6 of the plan adopted pursuant to section 4 of this act may have occurred,
7 the school official shall immediately report the incident to the board of

11 (a) If the violation is with respect to an examination administered
12 pursuant to NRS 389.015 or 389.550, immediately report the incident to
13 the department orally or in writing followed by a comprehensive written

21 incident pursuant to section 3 of this act.

22 The fact that a board of trustees elects initially to carry out its own
23 investigation pursuant to subparagraph (1) of paragraph (b) does not
24 affect the ability of the board of trustees to request, at any time, that the
25 department investigate the incident as authorized pursuant to
26 subparagraph (2) of paragraph (b).

27 2. Except as otherwise provided in this subsection, if the board of
28 trustees of a school district proceeds in accordance with subparagraph
29 (1) of paragraph (b) of subsection 1, the board of trustees may issue a
30 subpoena to compel the attendance or testimony of a witness or the
31 production of any relevant materials, including, without limitation,
32 books, papers, documents, records, photographs, recordings, reports and

34 the attendance or testimony of a witness or the production of materials
35 unless the attendance, testimony or production sought to be compelled is
36 related directly to a violation or an alleged violation of the plan adopted
37 pursuant to section 4 of this act.

38 3. If a witness refuses to attend, testify or produce materials as
39 required by the subpoena, the board of trustees may report to the district

41 (a) Due notice has been given of the time and place of attendance or
42 testimony of the witness or the production of materials;

43 (b) The witness has been subpoenaed by the board of trustees
44 pursuant to this section; and

45 (c) The witness has failed or refused to attend, testify or produce
46 materials before the board of trustees as required by the subpoena, or has
47 refused to answer questions propounded to him,
48 and asking for an order of the court compelling the witness to attend,
49 testify or produce materials before the board of trustees.

* A B 2 1 4 R 2 *

1 4. Upon receipt of such a petition, the court shall enter an order
2 directing the witness to appear before the court at a time and place to be
3 fixed by the court in its order, the time to be not more than 10 days after
4 the date of the order, and then and there show cause why he has not
5 attended, testified or produced materials before the board of trustees. A
6 certified copy of the order must be served upon the witness.

7 5. If it appears to the court that the subpoena was regularly issued by
8 the board of trustees, the court shall enter an order that the witness
9 appear before the board of trustees at a time and place fixed in the order
10 and testify or produce materials, and that upon failure to obey the order
11 the witness must be dealt with as for contempt of court.

12 **Sec. 5.1.** 1. Except as otherwise provided in subsection 8, if the
13 department determines:

14 (a) That at least one irregularity in testing administration occurred at

16 year on the examinations administered pursuant to NRS 389.015,
17 excluding the high school proficiency examination;

18 (b) That in the immediately succeeding school year, at least one
19 additional irregularity in testing administration occurred at that school
20 on the examinations administered pursuant to NRS 389.015, excluding
21 the high school proficiency examination; and

22 (c) Based upon the criteria set forth in subsection 5, that the
23 irregularities described in paragraphs (a) and (b) warrant an additional
24 administration of the examinations,
25 the department shall notify the school and the school district in which the
26 school is located that the school is required to provide for an additional
27 administration of the examinations to pupils who are enrolled in a grade
28 that is required to take the examinations pursuant to NRS 389.015,
29 excluding the high school proficiency examination, or to the pupils the
30 department determines must take the additional administration pursuant
31 to subsection 6. The additional administration must occur in the same
32 school year in which the irregularity described in paragraph (b)
33 occurred. The school district shall pay for all costs related to the
34 administration of examinations pursuant to this subsection.

35 2. If the department determines that:

36 (a) At least one irregularity in testing administration occurred at a
37 school, including, without limitation, a charter school, during 1 school
38 year on the examinations administered pursuant to NRS 389.550;

39 (b) In the immediately succeeding school year, at least one additional
40 irregularity in testing administration occurred at that school on the
41 examinations administered pursuant to NRS 389.550; and

42 (c) Based upon the criteria set forth in subsection 5, that the
43 irregularities described in paragraphs (a) and (b) warrant an additional
44 administration of the examinations,
45 the department shall notify the school and the school district in which the
46 school is located that the school is required to provide for an additional
47 administration of the examinations to pupils who are enrolled in a grade
48 that is required to take the examinations pursuant to NRS 389.550 or to
49 the pupils the department determines must take the additional

