is unlawful for any driver of a vehicle to disobey the directions of any such devices.

2. A person who violates any provision of this section may be subject to any additional penalty set forth in NRS 484B.130 or 484B.135 ~~or~~ **or section 2 of this act.**

Sec. 20. NRS 484B.307 is hereby amended to read as follows:

484B.307 1. Whenever traffic is controlled by official traffic-control devices exhibiting different colored lights, or colored lighted arrows, successively one at a time or in combination as declared in the manual and specifications adopted by the Department of Transportation, only the colors green, yellow and red may be used, except for special pedestrian-control devices carrying a word legend as provided in NRS 484B.283. The lights, arrows and combinations thereof indicate and apply to drivers of vehicles and pedestrians as provided in this section.

2. When the signal is circular green alone:

(a) Vehicular traffic facing the signal may proceed straight through or turn right or left unless another device at the place prohibits either or both such turns. Such vehicular traffic, including vehicles turning right or left, must yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent crosswalk at the time the signal is exhibited.

(b) Pedestrians facing such a signal may proceed across the highway within any marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

3. Where the signal is circular green with a green turn arrow:

(a) Vehicular traffic facing the signal may proceed to make the movement indicated by the green turn arrow or such other movement as is permitted by the circular green signal, but the traffic must yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection at the time the signal is exhibited. Drivers turning in the direction of the arrow when displayed with the circular green are thereby advised that so long as a turn arrow is illuminated, oncoming or opposing traffic simultaneously faces a steady red signal.

(b) Pedestrians facing such a signal may proceed across the highway within any marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

4. Where the signal is a green turn arrow alone:

(a) Vehicular traffic facing the signal may proceed only in the direction indicated by the arrow signal so long as the arrow is illuminated, but the traffic must yield the right-of-way to pedestrians lawfully within the adjacent crosswalk and to other traffic lawfully using the intersection.

(b) Pedestrians facing such a signal shall not enter the highway until permitted to proceed by another device as provided in NRS 484B.283.

5. Where the signal is a green straight-through arrow alone:

(a) Vehicular traffic facing the signal may proceed straight through, but must not turn right or left. Such vehicular traffic must yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent crosswalk at the time the signal is exhibited.

(b) Pedestrians facing such a signal may proceed across the highway within the appropriate marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

6. Where the signal is a steady yellow signal alone:

(a) Vehicular traffic facing the signal is thereby warned that the related green movement is being terminated or that a steady red indication will be exhibited immediately thereafter, and such vehicular traffic must not enter the intersection when the red signal is exhibited.

(b) Pedestrians facing such a signal, unless otherwise directed by another device as provided in NRS 484B.283, are thereby advised that there is insufficient time to cross the highway.

7. Where the signal is a flashing yellow turn arrow, displayed alone or in combination with another signal:

(a) Vehicular traffic facing the signal is permitted to cautiously enter the intersection only to make the movement indicated by the arrow signal, or other such movement as is permitted by other signal indications displayed at the same time. Such vehicular traffic must yield the right-of-way to pedestrians lawfully within the intersection or an adjacent crosswalk and yield the right-of-way to other traffic lawfully within the intersection.

(b) Pedestrians facing such a signal, unless otherwise directed by another device as provided in NRS 484B.283, are thereby advised that there may be insufficient time to cross the highway, but may proceed across the highway within the appropriate marked or unmarked crosswalk.

8. Where the signal is a steady red signal alone:

(a) Vehicular traffic facing the signal must stop before entering the crosswalk on the nearest side of the intersection where the sign or pavement marking indicates where the stop must be made, or in the absence of any such crosswalk, sign or marking, then before entering the intersection, and, except as otherwise provided in paragraphs (c) and (d), must remain stopped or standing until the green signal is shown.

(b) Pedestrians facing such a signal shall not enter the highway, unless permitted to proceed by another device as provided in NRS 484B.283.

(c) After complying with the requirement to stop, vehicular traffic facing such a signal and situated on the extreme right of the highway may proceed into the intersection for a right turn only when the intersecting highway is two-directional or one-way to the right, or vehicular traffic facing such a signal and situated on the extreme left of a one-way highway may proceed into the intersection for a left turn only when the intersecting highway is one-way to the left, but must yield the right-of-way to pedestrians and other traffic proceeding as directed by the signal at the intersection.

