5 responsible parties known to him and to all owners and residents of
6 property within 500 yards of the outer boundary of the property on which

9 (d) Hold a public hearing in the county where the property is located.

10 5. If the administrator disapproves a proposed remedial agreement,
11 he shall deliver to the participant, within 30 days after the disapproval, a
12 written explanation of the reasons for the disapproval.

13 **Sec. 14.** 1. After a participant has completed the action specified in
14 his remedial agreement for the removal or remediation of hazardous
15 substances, the participant shall certify to the administrator that the
16 action has been completed according to the agreement. After the
17 administrator has verified the certification, he shall issue the participant
18 a certificate of completion.

19 2. A certificate of completion must:

20 (a) Contain the name of the participant and of any other person
21 relieved from liability by the certificate and the legal description of the
22 property to which it relates;

23 (b) Summarize the nature of the removal or remediation performed on
24 the property, and the nature of the relief provided by sections 2 to 23,
25 inclusive, of this act; and

26 (c) Be recorded by the administrator in the office of the county
27 recorder of the county where the real property is located, and indexed to
28 show its relation to that real property.

29 3. If the administrator does not issue a certificate of completion after
30 receiving the participant's certification that the work has been completed,
31 he shall deliver to the participant, within 30 days after his receipt of the
32 certificate, a written explanation of the reasons why the certificate was
33 not issued.

34 **Sec. 15.** 1. Except as otherwise provided in section 16 of this act,
35 the holder of a certificate of completion issued by the administrator is not
36 a responsible party with respect to a release of a hazardous substance
37 occurring on the property to which the certificate relates before the
38 certificate was issued. The state may not maintain an action pursuant to
39 federal law or NRS 459.537 to recover costs from the holder with respect
40 to such a release.

41 2. The relief from liability provided by a certificate of completion
42 remains effective despite a subsequent change in state or federal law.

1 **Sec. 16.** *The holder of a certificate of completion is not released*
2 *from liability:*

3 1. *If he obtained approval of his application, approval of his*
4 *remedial agreement or issuance of the certificate by means of fraud,*
5 *misrepresentation or a knowing failure to disclose material information;*

6 2. *If the existence of the hazardous substance on the property was*
7 *not disclosed in his remedial agreement, whether or not he knew or*
8 *should have known of its existence;*

9 3. *With respect to a release of a hazardous substance caused by him*
10 *or his agent, unless the release is remedied before the certificate of*
11 *completion is issued and is included in the certificate of completion;*

12 4. *In a criminal prosecution or an action for damage to a natural*
13 *resource;*

14 5. *In an action for nuisance at common law, for trespass or for the*
15 *conduct of an abnormally dangerous activity; or*

16 6. *With respect to a use of the property for which the property is no*
17 *longer suitable after the removal or remediation has been carried out, as*
18 *identified pursuant to subparagraph (2) of paragraph (a) of subsection 2*
19 *of section 13 of this act.*

20 **Sec. 17.** 1. *The relief from liability provided by section 15 of this*
21 *act extends to another person who:*

22 (a) *Purchases or leases the property to which the certificate of*
23 *completion relates; or*

24 (b) *Acquires, merges with or purchases substantially all of the assets*
25 *of the holder of the certificate,*
26 *after the certificate is issued, if the other person is not otherwise a*
27 *responsible party. The other person is subject to any duties of the original*
28 *holder of the certificate under the remedial agreement or the certificate.*

29 2. *The relief provided to a subsequent owner or lessee continues even*
30 *if it is determined that the original holder of the certificate is not released*
31 *from liability because of a provision of section 16 of this act if:*

32 (a) *The subsequent owner or lessee purchased or leased the property*
33 *in good faith for its fair market value; and*

34 (b) *The actions of the original holder of the certificate cannot be*
35 *attributed to the subsequent owner or lessee under a provision of law*
36 *other than this chapter.*

37 3. *If the original holder of a certificate of completion is a prospective*
38 *purchaser, the relief from liability provided by section 15 of this act*
39 *extends to the person from whom he purchases the property if:*

40 (a) *The seller and purchaser so agree;*

41 (b) *The seller bears the expense of removal or remediation performed*
42 *on the property, directly or indirectly;*

1 (c) The seller is a responsible party only because of his ownership of
2 the property; and

3 (d) The administrator approves the extension of relief and
4 incorporates it into the certificate of completion.

