

Assembly Bill No. 703—Committee on Ways and Means

CHAPTER.....

AN ACT relating to state financial administration; making appropriations for various projects and programs that benefit the residents of this state; and providing other matters properly relating thereto.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. 1. There is hereby appropriated from the state general fund to the City of Las Vegas the sum of \$150,000 for grants to support athletic programs for children after the regularly scheduled school day and on weekends.

2. Any remaining balance of the appropriation made by subsection 1 must not be committed for expenditure after June 30, 2001, and reverts to the state general fund as soon as all payments of money committed have been made.

Sec. 2. 1. There is hereby appropriated from the state general fund to White Pine County the sum of \$110,000 for expenses related to the trial of Thomas Coleman.

2. Any remaining balance of the appropriation made by subsection 1 must not be committed for expenditure after June 30, 2001, and reverts to the state general fund as soon as all payments of money committed have been made.

Sec. 3. 1. There is hereby appropriated from the state general fund to Boulder City the sum of \$250,000 to assist in the design, construction and installation of exhibits at the Boulder City Museum.

2. Any remaining balance of the appropriation made by subsection 1 must not be committed for expenditure after June 30, 2001, and reverts to the state general fund as soon as all payments of money committed have been made.

Sec. 4. 1. There is hereby appropriated from the state general fund to the Interim Finance Committee the sum of \$100,000 for the operational costs of the Commission on Racial and Economic Bias within the Judicial System.

2. The Commission on Racial and Economic Bias within the Judicial System shall submit a request to the Interim Finance Committee to receive funding from the money appropriated by subsection 1. The request must include a proposed budget for the expenditure of the money requested. The Interim Finance Committee need not approve the entire funding upon the Commission's request. Information describing the manner in which any previously allocated money was expended must be provided by the Commission with any subsequent request for funding.

3. Any remaining balance of the appropriation made by subsection 1 must not be committed for expenditure after June 30, 2001, and reverts to

the state general fund as soon as all payments of money committed have been made.

Sec. 5. 1. There is hereby appropriated from the state general fund to the State Department of Agriculture the sum of \$40,000 for research on White Rot.

2. The State Department of Agriculture may only expend an amount of the money appropriated by subsection 1 equal to the amount for which matching money is provided from the Garlic and Onion Research and Promotion Account created by NRS 561.423 or donations, or a combination of both.

3. Any remaining balance of the sum appropriated by subsection 1 must not be committed for expenditure after June 30, 2001, and reverts to the state general fund as soon as all payments of money committed have been made.

Sec. 6. 1. There is hereby appropriated from the state general fund to the State Department of Agriculture the sum of \$80,000 for the development of a statewide data base and economic analysis relating to grazing trends on public lands and their effect on private business, rural economies, and county and state governments.

2. Any remaining balance of the appropriation made by subsection 1 must not be committed for expenditure after June 30, 2001, and reverts to the state general fund as soon as all payments of money committed have been made.

3. The Director of the State Department of Agriculture shall use the money appropriated by subsection 1 to develop a statewide data base and economic analysis relating to grazing trends on public lands. The data base and analysis must be completed on or before the first day of the 71st legislative session.

4. The data base must include:

(a) An inventory of all federally administered land in Nevada summarizing and verifying past and present grazing authorizations issued by the Federal Government. To the extent practical, this inventory must incorporate existing information that is verified in terms of its accuracy and compiled in a usable format.

(b) Individual grazing allotments from federal records, arranged into a data base that is based on geographic areas and including all geographical information associated with the grazing allotments. All compiled and verified records of individual grazing allotments must be subjected to an economic input and output model that has been regionally calibrated and verified by the Applied Economics and Statistics Department of the University of Nevada, Reno.

5. The economic analysis must include a determination of the annual economic effect on the livestock industry, business sectors and governmental revenues and the economic effect on the income and property values of ranchers.

6. The summarized results of this study must be compiled into a written report on or before January 1, 2001. Two hundred copies of the report must be produced. Copies must be delivered to the Governor, Nevada Legislature, Nevada Congressional Delegation, Nevada Association of Counties, Nevada Cattlemen's Association, Nevada Farm Bureau and other appropriate state and federal agencies.

7. The Director is authorized to hire a qualified contractor to complete the written report within the limits of the appropriation made by subsection 1.

Sec. 7. 1. There is hereby appropriated from the state general fund to the City of Las Vegas the sum of \$300,000 for continued support of the child care training program currently operated by the City of Las Vegas.

2. Any remaining balance of the appropriation made by subsection 1 must not be committed for expenditure after June 30, 2001, and reverts to the state general fund as soon as all payments of money committed have been made.

Sec. 8. 1. There is hereby appropriated from the state general fund to Lyon County the sum of \$25,000 for the expansion of the Lyon County Museum and the restoration of the Thompson School House.

2. Any remaining balance of the appropriation made by subsection 1 must not be committed for expenditure after June 30, 2001, and reverts to the state general fund as soon as all payments of money committed have been made.

Sec. 9. 1. There is hereby appropriated from the state general fund to the University and Community College System of Nevada the sum of \$100,000 for the Southern Nevada Writing Project and the Northern Nevada Writing Project.

2. The money appropriated by subsection 1 must be allocated equally between the Southern Nevada Writing Project and the Northern Nevada Writing Project for deposit in separate accounts for each project.

3. Disbursements from these accounts to pay the expenses of the projects must be made by the Board of Regents of the University and Community College System of Nevada upon the request of the administrator of the respective project.

4. Any remaining balance of the appropriation made by subsection 1 must not be committed for expenditure after June 30, 2001, and reverts to the state general fund as soon as all payments of money committed have been made.

2. Any remaining balance of the appropriation made by subsection 1 must not be committed for expenditure after June 30, 2001, and reverts to the state general fund as soon as all payments of money committed have been made.

Sec. 12. 1. There is hereby appropriated from the state general fund to the Department of Education the sum of \$50,000 for the award of grants to schools for training and for the establishment of programs for peer mediation and conflict resolution and the expansion of existing programs for peer mediation and conflict resolution.

2. The Department of Education shall use the money appropriated by subsection 1 to award grants to schools for the establishment of programs for peer mediation and conflict resolution and the expansion of existing programs for peer mediation and conflict resolution. The Department shall give priority either to schools which do not have an existing program or to those schools that have a high incidence of:

- (a) Violence between pupils;
- (b) Violence directed against teachers or other members of the staff;
- (c) Violence involving weapons; or
- (d) Any combination of paragraph (a), (b) or (c).

3. Each grant awarded pursuant to subsection 2 must not exceed \$2,500. The grants must not be used for the administrative salaries of school administrators.

4. Participating schools may submit an application for a grant to the Department of Education and each grant must be awarded on a competitive basis according to the criteria set forth in subsection 2.

5. Any remaining balance of the appropriation made by subsection 1 must not be committed for expenditure after June 30, 2001, and reverts to the state general fund as soon as all payments of money committed have been made.
