THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

- 1 **Section 1.** Chapter 164 of NRS is hereby amended by adding thereto
2 the provisions set forth as sections 2 to 44, inclusive, of this act.
- 3 **Sec. 2.** *As used in sections 2 to 44, inclusive, of this act:*
- 4 1. *“Fiduciary” means a trustee or, to the extent that sections 15 to 44,*
5 *inclusive, of this act apply to an estate, a personal representative.*
- 6 2. *“Terms of a trust” means the manifestation of the intent of a*
7 *settlor or decedent with respect to the trust, expressed in a manner that*
8 *admits of its proof in a judicial proceeding, whether by written or spoken*
9 *words or by conduct.*
- 10 **Sec. 3.** *In performing his duties under sections 2 to 44, inclusive, of*
11 *this act, a fiduciary:*
- 12 1. *Shall administer a trust or estate in accordance with the terms of*

14 *44, inclusive, of this act;*
- 15 2. *May administer a trust or estate by the exercise of a discretionary*
16 *power of administration given to the fiduciary by the terms of the trust or*
17 *the will, even if the exercise of the power produces a result different from*
18 *a result required or permitted by sections 2 to 44, inclusive, of this act;*
19 *and*

1 **3. Shall administer a trust or estate in accordance with sections 2 to**
2 **44, inclusive, of this act if the terms of the trust or the will do not contain**

4 **administration.**

5 **Sec. 4. A trustee shall invest and manage the trust property solely in**
6 **the interest of the beneficiaries.**

7 **Sec. 5. 1. If a trust has two or more beneficiaries, the trustee shall**

10 **2. In exercising the power to adjust under section 18 of this act or a**
11 **discretionary power of administration regarding a matter within the scope**
12 **of sections 15 to 44, inclusive, of this act, whether granted by the terms of**
13 **a trust, a will, or sections 15 to 44, inclusive, of this act, a fiduciary shall**
14 **administer a trust or estate impartially, based on what is fair and**
15 **reasonable to all of the beneficiaries, except to the extent that the terms of**
16 **the trust or the will clearly manifest an intention that the fiduciary shall**
17 **or may favor one or more of the beneficiaries. A determination in**
18 **accordance with sections 15 to 44, inclusive, of this act is presumed to be**
19 **fair and reasonable to all of the beneficiaries.**

20 **Sec. 6. Sections 2 to 14, inclusive, of this act may be cited as the**
21 **Uniform Prudent Investor Act.**

22 **Sec. 7. A trustee who invests and manages trust property owes a duty**
23 **to the beneficiaries of the trust to comply with the prudent investor rule as**
24 **set forth in sections 2 to 14, inclusive, of this act but a trustee is not liable**
25 **to a beneficiary to the extent that the trustee acted in reasonable reliance**
26 **on the terms of the trust.**

27 **Sec. 8. 1. A trustee shall invest and manage trust property as a**
28 **prudent investor would, considering the terms, purposes, requirements for**

30 **standard, the trustee shall exercise reasonable care, skill and caution.**

31 **2. A trustee's decisions concerning investment and management as**
32 **applied to individual assets must be evaluated not in isolation but in the**
33 **context of the trust portfolio as a whole and as part of an overall strategy**
34 **of investment having objectives for risk and return reasonably suited to**
35 **the trust.**

36 **3. Among circumstances that a trustee shall consider in investing and**
37 **managing trust property are such of the following as are relevant to the**
38 **trust or its beneficiaries:**

39 **(a) General economic conditions;**

40 **(b) The possible effect of inflation or deflation;**

41 **(c) The expected tax consequences of decisions or strategies;**

8 4. *A trustee shall make a reasonable effort to verify facts relevant to*
9 *the investment and management of trust property.*

10 5. *A trustee may invest in any kind of property or type of investment*
11 *consistent with the standards of sections 2 to 14, inclusive, of this act,*
12 *which may include financial assets, interests in closely held enterprises,*
13 *tangible and intangible personal property, and real property.*

14 6. *A trustee who has special skills or expertise, or is named trustee in*
15 *reliance upon his representation that he has special skills or expertise,*
16 *has a duty to use those special skills or expertise.*

18 *reasonably determines that, because of special circumstances, the*
19 *purposes of the trust are better served without diversifying.*

