37 **Sec. 3.** NRS 463.167 is hereby amended to read as follows:

38 463.167 1. The commission may determine the suitability, or may
39 require the licensing, of any person who furnishes services or property to a
40 state gaming licensee under any arrangement pursuant to which the person
41 receives payments based on earnings, profits or receipts from gaming. The
42 commission may require any such person to comply with the requirements
43 of this chapter and with the regulations of the commission. If the

1 commission determines that any such person is unsuitable, it may require
2 the arrangement to be terminated.

3 2. If the premises of a licensed gaming establishment are directly or
4 indirectly owned or under the control of the licensee therein, or of any
5 person controlling, controlled by, or under common control with the
6 licensee, the commission may, upon recommendation of the board, require
7 the application of any person for a determination of suitability to be
8 associated with a gaming enterprise if the person:

15 for a compensation which the board finds to be grossly disproportionate to
16 the value of the goods or services.

17 3. If the commission determines that the person is unsuitable to be
18 associated with a gaming enterprise, the association must be terminated.
19 Any agreement which entitles a business other than gaming to be conducted
20 on the premises, or entitles a person other than gaming to conduct business
21 with the licensed gaming establishment as set forth in paragraph (b) or (c)
22 of subsection 2, is subject to termination upon a finding of unsuitability of
23 the person associated therewith. Every such agreement must be deemed to
24 include a provision for its termination without liability on the part of the
25 licensee upon a finding by the commission that the person associated
26 therewith is unsuitable to be associated with a gaming enterprise. Failure
27 expressly to include that condition in the agreement is not a defense in any
28 action brought pursuant to this section to terminate the agreement. If the
29 application is not presented to the board within 30 days following demand
30 or the unsuitable association is not terminated, the commission may pursue
31 any remedy or combination of remedies provided in this chapter.

32 ***4. The name of any person determined to be unsuitable pursuant to***
33 ***this section must be included on the list required pursuant to subsection 8***

40 action upon a claim for refund filed pursuant to this chapter, the claimant
41 may bring an action against the commission on the grounds set forth in the
42 claim in any court of competent jurisdiction for the recovery of the whole

1 or any part of the amount with respect to which the claim has been
2 disallowed.

3 3. Failure to bring an action within the time specified in subsection 2
4 constitutes a waiver of any demand against the state on account of alleged
5 overpayments.

6 4. *Within 20 days after the mailing of the notice of the commission's*
7 *action upon a claim for refund filed pursuant to this chapter, the*
8 *claimant may file a motion for rehearing with the commission. The*
9 *commission must take action on the motion for rehearing within 50 days*
10 *after it has been filed with the commission. If the motion for rehearing is*
11 *granted, the commission's earlier action upon the claim for refund is*
12 *rescinded and the 90-day period specified in subsection 2 does not begin*
13 *until the commission mails notice of its action upon the claim following*
14 *the rehearing.*

15 5. If the commission fails to mail its notice of action on a claim within
16 6 months after the claim is filed ~~H~~ *or reheard*, the claimant may consider

24 the payment of interest if it finds that the claimant has failed to file a claim
25 for a refund within 90 days after receiving written notification of
26 overpayment from the board or has impeded the board's ability to process
27 the claim in a timely manner.

28 ~~16.1~~ 7. Notwithstanding the provisions of NRS 353.115, any claim for
29 refund of state gaming license fees or taxes paid in excess of the amount
30 required to be reported and paid, must be filed with the commission within
