7 2. *If the action is a small claim subject to chapter 73 of NRS, may*  
8 *bring an action in a court of competent jurisdiction,*  
9 *on behalf of this state and the agency to collect the debt, plus any*  
10 *applicable penalties and interest. The action must be brought not later*  
11 *than 4 years after the date on which the debt became due or within 5*  
12 *years after the date on which a certificate of liability was last recorded*  
13 *pursuant to section 19 of this act, as appropriate.*

14 **Sec. 16.** 1. *In addition to any other remedy provided for in this*  
15 *chapter, if a person who owes a debt to an agency:*

16 (a) *Fails to pay the debt when it is due, or fails to pay an agreed upon*  
17 *amount in satisfaction of the debt; or*

18 (b) *Defaults on a written or other agreement with an agency relating*  
19 *to the payment of the debt,*  
20 *the agency may, within 4 years after the date on which the debt became*  
21 *due or the date on which the debtor defaulted, as appropriate, file with*  
22 *the office of the clerk of a court of competent jurisdiction an application*  
23 *for the entry of summary judgment against the debtor for the amount*  
24 *due.*

25 2. *An agency that intends to file an application for the entry of*  
26 *summary judgment pursuant to this section shall, not less than 15 days*  
27 *before the date on which the agency intends to file the application, notify*  
28 *the debtor of its intention to file the application. The notification must be*  
29 *sent by certified mail to the last known address of the debtor and must*  
30 *include the name of the agency, the amount sought to be recovered and*  
31 *the date on which the application will be filed with the court.*

32 3. *An application for the entry of summary judgment must:*

33 (a) *Be accompanied by a certificate that specifies:*

34 (1) *The amount of the debt, including any interest and penalties*  
35 *due;*

36 (2) *The name and address of the debtor, as the name and address of*  
37 *the debtor appear on the records of the agency;*

38 (3) *The basis for the determination by the agency of the amount*  
39 *due; and*

40 (4) *That the agency has complied with the applicable provisions of*  
41 *law relating to the determination of the amount required to be paid; and*

42 (b) *Include:*

1     (1) A request that judgment be entered against the debtor for the  
2 amount specified in the certificate; and

3     (2) Evidence that the debtor was notified of the application for the  
4 entry of summary judgment in accordance with subsection 2.

5     **Sec. 17.** The court clerk, upon the filing of an application for the  
6 entry of summary judgment which complies with the requirements set  
7 forth in section 16 of this act, shall forthwith enter a judgment for the  
8 agency against the debtor in the amount of the debt, plus any penalties  
9 and interest, as set forth in the certificate. The agency shall serve a copy  
10 of the judgment, together with a copy of the application and the  
11 certificate, upon the debtor against whom the judgment is entered, either  
12 by personal service or by mailing a copy to the last known address of the  
13 debtor as it appears in the records of the agency.

14     **Sec. 18.** 1. An abstract of the judgment entered pursuant to section  
15 17 of this act, or a copy thereof, may be recorded in the office of the  
16 county recorder of any county.

17     2. From the time of its recordation, the judgment becomes a lien  
18 upon all real and personal property situated in the county that is owned  
19 by the judgment debtor, or which the debtor may afterward acquire, until  
20 the lien expires. The lien has the force, effect and priority of a judgment  
21 lien and continues for 5 years after the date of the judgment so entered  
22 by the court clerk unless sooner released or otherwise discharged.

23     3. Within 5 years after the date of the recording of the judgment or  
24 within 5 years after the date of the last extension of the lien pursuant to  
25 this subsection, the lien may be extended by recording an affidavit of  
26 renewal in the office of the county recorder. From the date of recording,  
27 the lien is extended for 5 years to all real and personal property situated  
28 in the county that is owned by the judgment debtor or acquired by the  
29 judgment debtor afterwards, unless the lien is sooner released or  
30 otherwise discharged.