20 Sec. 10. *Within a reasonable time after accepting a trusteeship or*
21 *receiving trust property, a trustee shall review the trust property and make*
22 *and carry out decisions concerning the retention and disposition of assets,*
23 *in order to bring the trust portfolio into compliance with the purposes,*
24 *terms, requirements for distribution and other circumstances of the trust,*
25 *and with the requirements of sections 2 to 14, inclusive, of this act.*

26 Sec. 11. *In investing and managing trust property, a trustee may only*
27 *incur costs that are appropriate and reasonable in relation to the*
28 *property, the purposes of the trust and the skills of the trustee.*

29 Sec. 12. *Compliance with the prudent investor rule is determined in*
30 *light of the facts and circumstances existing at the time of a trustee's*
31 *decision or action and not by hindsight.*

32 Sec. 13. 1. *A trustee may delegate functions of investment and*
33 *management that a prudent trustee of comparable skills could properly*
34 *delegate under the circumstances. He shall exercise reasonable care, skill*
35 *and caution in:*

36 (a) *Selecting an agent;*

37 (b) *Establishing the scope and terms of the delegation, consistent with*
38 *the purposes and terms of the trust; and*

39 (c) *Periodically reviewing the agent's actions in order to verify the*
40 *agent's performance and compliance with the terms of the delegation.*

41 2. *In performing a delegated function, an agent owes a duty to the*
42 *trust to exercise reasonable care to comply with the terms of the*
43 *delegation.*

1 **3. A trustee who complies with the requirements of subsection 1 is not**
2 **liable to the beneficiaries or to the trust for the decisions or actions of the**
3 **agent to whom the function was delegated.**

4 **4. By accepting the delegation of a function from the trustee of a trust**
5 **that is subject to the law of this state, an agent submits to the jurisdiction**
6 **of the courts of this state.**

14 **affairs, not in regard to speculation but in regard to the permanent**
15 **disposition of their funds, considering the probable income as well as the**
16 **probable safety of their capital,” “prudent man rule,” “prudent trustee**
17 **rule,” “prudent person rule,” and “prudent investor rule.”**

18 **Sec. 15. Section 2, subsection 2 of section 5 and sections 15 to 44,**
19 **inclusive, of this act may be cited as the Uniform Principal and Income**
20 **Act (1997).**

21 **Sec. 16. As used in sections 15 to 44, inclusive, of this act:**

22 **1. “Accounting period” means a calendar year unless another 12-**
23 **month period is selected by a fiduciary. The term includes a portion of a**
24 **calendar year or other 12-month period that begins when an income**
25 **interest begins or ends when an income interest ends.**

26 **2. “Beneficiary” includes, in the case of a decedent’s estate, an heir,**
27 **legatee, and devisee and, in the case of a trust, an income beneficiary and**
28 **a remainder beneficiary.**

29 **3. “Fiduciary” includes an executor, administrator, successor**
30 **personal representative, special administrator, and a person performing**
31 **substantially the same function.**

32 **4. “Income” means money or property that a fiduciary receives as**
33 **current return from a principal asset. The term includes a portion of**
34 **receipts from a sale, exchange, or liquidation of a principal asset, to the**
35 **extent provided in sections 24 to 38, inclusive, of this act.**

36 **5. “Income beneficiary” means a person to whom net income of a**
37 **trust is or may be payable.**

38 **6. “Income interest” means the right of an income beneficiary to**
39 **receive all or part of net income, whether the terms of the trust require it**
40 **to be distributed or authorize it to be distributed in the trustee’s discretion.**

41 **7. “Mandatory income interest” means the right of an income**
42 **beneficiary to receive net income that the terms of the trust require the**
43 **fiduciary to distribute.**

1 8. *“Net income” means the total receipts allocated to income during*
2 *an accounting period minus the disbursements made from income during*
3 *the period, plus or minus transfers under sections 15 to 44, inclusive, of*
4 *this act to or from income during the period.*

5 9. *“Principal” means property held in trust for distribution to a*
6 *remainder beneficiary when the trust terminates.*

7 10. *“Remainder beneficiary” means a person entitled to receive*
8 *principal when an income interest ends.*

