35 certificate is received.

36 4. ~~If the owner of the mine, operator of the mine, or recipient of the~~

1 ~~taxpayer for the current calendar year and the tax is paid on or before~~ May  
2 10 of the next calendar year . ~~the overpayment may be credited toward~~  
3 ~~that payment.~~ If the certificate prepared pursuant to this section shows a  
4 net loss for the year covered by the certificate or an amount of tax due for  
5 that year which is less than an overpayment made for the preceding year,  
6 the amount or remaining amount of the overpayment must be refunded to  
7 the taxpayer within 30 days after the certification was sent to the taxpayer.  
8 **Sec. 4.** NRS 362.170 is hereby amended to read as follows:  
9 362.170 1. There is hereby appropriated to each county the total of  
10 the amounts obtained by multiplying, for each extractive operation situated  
11 within the county, the net proceeds of that operation and any royalties paid  
12 by that operation, by the combined rate of tax ad valorem, excluding any  
13 rate levied by the State of Nevada, for property at that site, plus a pro rata  
14 share of any penalties and interest collected by the department for the late  
15 payment of taxes distributed to the county. The department shall report to  
16 the state controller on or before ~~February 28,~~ May 25 ~~and August 15~~ of  
17 each year the amount appropriated to each county, as calculated for each  
18 operation from the final statement made in February of that year for the  
19 preceding calendar year . ~~and the statements filed pursuant to NRS~~

23 other local entity an amount calculated by:  
24 (a) Determining the total of the amounts obtained by multiplying, for  
25 each extractive operation situated within its jurisdiction, the net proceeds  
26 of that operation and any royalty payments paid by that operation, by the  
27 rate levied on behalf of that local government or other local entity;  
28 (b) Adding to the amount determined pursuant to paragraph (a) a pro  
29 rata share of any penalties and interest collected by the department for the  
30 late payment of taxes distributed to that local government or local entity;  
31 and  
32 (c) Subtracting from the amount determined pursuant to paragraph (b) a  
33 ~~percentage~~ commission of 3 percent of that amount which must be  
34 deposited in the county general fund.  
35 3. The amounts apportioned pursuant to subsection 2, including,  
36 without limitation, the amount retained by the county and excluding the  
37 percentage commission, must be applied to the uses for which each levy  
38 was authorized in the same proportion as the rate of each levy bears to the  
39 total rate.  
40 4. The department shall report to the state controller on or before May  
41 25 of each year the amount received as tax upon the net proceeds of  
42 geothermal resources which equals the product of those net proceeds  
43 multiplied by the rate of tax levied ad valorem by the State of Nevada.  
44 **Sec. 5.** NRS 362.145 is hereby repealed.  
45 **Sec. 6.** This act becomes effective upon passage and approval.

**362.145 Tax on net proceeds and royalties of certain geographically separate extractive operations: Due date of payment; rate; copy of calculations required; notice of applicability.**

1. If the net proceeds of a geographically separate extractive operation in any calendar year exceed \$4,000,000, the tax upon the net proceeds for the next calendar year must be paid:

(a) On or before August 1 for one-half of the net proceeds extracted from January 1 through June 30 of that year; and

(b) On or before February 16 for the remaining one-half of the net proceeds extracted from January 1 through June 30 and for the net proceeds extracted from July 1 through December 31 of the preceding year.

The rate of tax must be computed pursuant to NRS 362.140 on the basis of the best estimate of the taxpayer as to the rate that will be applicable for the current year. If the rate selected is different than the rate paid in the previous year, the taxpayer shall submit a brief explanation with the payment to justify the rate selected. If, upon investigation of the facts, the department determines that an inappropriate rate was used which resulted in an underpayment of the taxes due, the department shall immediately notify the taxpayer in writing of the deficiency. The taxpayer shall pay the deficiency within 10 days after receipt of such a notice.

2. If the total amount of royalties paid by a geographically separate operation to a person in any calendar year exceeds \$100,000, the recipient of the royalties shall pay the tax on the royalties for the next calendar year:

(a) On or before August 1 for royalties paid from January 1 through June 30 of that year; and

(b) On or before February 16 for royalties paid from July 1 through December 31 of the preceding year.

3. The tax upon the net proceeds for any other operation or on any other royalties may be paid pursuant to the requirements of subsection 1 or 2.

4. The taxpayer shall include with each payment made pursuant to this section a copy of the calculations by which the amount of the payment was determined, including, without limitation, the amount of net proceeds and the rate of tax.

5. On or before April 15 of each year, the department shall provide a notice to each person to whom subsection 1 or 2 applies. The notice must include a copy of this section and state that the department has determined that subsection 1 or 2 applies to that person for the current calendar year. Failure to receive the notice required by this subsection does not excuse late payment or nonpayment.