31     **Sec. 19.** 1. In addition to any other remedy provided for in this  
32 chapter, an agency may, within 4 years after the date that a debt becomes  
33 due, record a certificate of liability in the office of a county recorder  
34 which states:

35     (a) The amount of the debt, together with any interest or penalties due  
36 thereon;

37     (b) The name and address of the debtor as the name and address of  
38 the debtor appear on the records of the agency;

39     (c) That the agency has complied with all procedures required by law  
40 for determining the amount of the debt; and

41     (d) That the agency has notified the debtor in accordance with  
42 subsection 2.

1     2. An agency that intends to file a certificate of liability pursuant to  
2 this section shall, not less than 15 days before the date on which the  
3 agency intends to file the certificate, notify the debtor of its intention to  
4 file the certificate. The notification must be sent by certified mail to the  
5 last known address of the debtor and must include the name of the  
6 agency, the amount sought to be recovered and the date on which the  
7 certificate will be filed with the county recorder.

8     3. From the time of the recording of the certificate, the amount of  
9 the debt, including interest which accrues on the debt after the recording  
10 of the certificate, constitutes a lien upon all real and personal property  
11 situated in the county in which the certificate was recorded that is owned  
12 by the debtor or acquired by the debtor afterwards and before the lien  
13 expires. The lien has the force, effect and priority of a judgment lien on  
14 all real and personal property situated in the county in which the  
15 certificate was recorded and continues for 5 years after the date of  
16 recording unless sooner released or otherwise discharged.

17     4. Within 5 years after the date of the recording of the certificate or  
18 within 5 years after the date of the last extension of the lien pursuant to  
19 this subsection, the lien may be extended by recording a new certificate  
20 in the office of the county recorder. From the date of recording, the lien  
21 is extended for 5 years to all real and personal property situated in the  
22 county that is owned by the debtor or acquired by the debtor afterwards,  
23 unless the lien is sooner released or otherwise discharged.

24     **Sec. 20.** 1. The state controller may, to the extent that resources  
25 are available, offset any amount due an agency from a debtor against  
26 any amount owing to that debtor by any agency, regardless of whether  
27 the agency which owes the amount is the same agency to which the  
28 debtor owes the debt. Whenever the combined amount owing to a debtor  
29 by all agencies is insufficient to offset all the amounts due the agencies  
30 from the debtor, the state controller shall allocate the amount available  
31 from the debtor among the agencies in such a manner as the state  
32 controller determines is appropriate.

33     2. If a debtor who owes a debt to an agency has a claim against that  
34 agency or another agency and refuses or neglects to file his claim with  
35 the agency within a reasonable time, the head of the agency to which the  
36 debtor owes the debt may file the claim on behalf of the debtor. If the  
37 state controller approves the claim, it has the same force and effect as  
38 though filed by the debtor. The amount due the debtor from the agency is  
39 the net amount otherwise owing to the debtor after any offset as provided  
40 in this section.

41     3. The state controller shall adopt such regulations as are necessary  
42 to carry out the provisions of this section, including, without limitation,  
43 the manner in which offsets will be allocated among agencies.

1   **Sec. 21. 1.** *Except as otherwise provided in subsection 2, an*  
2 *agency may enter into a contract with a private debt collector or any*  
3 *other person for the assignment of the collection of a debt if the agency:*

4    *(a) Determines the assignment is likely to generate more net revenue*  
5 *than equivalent efforts by the agency to collect the debt, including*  
6 *collection efforts pursuant to this chapter;*

7    *(b) Determines the assignment will not compromise future collections*  
8 *of state revenue; and*

9    *(c) Notifies the debtor in writing at his address of record that the debt*  
10 *will be turned over for private collection unless the debt is paid.*

11   **2.** *An agency shall not enter into a contract with a private debt*  
12 *collector or any other person for the assignment of the collection of a*  
13 *debt if the debt has been contested by the debtor.*

14   **3.** *Any contract entered into pursuant to this section is subject to*  
15 *approval by the director of the department of administration and the state*  
16 *controller.*

17   **Sec. 22. 1.** *Notwithstanding any specific statute to the contrary, an*  
18 *agency to which a debt is owed may, in addition to any other remedy*  
19 *provided for in this chapter, give notice of the amount of the debt and a*  
20 *demand to transmit to any person, including, without limitation, any*  
21 *officer, agency or political subdivision of this state, who has in his*  
22 *possession or under his control any credits or other personal property*  
23 *belonging to the debtor, or who owes any debts to the debtor that remain*  
24 *unpaid. The notice and demand to transmit must be delivered personally*  
25 *or by certified or registered mail:*