9 Sec. 17. *In allocating receipts and disbursements to or between*
10 *principal and income, and with respect to any matter within the scope of*
11 *sections 19 to 23, inclusive, of this act, a fiduciary shall add a receipt or*
12 *charge a disbursement to principal to the extent that the terms of the trust*
13 *and sections 15 to 44, inclusive, of this act do not provide a rule for*
14 *allocating the receipt or disbursement to or between principal and*
15 *income.*

16 Sec. 18. 1. *A trustee may adjust between principal and income to*
17 *the extent he considers necessary if he invests and manages trust assets as*
18 *a prudent investor, the terms of the trust describe the amount that may or*
19 *must be distributed to a beneficiary by referring to the trust’s income, and*
20 *he determines, after applying the rules in sections 3 and 17 of this act,*
21 *that he is unable to comply with subsection 2 of section 5 of this act.*

22 2. *In deciding whether and to what extent to exercise the power*
23 *conferred by subsection 1, a trustee shall consider all factors relevant to*
24 *the trust and its beneficiaries, including the following factors to the extent*
25 *they are relevant:*

26 (a) *The nature, purpose, and expected duration of the trust;*

27 (b) *The intent of the settlor;*

28 (c) *The identity and circumstances of the beneficiaries;*

29 (d) *The needs for liquidity, regularity of income, and preservation and*
30 *appreciation of capital;*

31 (e) *The assets held in the trust, the extent to which the assets consist of*
32 *financial assets, interests in closely held enterprises, tangible and*
33 *intangible personal property, or real property, the extent to which an asset*
34 *is used by a beneficiary, and whether an asset was purchased by the*
35 *trustee or received from the settlor;*

36 (f) *The net amount allocated to income under the other provisions of*
37 *sections 15 to 44, inclusive, of this act and the increase or decrease in the*
38 *value of the principal assets, which the trustee may estimate as to assets*
39 *for which market values are not readily available;*

40 (g) *Whether and to what extent the terms of the trust give the trustee*
41 *the power to invade principal or accumulate income or prohibit him from*
42 *invading principal or accumulating income, and the extent to which he*

1 *has exercised a power from time to time to invade principal or*
2 *accumulate income;*

3 *(h) The actual and anticipated effect of economic conditions on*
4 *principal and income and effects of inflation and deflation; and*

5 *(i) The anticipated tax consequences of an adjustment.*

6 **3. A trustee may not make an adjustment:**

7 *(a) That diminishes the income interest in a trust that requires all of*
8 *the income to be paid at least annually to a surviving spouse and for*
9 *which an estate tax or gift tax marital deduction would be allowed, in*
10 *whole or in part, if the trustee did not have the power to make the*
11 *adjustment;*

12 *(b) That reduces the actuarial value of the income interest in a trust to*
13 *which a person transfers property with the intent to qualify for a gift tax*
14 *exclusion;*

15 *(c) That changes the amount payable to a beneficiary as a fixed*
16 *annuity or a fixed fraction of the value of the trust assets;*

17 *(d) From any amount that is permanently set aside for charitable*
18 *purposes under a will or the terms of a trust unless both income and*
19 *principal are so set aside;*

20 *(e) If possessing or exercising the power to make an adjustment causes*
21 *an individual to be treated as the owner of all or part of the trust for*
22 *income tax purposes, and the individual would not be treated as the*
23 *owner if the trustee did not possess the power to make an adjustment;*

24 *(f) If possessing or exercising the power to make an adjustment causes*
25 *all or part of the trust assets to be included for estate tax purposes in the*
26 *estate of an individual who has the power to remove a trustee or appoint a*
27 *trustee, or both, and the assets would not be included in the estate of the*
28 *individual if the trustee did not possess the power to make an adjustment;*

29 *(g) If the trustee is a beneficiary of the trust; or*

30 *(h) If the trustee is not a beneficiary, but the adjustment would benefit*
31 *him directly or indirectly.*

32 **4. If paragraph (e), (f), (g) or (h) of subsection 3 applies to a trustee**
33 **and there is more than one trustee, a cotrustee to whom the provision**
34 **does not apply may make the adjustment unless the exercise of the power**
35 **by the remaining trustee or trustees is not permitted by the terms of the**
36 **trust.**