5 **Sec. 18. 1.** A person who, without participating in the management
6 of a parcel of real property, holds or is the beneficiary of evidence of title
7 to the property primarily to protect a security interest in the property is
8 not a responsible party with respect to a release of a hazardous substance
9 on the property if:

10 (a) The owner of the property is relieved from liability under sections
11 2 to 23, inclusive, of this act with respect to the release;

12 (b) The owner or holder of evidence of title did not cause the release;
13 and

14 (c) The owner or holder of evidence of title does not participate
15 actively in decisions concerning hazardous substances on the property.

16 2. A lender to a prospective purchaser to enable him to participate in
17 a program is not a responsible party solely as the result of making the
18 loan.

19 **Sec. 19.** A prospective purchaser is not a responsible party solely as
20 the result of:

21 1. Conducting an environmental assessment of real property;

22 2. Contracting to purchase, or acquiring an option to purchase, real
23 property;

24 3. Applying to participate in a program; or

25 4. Conducting or supervising removal or remediation of a hazardous
26 substance or substances, while exercising reasonable care, pursuant to
27 an approved remedial agreement.

28 **Sec. 20. 1.** The holder of a certificate of completion may maintain
29 an action against a responsible party to recover the holder's costs of
30 performing removal or remediation of a hazardous substance or
31 substances pursuant to a program.

32 2. If the holder is a prospective purchaser and his seller qualifies for
33 relief from liability pursuant to section 17 of this act, the seller may
34 maintain an action against a responsible party to recover the seller's
35 costs of performing removal or remediation of a hazardous substance or
36 substances pursuant to a program.

37 **Sec. 21. 1.** A participant may terminate his participation in a
38 program upon 30 days' written notice to the administrator.

39 2. The administrator may terminate the participation of a participant
40 in a program only if:

41 (a) The participant, after a reasonable period, has not proposed and is
42 unlikely to be able to propose a remedial agreement that meets the
43 requirements of section 13 of this act;

1 (b) The participant fails materially to comply with the requirements of
2 the remedial agreement or sections 2 to 23, inclusive, of this act; or

3 (c) From information not known to the administrator when the
4 remedial agreement was approved, he determines that the removal or
5 remediation in progress or to be performed on the property poses an
6 imminent and substantial threat of harm to human health or the
7 environment.

8 3. An application, remedial agreement or certificate of completion is
9 not an admission of liability on the part of the applicant or participant,
10 but a termination of participation does not otherwise affect the rights of
11 the division.

12 Sec. 22. 1. A decision of the administrator to approve an
13 application or a remedial agreement or to issue a certificate of
14 completion is final and may not be reviewed.

15 2. If the administrator denies an application for any reason other
16 than incompleteness, disapproves a proposed remedial agreement, does
17 not issue a certificate of completion within the time allowed or terminates
18 the participation of a participant in a program, the applicant or
19 participant may apply to the commission to review the decision pursuant
20 to chapter 233B of NRS.

21 Sec. 22.5. The commission shall adopt such regulations as the
22 commission determines are necessary to carry out the provisions of
23 sections 2 to 23, inclusive, of this act. Regulations adopted pursuant to
24 this section:

25 1. Must include, without limitation, provisions relating to the:

26 (a) Duties and functions of consultants who are certified, or exempt
27 from the requirement of certification, as provided by NRS 459.500;

28 (b) Financial capability and responsibility required of a participant;
29 and

30 (c) Required form and content of and any fee required to be submitted
31 with an application, certificate or remedial agreement.

32 2. May include, without limitation, provisions relating to the
33 issuance of a temporary, interim or partial certificate of completion or
34 progress with respect to a remedial agreement.

35 Sec. 23. The administrator shall make a good faith effort to
36 negotiate with the Environmental Protection Agency to ensure that a
37 certificate of completion issued pursuant to sections 2 to 23, inclusive, of
38 this act will relieve a participant from liability to the United States to the
39 same extent as those sections provide relief from liability to this state.