26    *(a) Not later than 4 years after the debt became due; or*

27    *(b) Not later than 5 years after the last recording of an abstract of*  
28 *judgment pursuant to section 18 of this act or a certificate of liability*  
29 *pursuant to section 19 of this act.*

30   **2.** *If such notice is given to an officer or agency of this state, the*  
31 *notice must be delivered before the agency which sent the notice may file*  
32 *a claim with the state controller pursuant to section 20 of this act on*  
33 *behalf of the debtor.*

34   **3.** *An agency that receives a notice and demand to transmit pursuant*  
35 *to this section may satisfy any debt owed to it by the debtor before it*  
36 *honors the notice and demand to transmit. If the agency is holding a*  
37 *bond or other property of the debtor as security for debts owed or that*  
38 *may become due and owing by the debtor, the agency is not required to*  
39 *transmit the amount of the bond or other property unless the agency*  
40 *determines that holding the bond or other property of the debtor as*  
41 *security is no longer required.*

42   **4.** *Except as otherwise provided by specific statute, a person who*  
43 *receives a demand to transmit pursuant to this section shall not*

1 *thereafter transfer or otherwise dispose of the credits or other personal*  
2 *property of, or debts owed to, the person who is the subject of the demand*  
3 *to transmit without the consent of the agency which sent the demand to*  
4 *transmit.*

5 5. *Except as otherwise provided by specific statute, a person who*  
6 *receives from an agency a demand to transmit pursuant to this section*  
7 *shall, within 10 days thereafter, inform the agency of, and transmit to the*  
8 *agency within the time and in the manner requested by the agency, all*  
9 *credits or other personal property in his possession or control that belong*  
10 *to, and all debts that he owes to, the person who is the subject of the*  
11 *demand to transmit. Except as otherwise provided in subsection 6, no*  
12 *further notice is required to be served on such persons.*

13 6. *Except as otherwise provided by specific statute, if the property of*  
14 *the debtor consists of a series of payments owed to him, the person who*  
15 *owes or controls the payments shall transmit the payments to the agency*  
16 *which sent the demand to transmit until otherwise notified by the agency.*  
17 *If the debt of the debtor is not paid within 1 year after the date on which*  
18 *the agency issued the original demand to transmit, the agency shall:*

19 (a) *Issue another demand to transmit to the person responsible for*  
20 *making the payments that informs him to continue transmitting*  
21 *payments to the agency; or*

22 (b) *Notify the person that his duty to transmit the payments to the*  
23 *agency has ceased.*

24 7. *If the notice and demand to transmit is intended to prevent the*  
25 *transfer or other disposition of a deposit in a bank or other depository*  
26 *institution, or of any other credit or personal property in the possession*  
27 *or under the control of the bank or depository institution, the notice must*  
28 *be delivered or mailed to the branch or office of the bank or depository*  
29 *institution at which the deposit is carried or the credit or personal*  
30 *property is held.*

31 8. *If any person to whom an agency delivers a notice and demand to*  
32 *transmit transfers or otherwise disposes of any property or debts required*  
33 *by this chapter to be transmitted to the agency, the person is, to the extent*  
34 *of the value of the property or the amount of the debts so transferred or*  
35 *disposed of, liable to the agency for any portion of the debt that the*  
36 *agency is unable to collect from the debtor solely by reason of the*  
37 *transfer or other disposition of the property or debt.*

38 9. *A debtor who owes a debt to an agency which delivers a notice and*  
39 *demand to transmit concerning the debtor pursuant to this section is*  
40 *entitled to an administrative hearing before that agency to challenge the*  
41 *collection of the debt pursuant to the demand to transmit. Each agency*  
42 *may adopt such regulations as are necessary to provide an administrative*  
43 *hearing for the purposes of this subsection.*