37 **5. A trustee may release the entire power conferred by subsection 1 or**
38 **may release only the power to adjust from income to principal or the**
39 **power to adjust from principal to income if he is uncertain about whether**
40 **possessing or exercising the power will cause a result described in**
41 **paragraphs (a) to (f), inclusive, or (h) of subsection 3 or if he determines**
42 **that possessing or exercising the power will or may deprive the trust of a**
43 **tax benefit or impose a tax burden not described in subsection 3. The**

1 *release may be permanent or for a specified period, including a period*
2 *measured by the life of an individual.*

3 *6. Terms of a trust that limit the power of a trustee to make an*
4 *adjustment between principal and income do not affect the application of*
5 *this section unless it is clear from the terms of the trust that the terms are*
6 *intended to deny the trustee the power of adjustment conferred by*
7 *subsection 1.*

8 *Sec. 19. After a decedent dies, in the case of an estate, or after an*
9 *income interest in a trust ends, the following rules apply:*

10 *1. A fiduciary of an estate or of a terminating income interest shall*
11 *determine the amount of net income and net principal receipts received*
12 *from property specifically given to a beneficiary under the rules in*
13 *sections 21 to 44, inclusive, of this act which apply to trustees and the*
14 *rules in subsection 5. He shall distribute the net income and net principal*
15 *receipts to the beneficiary who is to receive the specific property.*

16 *2. A fiduciary shall determine the remaining net income of a*
17 *decedent's estate or a terminating income interest under the rules in*
18 *sections 21 to 44, inclusive, of this act which apply to trustees and by:*

19 *(a) Including in net income all income from property used to*
20 *discharge liabilities;*

21 *(b) Paying from income or principal, in his discretion, fees of*
22 *attorneys, accountants, and fiduciaries, court costs and other expenses of*
23 *administration, and interest on death taxes, but he may pay those*
24 *expenses from income of property passing to a trust for which he claims*
25 *an estate tax marital or charitable deduction only to the extent that the*
26 *payment of those expenses from income will not cause the reduction or*
27 *loss of the deduction; and*

28 *(c) Paying from principal all other disbursements made or incurred in*
29 *connection with the settlement of a decedent's estate or the winding up of*
30 *a terminating income interest, including debts, funeral expenses,*
31 *disposition of remains, family allowances, and death taxes and related*
32 *penalties that are apportioned to the estate or terminating income interest*
33 *by the will, the terms of the trust, or applicable law.*

34 *3. A fiduciary shall distribute to a beneficiary who receives a*
35 *pecuniary amount outright the interest or any other amount provided by*
36 *the will, the terms of the trust, or applicable law from net income*
37 *determined under subsection 2 or from principal to the extent that net*
38 *income is insufficient. If a beneficiary is to receive a pecuniary amount*
39 *outright from a trust after an income interest ends and no interest or*
40 *other amount is provided for by the terms of the trust or applicable law,*
41 *the fiduciary shall distribute the interest or other amount to which the*
42 *beneficiary would be entitled under applicable law if the pecuniary*
43 *amount were required to be paid under a will.*

1 **4. A fiduciary shall distribute the net income remaining after**
2 **distributions required by subsection 3 in the manner described in section**
3 **20 of this act to all other beneficiaries, including a beneficiary who**
4 **receives a pecuniary amount in trust, even if he holds an unqualified**
5 **power to withdraw assets from the trust or other presently exercisable**
6 **general power of appointment over the trust.**

7 **5. A fiduciary may not reduce principal or income receipts from**
8 **property described in subsection 1 because of a payment described in**
9 **section 39 or 40 of this act to the extent that the will, the terms of the**
10 **trust, or applicable law requires him to make the payment from assets**
11 **other than the property or to the extent he recovers or expects to recover**
12 **the payment from a third party. The net income and principal receipts**
13 **from the property are determined by including all of the amounts the**
14 **fiduciary receives or pays with respect to the property, whether those**
15 **amounts accrued or became due before, on, or after the date of a**
16 **decedent's death or an income interest's terminating event, and by**
17 **making a reasonable provision for amounts that he believes the estate or**
18 **terminating income interest may become obligated to pay after the**
19 **property is distributed.**