(d) After complying with the requirement to stop, a person driving a motorcycle, moped or trimobile or riding a bicycle, an electric bicycle or an electric scooter may proceed straight through or turn right or left if:

(1) The person waits for two complete cycles of the lights or lighted arrows of the applicable official traffic-control device and the signal does not change because of a malfunction or because the signal failed to detect the presence of the motorcycle, moped, trimobile, bicycle, electric bicycle or electric scooter;

(2) No other device at the place prohibits either or both such turns, if applicable; and

(3) The person yields the right-of-way to pedestrians and other traffic proceeding as directed by the signal at the intersection.

(e) Vehicular traffic facing the signal may not proceed on or through any private or public property to enter the intersecting street where traffic is not facing a red signal to avoid the red signal.

9. Where the signal is a steady red with a green turn arrow:

(a) Except as otherwise provided in paragraph (b), vehicular traffic facing the signal may enter the intersection only to make the movement indicated by the green turn arrow, but must yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection. Drivers turning in the direction of the arrow are thereby advised that so long as the turn arrow is illuminated, oncoming or opposing traffic simultaneously faces a steady red signal.

(b) A person driving a motorcycle, moped or trimobile or riding a bicycle, an electric bicycle or an electric scooter facing the signal may proceed straight through or turn in the direction opposite that indicated by the green turn arrow if:

(1) The person stops before entering the crosswalk on the nearest side of the intersection where the sign or pavement marking indicates where the stop must be made or, in the absence of any such crosswalk, sign or marking, before entering the intersection;

(2) The person waits for two complete cycles of the lights or lighted arrows of the applicable official traffic-control device and the signal does not change because of a malfunction or because the signal failed to detect the presence of the motorcycle, moped, trimobile, bicycle, electric bicycle or electric scooter;

(3) No other device at the place prohibits the turn, if applicable; and

(4) The person yields the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.

(c) Pedestrians facing such a signal shall not enter the highway, unless permitted to proceed by another device as provided in NRS 484B.283.

10. If a person violates paragraph (d) of subsection 8 or paragraph (b) of subsection 9 and that violation results in an injury to another person, the violation creates a rebuttable presumption of all facts necessary to impose civil liability for the injury.

11. If a signal is erected and maintained at a place other than an intersection, the provisions of this section are applicable except as to those provisions which by their nature can have no application. Any stop required must be made at a sign or pavement marking indicating where the stop must be made, but in the absence of any such device the stop must be made at the signal.

12. Whenever signals are placed over the individual lanes of a highway, the signals indicate, and apply to drivers of vehicles, as follows:

(a) A downward-pointing green arrow means that a driver facing the signal may drive in any lane over which the green signal is shown.

(b) A red “X” symbol means a driver facing the signal must not enter or drive in any lane over which the red signal is shown.

13. A local authority shall not adopt an ordinance or regulation or take any other action that prohibits vehicular traffic from crossing an intersection when:

(a) The red signal is exhibited; and

(b) The vehicular traffic in question had already completely entered the intersection before the red signal was exhibited. For the purposes of this paragraph, a vehicle shall be considered to have “completely entered” an intersection when all portions of the vehicle have crossed the limit line or other point of demarcation behind which vehicular traffic must stop when a red signal is displayed.

14. A person who violates any provision of this section may be subject to the additional penalty set forth in NRS 484B.135 ~~or~~ **or section 2 of this act.**

Sec. 21. NRS 484B.317 is hereby amended to read as follows:

(b) May, without a warrant, seize and take possession of a vehicle equipped with any device or mechanism that is capable of interfering with or altering the signal of a traffic-control signal, including, without limitation, a mobile transmitter, if the device or mechanism cannot be removed from the motor vehicle by the police officer, and may cause the vehicle to be towed and impounded until:

(1) The device or mechanism is removed from the vehicle; and

(2) The owner claims the vehicle by paying the cost of the towing and impoundment.

4. Neither the police officer nor the governmental entity which employs the officer is civilly liable for any damage to a vehicle seized pursuant to the provisions of paragraph (b) of subsection 3 that occurs after the vehicle is seized but before the towing process begins.

5. Except as otherwise provided in subsection 9, the presence of any device or mechanism, including, without limitation, a mobile transmitter, that is capable of interfering with or altering the signal of a traffic-control signal in or on a vehicle on the highways of this State constitutes prima facie evidence of a violation of this section. The State need not prove that the device or mechanism in question was in an operative condition or being operated.

6. A person who violates the provisions of subsection 1 or 2 is guilty of a misdemeanor.

7. A person who violates any provision of subsection 1 or 2 may be subject to any additional penalty set forth in NRS 484B.130 or 484B.135 ~~or~~ **or section 2 of this act.**