1   **Sec. 23. 1.** *If the state controller and attorney general determine*  
2 *that it is impractical to collect a debt, the state controller shall designate*  
3 *the debt as a bad debt. A debt that has been designated as a bad debt*  
4 *pursuant to this subsection may be removed from the records and books*  
5 *of account of the agency to which the debt is owed or the State of*  
6 *Nevada, as appropriate, except that a bad debt that is so removed*  
7 *remains a legal and binding obligation owed by the debtor to the agency*  
8 *or the State of Nevada, as appropriate.*

9   **2.** *If resources are available, the state controller shall keep a master*  
10 *file of all debts that are designated as bad debts pursuant to this section.*  
11 *If such a file is established and maintained, for each such debt, the state*  
12 *controller shall record the name of the debtor, the amount of the debt,*  
13 *the date on which the debt was incurred and the date on which it was*  
14 *removed from the records and books of account of the agency or the*  
15 *State of Nevada, and any other information concerning the debt that the*  
16 *state controller determines is necessary.*

17   **Sec. 24.** *The remedies of this state provided for in this chapter are*  
18 *intended to supplement existing remedies applicable to the collection of*  
19 *debts. Nothing contained in this chapter shall be construed to limit or*  
20 *repeal additional remedies agreed to by any person or an agency in any*  
21 *written agreement or contract with this state.*

22   **Sec. 25.** NRS 227.150 is hereby amended to read as follows:

23   227.150 1. The state controller shall:

24   (a) Open and keep an account with each county, charging the counties  
25 with the revenue collected, as shown by the auditor's statements, and also  
26 with their proportions of the salaries of the district judges, and crediting  
27 them with the amounts paid to the state treasurer.

28   (b) Keep and state all accounts between the State of Nevada and the  
29 United States, or any state or territory, or any person or public officer of  
30 this state, indebted to the state or entrusted with the collection,  
31 disbursement or management of any money, funds or interests arising  
32 therefrom, belonging to the state, of every character and description, if the  
33 accounts are derivable from or payable into the state treasury.

34   (c) Settle the accounts of all county treasurers, and other collectors and  
35 receivers of all state revenues, taxes, tolls and incomes, levied or collected  
36 by any act of the legislature and payable into the state treasury.

37   (d) Keep fair, clear, distinct and separate accounts of all the revenues  
38 and incomes of the state, and also all the expenditures, disbursements and  
39 investments thereof, showing the particulars of every expenditure,  
40 disbursement and investment.

41   2. The state controller may:

42   (a) Direct the collection of all accounts or money due the state, *except*  
43 *as otherwise provided in sections 2 to 24, inclusive, of this act,* and if there

1 is no time fixed or stipulated by law for the payment of any such accounts  
2 or money, they are payable at the time set by the state controller.

3 (b) ~~Upon approval of the attorney general, direct the cancellation of any~~  
4 ~~accounts or money due the state.~~

5 ~~—(e)~~ Except as otherwise provided in subsection 3, withhold from the  
6 compensation of an employee of the state any amount due the state for the  
7 overpayment of the salary of the employee.

8 3. Before any amounts may be withheld from the compensation of an  
9 employee pursuant to paragraph ~~[(e)]~~ (b) of subsection 2, the state  
10 controller shall:

11 (a) Give written notice to the employee of the state controller's intent to  
12 withhold such amounts from the compensation of the employee; and

13 (b) If requested by the employee within 10 working days after receipt of  
14 the notice, conduct a hearing and allow the employee the opportunity to  
15 contest the state controller's determination to withhold such amounts from  
16 the compensation of the employee.

17 If the overpayment was not obtained by the employee's fraud or willful  
18 misrepresentation, any withholding from the compensation of the employee  
19 must be made in a reasonable manner so as not to create an undue hardship  
20 to the employee.

21 4. The state controller may adopt such regulations as are necessary to  
22 carry out the provisions of this section.

23 **Sec. 26.** NRS 227.230 is hereby amended to read as follows:

28 property of the state, or for the ascertainment of any right or liability  
29 concerning the same.

30 2. Direct and superintend the collection of all ~~[(moneys due to)]~~ *money*