20 **Sec. 20. 1. Each beneficiary described in subsection 4 of section 19**
21 **of this act is entitled to receive a portion of the net income equal to his**
22 **fractional interest in undistributed principal assets, using values as of the**
23 **date of distribution. If a fiduciary makes more than one distribution of**
24 **assets to beneficiaries to whom this section applies, each beneficiary,**
25 **including one who does not receive part of the distribution, is entitled, as**
26 **of each date of distribution, to the net income the fiduciary has received**
27 **after the date of death or terminating event or earlier date of distribution**
28 **but has not distributed as of the current date of distribution.**

29 **2. In determining a beneficiary's share of net income, the following**
30 **rules apply:**

31 **(a) He is entitled to receive a portion of the net income equal to his**
32 **fractional interest in the undistributed principal assets immediately before**
33 **the date of distribution, including assets that later may be sold to meet**
34 **principal obligations.**

35 **(b) His fractional interest in the undistributed principal assets must be**
36 **calculated without regard to property specifically given to a beneficiary**
37 **and property required to pay pecuniary amounts not in trust.**

38 **(c) His fractional interest in the undistributed principal assets must be**
39 **calculated on the basis of the aggregate value of those assets as of the**
40 **date of distribution without reducing the value by any unpaid principal**
41 **obligation.**

1 (d) *The date of distribution for purposes of this section may be the date*
2 *as of which the fiduciary calculates the value of the assets if that date is*
3 *reasonably near the date on which assets are actually distributed.*

4 3. *If a fiduciary does not distribute all of the collected but*
5 *undistributed net income to each person as of a date of distribution, he*
6 *shall maintain appropriate records showing the interest of each*
7 *beneficiary in that net income.*

8 4. *A trustee may apply the rules in this section, to the extent that he*
9 *considers it appropriate, to net gain or loss realized after the date of death*
10 *or terminating event or earlier date of distribution from the disposition of*
11 *a principal asset if this section applies to the income from the asset.*

12 Sec. 21. 1. *An income beneficiary is entitled to net income from the*
13 *date on which the income interest begins. An income interest begins on*
14 *the date specified in the terms of the trust or, if no date is specified, on the*
15 *date an asset becomes subject to a trust or successive income interest.*

16 2. *An asset becomes subject to a trust:*

17 (a) *On the date it is transferred to the trust in the case of an asset that*
18 *is transferred to a trust during the transferor's life;*

19 (b) *On the date of a testator's death in the case of an asset that*
20 *becomes subject to a trust by reason of a will, even if there is an*
21 *intervening period of administration of the testator's estate; or*

22 (c) *On the date of an individual's death in the case of an asset that is*
23 *transferred to a fiduciary by a third party because of the individual's*
24 *death.*

25 3. *An asset becomes subject to a successive income interest on the day*
26 *after the preceding income interest ends, as determined under subsection*
27 *4, even if there is an intervening period of administration to wind up the*
28 *preceding income interest.*

29 4. *An income interest ends on the day before an income beneficiary*
30 *dies or another terminating event occurs, or on the last day of a period*
31 *during which there is no beneficiary to whom a trustee may distribute*
32 *income.*

33 Sec. 22. 1. *A trustee shall allocate an income receipt or*
34 *disbursement other than one to which subsection 1 of section 19 of this*
35 *act applies to principal if its due date occurs before a decedent dies in the*
36 *case of an estate or before an income interest begins in the case of a trust*
37 *or successive income interest.*

38 2. *A trustee shall allocate an income receipt or disbursement to*
39 *income if its due date occurs on or after the date on which a decedent dies*
40 *or an income interest begins and it is a periodic due date. An income*
41 *receipt or disbursement must be treated as accruing from day to day if its*
42 *due date is not periodic or it has no due date. The portion of the receipt or*
43 *disbursement accruing before the date on which a decedent dies or an*

1 *income interest begins must be allocated to principal and the balance*
2 *must be allocated to income.*

3 *3. An item of income or an obligation is due on the date the payor is*
4 *required to make a payment. If a date for payment is not stated, there is*
5 *no due date for the purposes of sections 15 to 44, inclusive, of this act.*
6 *Distributions to shareholders or other owners from an entity to which*
7 *section 24 of this act applies are deemed to be due on the date fixed by the*
8 *entity for determining who is entitled to receive the distribution or, if no*
9 *date is fixed, on the date of declaration of the distribution. A due date is*
10 *periodic for receipts or disbursements that must be paid at regular*
11 *intervals under a lease or an obligation to pay interest or if an entity*
12 *customarily makes distributions at regular intervals.*

