EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to transportation; requiring the Department of Transportation to assist certain counties in developing a computerized pavement management system; and providing other matters properly relating thereto.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND
ASSEMBLY, DO ENACT AS FOLLOWS:

- 1 **Section 1.** 1. The Department of Transportation shall assist each
2 county in the State of Nevada whose population is less than 50,000 in
3 developing a computerized pavement management system that is similar to
4 the system used by the Department.
5 2. As used in this section, “computerized pavement management
6 system” means a tool that uses a computer to compile data concerning the
7 conditions of roadways and the costs of maintaining those roadways to
8 assist persons who make decisions concerning those roadways to:
9 (a) Establish priorities systematically for projects of construction and
10 maintenance;
11 (b) Optimize the use of available money; and
12 (c) Make informed decisions.