1 administration pursuant to subsection 6. The additional administration
2 must occur in the same school year in which the irregularity described in
3 paragraph (b) occurred. The school district shall pay for all costs related
4 to the administration of examinations pursuant to this subsection.
5 3. If the department determines that:
6 (a) At least one irregularity in testing administration occurred at a
7 school, including, without limitation, a charter school, during 1 school
8 year on the examinations administered pursuant to NRS 389.015,
9 excluding the high school proficiency examination;
10 (b) In the immediately succeeding school year, at least one additional
11 irregularity in testing administration occurred at that school on the
12 examinations administered pursuant to NRS 389.550; and
13 (c) Based upon the criteria set forth in subsection 5, that the
14 irregularities described in paragraphs (a) and (b) warrant an additional
15 administration of the examinations,
16 the department shall notify the school and the school district in which the
17 school is located that the school is required to provide for an additional
18 administration of the examinations to pupils who are enrolled in a grade
19 that is required to take the examinations pursuant to NRS 389.550 or to
20 the pupils the department determines must take the additional
21 administration pursuant to subsection 6. The additional administration
22 must occur in the same school year in which the irregularity described in
23 paragraph (b) occurred. The school district shall pay for all costs related
24 to the administration of examinations pursuant to this subsection.
25 4. Except as otherwise provided in subsection 8, if the department
26 determines that:
27 (a) At least one irregularity in testing administration occurred at a
28 school, including, without limitation, a charter school, during 1 school
29 year on the examinations administered pursuant to NRS 389.550;
30 (b) In the immediately succeeding school year, at least one additional
31 irregularity in testing administration occurred at that school on the
32 examinations administered pursuant to NRS 389.015, excluding the high
33 school proficiency examination; and
34 (c) Based upon the criteria set forth in subsection 5, that the
35 irregularities described in paragraphs (a) and (b) warrant an additional
36 administration of the examinations,
37 the department shall notify the school and the school district in which the
38 school is located that the school is required to provide for an additional
39 administration of the examinations to pupils who are enrolled in a grade
40 that is required to take the examinations pursuant to NRS 389.015,
41 excluding the high school proficiency examination, or to the pupils the
42 department determines must take the additional administration pursuant
43 to subsection 6. The additional administration must occur in the same
44 school year in which the irregularity described in paragraph (b)
45 occurred. The school district shall pay for all costs related to the
46 administration of examinations pursuant to this subsection.
47 5. In determining whether to require a school to provide for an
48 additional administration of examinations pursuant to this section, the
49 department shall consider:

* A B 2 1 4 R 2 *

1 (a) The effect of each irregularity in testing administration, including,
2 without limitation, whether the irregularity required the scores of pupils
3 to be invalidated; and

4 (b) Whether sufficient time remains in the school year to provide for
5 an additional administration of examinations.

6 6. If the department determines pursuant to subsection 5 that a
7 school must provide for an additional administration of examinations,
8 the department may consider whether the most recent irregularity in
9 testing administration affected the test scores of a limited number of
10 pupils and require the school to provide an additional administration of
11 examinations pursuant to this section only to those pupils whose test
12 scores were affected by the most recent irregularity.

13 7. The department shall provide as many notices pursuant to this
14 section during 1 school year as are applicable to the irregularities
15 occurring at a school. A school shall provide for additional
16 administrations of examinations pursuant to this section within 1 school
17 year as applicable to the irregularities occurring at the school.

18 8. If a school is required to provide an additional administration of
19 examinations pursuant to subsection 2 of NRS 385.368 for a school year,
20 the school is not required to provide for an additional administration
21 pursuant to subsection 1 or 4 in that school year. The department shall
22 ensure that the information required pursuant to paragraph (b) of
23 subsection 3 of section 5.9 of this act is included in its report for the
24 additional administration provided by such a school pursuant to
25 subsection 2 of NRS 385.368.

26 **Sec. 5.3.** 1. The department shall notify the principal of a school,
27 including, without limitation, a charter school, or the board of trustees of
28 a school district, as applicable, if the school or the school district is
29 required to file a plan for corrective action based upon the objective
30 criteria adopted by the department pursuant to paragraph (d) of
31 subsection 2 of section 2 of this act. Upon receipt of such notice, the
32 school or the school district, as applicable, shall file a plan for corrective
33 action with the department within the time prescribed by the department.
34 Such a plan must specify the time within which the corrective action will
35 be taken. The school or the school district, as applicable, shall commence
36 corrective action pursuant to the plan immediately after the date on
37 which the plan is filed.

38 2. The department shall establish procedures to document and
39 monitor whether appropriate corrective action is being taken and
40 whether that action is achieving the desired result. Such documentation
41 must be maintained and reported in accordance with section 5.9 of this
42 act.

43 3. The department may require a school or a school district to amend
44 its plan for corrective action if the department determines that such
45 amendment is necessary to ensure the security of test materials and the
46 consistency of testing administration in the school or school district, as
47 applicable.

48 **Sec. 5.5.** 1. The department shall establish a statewide program for
49 use by schools and school districts in their preparation for the

1 *examinations that are administered pursuant to NRS 389.015, excluding*

22 *approval of the department, the board of trustees of a school district or*
23 *the governing body of a charter school may establish an expanded*
24 *program of education and training that includes additional education*

35 *department or the expanded program, if applicable; and*

36 *(b) The training and education is otherwise available for all personnel*
37 *who are not required to receive the training and education pursuant to*
38 *paragraph (a).*

39 **Sec. 5.9.** *1. The department shall establish procedures for the*
40 *uniform documentation and maintenance by the department of*
41 *irregularities in testing administration and testing security reported to the*
42 *department pursuant to section 5 of this act and investigations of such*
43 *irregularities conducted by the department pursuant to section 3 of this*
44 *act. The procedures must include, without limitation:*

45 *(a) A method for assigning a unique identification number to each*
46 *incident of irregularity; and*

47 *(b) A method to ensure that the status of an irregularity is readily*
48 *accessible by the department.*

1 2. In accordance with the procedures established pursuant to
2 subsection 1, the department shall prepare and maintain for each

4 security, a written summary accompanying the report of the irregularity.
5 The written summary must include, without limitation:

38 5. If a pupil fails to demonstrate at least adequate achievement on the
39 examination administered before the completion of grade 4, 8 or 10, he
40 may be promoted to the next higher grade, but the results of his