13 *Sec. 23. 1. As used in this section, “undistributed income” means*
14 *net income received before the date on which an income interest ends.*
15 *The term does not include an item of income or expense that is due or*
16 *accrued or net income that has been added or is required to be added to*
17 *principal under the terms of the trust.*

18 *2. When a mandatory income interest ends, the trustee shall pay to a*
19 *mandatory income beneficiary who survives that date, or the estate of a*
20 *deceased mandatory income beneficiary whose death causes the interest*
21 *to end, his share of the undistributed income that is not disposed of under*
22 *the terms of the trust unless he has an unqualified power to revoke more*
23 *than 5 percent of the trust immediately before the income interest ends. In*
24 *the latter case, the undistributed income from the portion of the trust that*
25 *may be revoked must be added to principal.*

26 *3. When a trustee’s obligation to pay a fixed annuity or a fixed*
27 *fraction of the value of the trust’s assets ends, he shall prorate the final*
28 *payment if and to the extent required by applicable law to accomplish a*
29 *purpose of the trust or its settlor relating to income, gift, estate, or other*
30 *tax requirements.*

31 *Sec. 24. 1. As used in this section, “entity” means a corporation,*
32 *partnership, limited liability company, regulated investment company,*
33 *real estate investment trust, common trust fund, or any other organization*
34 *in which a trustee has an interest other than a trust or estate to which*
35 *section 25 of this act applies, a business or activity to which section 26 of*
36 *this act applies or an asset-backed security to which section 38 of this act*
37 *applies.*

38 *2. Except as otherwise provided in this section, a trustee shall allocate*
39 *to income money received from an entity.*

40 *3. A trustee shall allocate the following receipts from an entity to*
41 *principal:*

42 *(a) Property other than money;*

1 **(b) Money received in one distribution or a series of related**
2 **distributions in exchange for part or all of a trust's interest in the entity;**

3 **(c) Money received in total or partial liquidation of the entity; and**

17 **must pay on taxable income of the entity that distributes the money.**

18 **6. A trustee may rely upon a statement made by an entity about the**
19 **source of character of a distribution if the statement is made at or near**

36 **property pursuant to this section, he shall allocate to income an amount**
37 **received as rent of real or personal property, including an amount**

43 **with respect to that amount.**

1 **Sec. 29. 1. An amount received as interest, whether determined at a**
2 **fixed, variable, or floating rate, on an obligation to pay money to the**

28 **3. This section does not apply to a contract to which section 32 of this**

31 **and income required by section 32, 33, 34, 35, or 38 of this act is**
32 **insubstantial, the trustee may allocate the entire amount to principal**
33 **unless one of the circumstances described in subsection 3 of section 18 of**
34 **this act applies to the allocation. This power may be exercised by a**
35 **cotrustee in the circumstances described in subsection 4 of section 18 of**
36 **this act and may be released for the reasons and in the manner described**
37 **in subsection 5 of section 18 of this act. An allocation is presumed to be**

15 **the payment and any other payment received in the same accounting**
16 **period that is not characterized as interest, a dividend, or an equivalent**
17 **payment.**

18 **3. If no part of a payment is characterized as interest, a dividend, or**
19 **an equivalent payment, and all or part of the payment is required to be**
20 **made, a trustee shall allocate to income 10 percent of the part that is**

7 **lease, a receipt must be allocated to income.**

8 **(b) If received from a production payment, a receipt must be allocated**
9 **to income if and to the extent that the agreement creating the production**
10 **payment provides a factor for interest or its equivalent. The balance must**
11 **be allocated to principal.**

12 **(c) If an amount received as a royalty, shut-in-well payment, take-or-**
13 **pay payment, bonus, or delay rental is more than nominal, 90 percent**

26 *with the beneficial enjoyment required to obtain the marital deduction,*
27 *the spouse may require the trustee to make property productive of income,*
28 *convert property within a reasonable time, or exercise the power*
29 *conferred by subsection 1 of section 18 of this act. The trustee may decide*
30 *which action or combination of actions to take.*

32 **3. A tax required to be paid by a trustee on the trust's share of an**
33 **entity's taxable income must be paid proportionately:**

34 **(a) From income to the extent that receipts from the entity are**
