2 **dissolution of the local government require that the question of**
3 **disincorporating or dissolving be published or submitted to a vote of the**
4 **electors of the local government, the publication required by subsection 3**
5 **and the election required by subsection 4 satisfy those requirements. If:**

6 **(a) There is any other conflict between the provisions of this section**
7 **and any provisions providing generally for the disincorporation or**
8 **dissolution of a local government; or**

9 **(b) The provisions providing generally for the disincorporation or**

14 **pursuant to this section and any person wishing to protest such a**

19 **which prepares a budget separate from that of the parent political**
20 **subdivision.**

21 **Sec. 3. The management of the department ceases at the time of the**

24 **Sec. 4. NRS 354.59811 is hereby amended to read as follows:**

25 354.59811 Except as otherwise provided in NRS 350.087, 354.59813,
26 354.59815, 354.5982, 354.5987, 354.59871, 354.705, 450.425, 540A.265
27 and 543.600 , ~~{and}~~ section 1 of ~~{this act,}~~ **Assembly Bill No. 275 of this**
28 **session and section 2 of this act,** for each fiscal year beginning on or after
29 July 1, 1989, the maximum amount of money that a local government,
30 except a school district, a district to provide a telephone number for
31 emergencies, or a redevelopment agency, may receive from taxes ad
32 valorem, other than those attributable to the net proceeds of minerals or
33 those levied for the payment of bonded indebtedness and interest thereon
34 incurred as a general or medium-term obligation of the issuer, or for the
35 payment of obligations issued to pay the cost of a water project pursuant to
36 NRS 349.950, or for the payment of obligations under a capital lease
37 executed before April 30, 1981, must be calculated as follows:

38 1. The rate must be set so that when applied to the current fiscal year's
39 assessed valuation of all property which was on the preceding fiscal year's
40 assessment roll, together with the assessed valuation of property on the
41 central assessment roll which was allocated to the local government, but
42 excluding any assessed valuation attributable to the net proceeds of
43 minerals, assessed valuation attributable to a redevelopment area and

1 assessed valuation of a fire protection district attributable to real property
2 which is transferred from private ownership to public ownership for the
3 purpose of conservation, it will produce 106 percent of the maximum
4 revenue allowable from taxes ad valorem for the preceding fiscal year,
5 except that the rate so determined must not be less than the rate allowed for
6 the previous fiscal year, except for any decrease attributable to the
7 imposition of a tax pursuant to NRS 354.59813 in the previous year.

8 2. This rate must then be applied to the total assessed valuation,
9 excluding the assessed valuation attributable to the net proceeds of minerals
10 and the assessed valuation of a fire protection district attributable to real
11 property which is transferred from private ownership to public ownership
12 for the purpose of conservation but including new real property, possessory
13 interests and mobile homes, for the current fiscal year to determine the
14 allowed revenue from taxes ad valorem for the local government.
