EXPLANATION – Matter in *bolded italics* is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to the training of drivers; requiring the state board of education to adopt regulations governing automobile driver education in public schools; authorizing licensed schools for training drivers to use certain interactive technologies in lieu of actual classroom instruction; requiring an instructor of a school for training drivers to complete certain training before his license as an instructor may be renewed by the department of motor vehicles and public safety; and providing other matters properly relating thereto.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 389.090 is hereby amended to read as follows:

389.090 1. The state board shall adopt regulations governing the establishment, conduct and scope of automobile driver education in the public schools of this state. *The regulations must set forth, without limitation:*

- (a) The number of hours of training that must be completed by a pupil who enrolls in a course in automobile driver education;
- (b) That a course in automobile driver education may be conducted in a classroom or motor vehicle, or both; and
- (c) That if a course in automobile driver education is conducted both in a classroom and in a motor vehicle, 1 hour of training in a motor vehicle is equivalent to 3 hours of training in a classroom.
- 2. The aims and purposes of automobile driver education are to develop the knowledge, attitudes, habits and skills necessary for the safe operation of motor vehicles.
- 3. The board of trustees of a school district may establish and maintain *courses in* automobile driver education [classes] during regular semesters

and summer sessions and during the regular school day and at times other than during the regular school day for:

- (a) Pupils enrolled in the regular full-time day high schools in the school district.
- (b) Pupils enrolled in summer classes conducted in high schools in the school district.
- A board of trustees maintaining courses in automobile driver education shall insure against any liability arising out of the use of motor vehicles in connection with those courses. The cost of the insurance must be paid from available *money of the* school district. [funds.]
- 4. A governing body of a charter school may establish and maintain courses in automobile driver education [classes] if the governing body insures against any liability arising out of the use of motor vehicles in connection with those courses.
- 5. Automobile driver education must be provided by boards of trustees of school districts and governing bodies of charter schools in accordance with the regulations of the state board and may not be duplicated by any other agency, department, commission or officer of the State of Nevada.
- 6. Each course in automobile driver education provided by a board of trustees of a school district or a governing body of a charter school must include, without limitation, instruction in:
 - (a) Motor vehicle insurance.
