THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE
AND ASSEMBLY, DO ENACT AS FOLLOWS:

- 1 **Section 1.** The legislature hereby finds and declares that:
2 1. Nonprofit hospital, medical and dental service corporations have
3 historically filled a unique position of community trust as indicated by the
4 special consideration that these nonprofit corporations receive in federal
5 and state laws. These laws have allowed such nonprofit corporations to
6 hold and accumulate assets and real property in order to perform their
7 special responsibilities to the residents of the State of Nevada.
8 2. When nonprofit hospital, medical or dental service corporations
9 which have received special consideration by law in this state convert to for-
10 profit corporations, it is in the public interest that assets of such
11 corporations remain in this state to be used for their intended purpose
12 through distribution to charitable organizations.

9 reasonably implied from the provisions of this code;

10 5. Conduct such examinations and investigations of insurance matters,
11 in addition to examinations and investigations expressly authorized, as he
12 may deem proper upon reasonable and probable cause to determine whether
13 any person has violated any provision of this code or to secure information
14 useful in the lawful enforcement or administration of any such provision;
15 and

16 6. Have such additional powers and duties as may be provided by other
17 laws of this state.