40 Sec. 23.5. NRS 459.530 is hereby amended to read as follows:

41 459.530 1. All proceeds from agreements entered into pursuant to
42 NRS 459.505, **all application fees collected pursuant to section 12 of this**
43 **act**, all reimbursements and penalties recovered pursuant to NRS 459.537,

1 and all fees collected, all civil penalties imposed and all interest accrued
2 pursuant to NRS 459.400 to 459.600, inclusive, must be deposited with the
3 state treasurer for credit to the account for the management of hazardous
4 waste, which is hereby created in the state general fund. The money in the
5 account must be paid as other claims against the state are paid.

6 2. The state treasurer shall account separately for each of the fees
7 collected pursuant to NRS 459.512.

8 **Sec. 24.** NRS 459.537 is hereby amended to read as follows:

9 459.537 1. If the person responsible for a leak or spill of or an
10 accident involving hazardous waste, hazardous material or a regulated
11 substance does not act promptly and appropriately to clean and
12 decontaminate the affected area properly, and if his inaction presents an
13 imminent and substantial hazard to human health, public safety or the
14 environment, money from the account for the management of hazardous
15 waste may be expended to pay the costs of:

16 (a) Responding to the leak, spill or accident;

17 (b) Coordinating the efforts of state, local and federal agencies
18 responding to the leak, spill or accident;

19 (c) Managing the cleaning and decontamination of an area for the
20 disposal of hazardous waste or the site of the leak, spill or accident;

21 (d) Removing or contracting for the removal of hazardous waste,
22 hazardous material or a regulated substance which presents an imminent
23 danger to human health, public safety or the environment; or

24 (e) Services rendered in responding to the leak, spill or accident, by
25 consultants certified pursuant to regulations adopted by the commission.

26 2. Except as otherwise provided in this subsection ~~§~~ **or sections 2 to**
27 **23, inclusive, of this act**, the director shall demand reimbursement of the
28 account for money expended pursuant to subsection 1 from any person who
29 is responsible for the accident, leak or spill, or who owns or controls the
30 hazardous waste, hazardous material or a regulated substance, or the area
31 used for the disposal of the waste, material or substance. Payment of the
32 reimbursement is due within 60 days after the person receives notice from
33 the director of the amount due. The provisions of this section do not apply
34 to a spill or leak of or an accident involving natural gas or liquefied
35 petroleum gas while it is under the responsibility of a public utility.

36 3. At the request of the director, the attorney general shall initiate
37 recovery by legal action of the amount of any unpaid reimbursement plus
38 interest at a rate determined pursuant to NRS 17.130 computed from the
39 date of the incident.

40 4. As used in this section:

41 (a) "Does not act promptly and appropriately" means that the person:

42 (1) Cannot be notified of the incident within 2 hours after the initial
43 attempt to contact him;

1 (2) Does not, within 2 hours after receiving notification of the
2 incident, make an oral or written commitment to clean and decontaminate
3 the affected area properly;

4 (3) Does not act upon the commitment within 24 hours after making
5 it;

6 (4) Does not clean and decontaminate the affected area properly; or

7 (5) Does not act immediately to clean and decontaminate the affected
8 area properly, if his inaction presents an imminent and substantial hazard to
9 human health, public safety or the environment.

10 (b) "Responding" means any efforts to mitigate, attempt to mitigate or
11 assist in the mitigation of the effects of a leak or spill of or an accident
12 involving hazardous waste, hazardous material or a regulated substance,
13 including, without limitation, efforts to:

14 (1) Contain and dispose of the hazardous waste, hazardous material or
15 regulated substance.

16 (2) Clean and decontaminate the area affected by the leak, spill or
17 accident.

18 (3) Investigate the occurrence of the leak, spill or accident.

19 **Sec. 25.** 1. This section and sections 1, 22.5 and 23 of this act
20 become effective upon passage and approval.

21 2. Sections 2 to 22, inclusive, 23.5 and 24 of this act become effective
22 on October 1, 1999.
