23 form in which pure captive insurers must report.

24 2. A pure captive insurer may apply, in writing, for authorization to
25 file its annual report based on a fiscal year that is consistent with the

34 **Sec. 31. 1.** Except as otherwise provided in this section, at least
35 once every 3 years, and at such other times as the commissioner

38 captive insurer to ascertain:

39 (a) The financial condition of the captive insurer;

40 (b) The ability of the captive insurer to fulfill its obligations; and

41 (c) Whether the captive insurer has complied with the provisions of
42 this chapter and the regulations adopted pursuant thereto.

1 2. Upon the application of a captive insurer, the commissioner may

5 (b) Which are conducted by an independent auditor appointed by the
6 commissioner.

7 3. The commissioner may contract to obtain legal, financial and
8 examination services from outside the division to conduct the

11 insurer.

12 4. The provisions of NRS 679B.287 apply to examinations conducted
13 pursuant to this section.

14 **Sec. 32.** The commissioner may suspend or revoke the license of a
15 captive insurer if, after an examination and hearing, the commissioner
16 determines that:

17 1. The captive insurer:

19 (b) Has failed to meet the requirement of sections 25 to 28, inclusive,
20 of this act;

26 section 31 of this act;

27 (f) Has refused or failed to pay the cost of an examination required
28 pursuant to section 31 of this act;

29 (g) Has used any method in transacting insurance pursuant to this
30 chapter which is detrimental to the operation of the captive insurer or
31 would make its condition unsound with respect to its policyholders or the
32 general public; or

33 (h) Has failed otherwise to comply with the laws of this state; and

34 2. The suspension or revocation of the license of the captive insurer
35 is in the best interest of its policyholders or the general public.

36 **Sec. 33.** 1. Except as otherwise provided in this section, an
37 association captive insurer, an agency captive insurer or a rental captive
38 insurer shall comply with the requirements relating to investments set
39 forth in chapter 682A of NRS. Upon the request of the association
40 captive insurer, agency captive insurer or rental captive insurer, the
41 commissioner may approve the use of reliable, alternative methods of
42 valuation and rating.

1 2. A pure captive insurer is not subject to any restrictions on
2 allowable investments, except that the commissioner may prohibit or limit
3 any investment that threatens the solvency or liquidity of the pure captive
4 insurer.

5 3. A pure captive insurer may make a loan to its parent or affiliated
6 company if the loan:

7 (a) Is first approved in writing by the commissioner;

8 (b) Is evidenced by a note that is in a form that is approved by the
9 commissioner; and

10 (c) Does not include any money that has been set aside as capital or

13 **Sec. 34. 1.** A captive insurer may provide reinsurance on risks
14 ceded by any other insurer.

15 2. A captive insurer may take credit for reserves on risks or portions
16 of risks ceded to a reinsurer that is in compliance with NRS 681A.140 to
17 681A.240, inclusive. A captive insurer shall not take credit for reserves
18 on risks or portions of risks ceded to a reinsurer if the reinsurer is not in
19 compliance with NRS 681A.140 to 681A.240, inclusive, without the prior
20 approval of the commissioner.

21 3. The commissioner may authorize a captive insurer to take credit
22 for reserves on risks or portions of risks ceded to a pool, an exchange or
23 an association acting as a reinsurer. The commissioner may require such
24 documents, financial information or other evidence as he determines
25 necessary to show that the pool, exchange or association will be able to
26 provide adequate security for its financial obligations. The commissioner
27 may deny authorization or impose any limitations on the activities of a
28 reinsurance pool, exchange or association that, in his judgment, are
29 necessary and proper to provide adequate security for the ceding captive
30 insurer and for the protection and benefit of the general public.

31 4. For the purposes of this chapter, insurance provided by a captive
32 insurer of any plan for workers' compensation of its parent and affiliated
33 companies which is certified or otherwise qualified in the state in which
34 the insurance is provided as a self-insurance plan shall be deemed to be
35 reinsurance.

36 **Sec. 35.** A captive insurer is not required to join a rating
37 organization.

38 **Sec. 36.** A captive insurer shall not join or contribute financially to
39 any risk-sharing plan, risk pool or insurance insolvency guaranty fund in
40 this state. A captive insurer or its insured, its parent or an affiliated
41 company, or any member organization of its association shall not receive
42 any benefit from such a plan, pool or fund for claims arising out of the
43 operations of the captive insurer.

1 **Sec. 37. 1.** *Except as otherwise provided in this section, a captive*
2 *insurer shall pay to the division, not later than March 1 of each year, a*

21 *taxation on a direct basis pursuant to subsection 1. A captive insurer is*
22 *not required to pay any reinsurance premium tax pursuant to this*
23 *subsection on revenue related to the receipt of assets by the captive*
24 *insurer in exchange for the assumption of loss reserves and other*
25 *liabilities of another insurer that is under common ownership and*
26 *control with the captive insurer, if the transaction is part of a plan to*
27 *discontinue the operation of the other insurer and the intent of the*
28 *parties to the transaction is to renew or maintain such business with the*
29 *captive insurer.*

30 **3.** *If the sum of the taxes to be paid by a captive insurer calculated*
31 *pursuant to subsections 1 and 2 is less than \$5,000 in any given year, the*
32 *captive insurer shall pay a tax of \$5,000 for that year.*

33 **4.** *Two or more captive insurers under common ownership and*
34 *control must be taxed as if they were a single captive insurer.*

35 **5.** *Notwithstanding any specific statute to the contrary and except as*
36 *otherwise provided in this subsection, the tax provided for by this section*
37 *constitutes all the taxes collectible pursuant to the laws of this state from*
