8 division of the University and Community College System of Nevada and
9 the boards of county commissioners of any or all of the respective counties
10 of the State of Nevada may enter into cooperative agreements and activities
11 subject to the provisions of this chapter.

1 **Sec. 2.** NRS 549.020 is hereby amended to read as follows:

2 549.020 1. The director of the agricultural extension department of
3 the public service division of the University and Community College
4 System of Nevada shall prepare and submit to the board of county
5 commissioners, for each county participating, an annual financial budget
6 covering the county, state and federal funds cooperating in the cost of
7 ~~cooperative extension work in agriculture and home economics.~~
8 *educational, research, outreach and service programs pertaining to*
9 *agriculture, community development, health and nutrition, horticulture,*
10 *personal and family development, and natural resources in the rural and*
11 *urban communities in the State of Nevada.*

12 2. The budget must be adopted by the board of county commissioners
13 and certified as a part of the annual county budget, and the county tax levy
14 provided for agricultural extension work in the annual county budget must
15 include a levy of not less than 1 cent on each \$100 of taxable property. If
16 the proceeds of the county tax levy of 1 cent are insufficient to meet the
17 county's share of the cooperative agricultural extension work, as provided
18 in the combined annual financial budget, the board of county
19 commissioners may, by unanimous vote, levy an additional tax so that the
20 total in no instance exceeds 5 cents on each \$100 of the county tax rate.

21 3. The proceeds of such a tax must be placed in the agricultural
22 extension fund in each county treasury and must be paid out on claims
23 drawn by the agricultural extension agent of the county as designated by the
24 director of the agricultural extension department of the public service
25 division of the University and Community College System of Nevada,
26 when approved by the director and countersigned by the treasurer of the
27 University and Community College System of Nevada.

28 4. A record of all such claims approved and paid, segregated by
29 counties, must be kept by the treasurer of the University and Community
30 College System of Nevada. The cost of maintaining the record must be paid
31 from state funds provided for by this chapter.

32 5. The state's cooperative share of the cost of such agricultural
33 extension work, as entered in the budget described in this section, must not
34 be more than a sum equal to the proceeds of 1 cent of such county tax rate;
35 but when the proceeds of a 1-cent tax rate are insufficient to carry out the
36 provisions of the budget previously adopted, the director of the agricultural
37 extension department of the public service division of the University and
38 Community College System of Nevada is authorized to supplement the
39 state's cooperative share from the funds as may be made available in the
40 public service division fund of the University and Community College
41 System of Nevada.

42 **Sec. 3.** 1. There is hereby appropriated from the state general fund to
43 the agricultural extension department of the public service division of the

1 University and Community College System of Nevada the sum of \$75,000
2 for the abatement of tall white top.

3 2. Any remaining balance of the appropriation made by subsection 1
4 must not be committed for expenditure after June 30, 2001, and reverts to
5 the state general fund as soon as all payments of money committed have
6 been made.

7 **Sec. 4.** This act becomes effective upon passage and approval.
