

(REPRINTED WITH ADOPTED AMENDMENTS)
FIRST REPRINT **A.B. 629**

ASSEMBLY BILL NO. 629—COMMITTEE ON NATURAL RESOURCES,
AGRICULTURE, AND MINING

(ON BEHALF OF DEPARTMENT OF AGRICULTURE)

MARCH 26, 2001

Referred to Committee on Natural Resources, Agriculture, and Mining

SUMMARY—Clarifies standards for regulating petroleum products used in internal combustion engines. (BDR 51-543)

FISCAL NOTE: Effect on Local Government: No.
Effect on the State: No.

~

EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to petroleum products; clarifying the standards for regulating petroleum products used in internal combustion engines; revising the definition of “petroleum products”; and providing other matters properly relating thereto.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

- 1 **Section 1.** NRS 590.020 is hereby amended to read as follows:
2 590.020 As used in NRS 590.010 to 590.330, inclusive, unless the
3 context otherwise requires:
4 1. “Additives” means a substance to be added to a motor oil or
5 lubricating oil to impart or improve desirable properties or to suppress
6 undesirable properties.
7 2. “Advertising medium” means any sign, printed or written matter, or
8 device for oral or visual communication.
9 3. “Performance rating” means the system adopted by the American
10 Petroleum Institute for the classification of uses for which an oil is
11 designed.
12 4. “Petroleum products” means gasoline, diesel fuel, burner fuel
13 kerosene, motor vehicle fuel, lubricating oil, motor oil or any product
14 represented as motor oil or lubricating oil. The term does not include
15 liquefied petroleum gas, ***natural gas*** or motor oil additives.
16 5. “Recycled oil” means a petroleum product which is prepared from
17 used motor oil or used lubricating oil. The term includes rerefined oil.

* A B 6 2 9 R 1 *

1 6. "Rerefined oil" means used oil which is refined after its previous
2 use to remove from the oil any contaminants acquired during the previous
3 use.

4 7. "Used oil" means any oil which has been refined from crude or
5 synthetic oil and, as a result of use, has become unsuitable for its original
6 purpose because of a loss of its original properties or the presence of
7 impurities, but which may be suitable for another use or economically
8 recycled.

9 8. "Viscosity grade classification" means the measure of an oil's
10 resistance to flow at a given temperature according to the grade
11 classification system of the Society of Automotive Engineers or other
12 grade classification.

13 **Sec. 2.** NRS 590.070 is hereby amended to read as follows:

14 590.070 1. The state board of agriculture shall adopt regulations
15 relating to the standards for ~~fuel, including diesel fuel~~ **petroleum**
16 **products** used in internal combustion engines, which are substantially
17 similar to the laws and regulations of the State of California relating to
18 those standards.

19 2. The state board of agriculture shall review each amendment, repeal
20 or other revision of a law or regulation of the State of California relating to
21 those standards to determine its appropriateness for this state. The board
22 shall adopt any regulation based on a law or regulation of the State of
23 California which the board determines is necessary or appropriate for this
24 state to ensure that the regulations adopted by the board remain
25 substantially similar to the laws and regulations adopted by the State of
26 California concerning those standards.

27 3. It is unlawful for any person, or any officer, agent or employee
28 thereof, to sell, offer for sale, assist in the sale of, deliver or permit to be
29 sold or offered for sale, any petroleum or petroleum product as, or
30 purporting to be, gasoline or diesel fuel, unless it conforms with the
31 regulations adopted by the state board of agriculture pursuant to this
32 section.

33 4. This section does not apply to aviation fuel.

34 5. In addition to any criminal penalty that is imposed pursuant to the
35 provisions of NRS 590.150, any person who violates any provision of this
36 section may be further punished as provided in NRS 590.071.

37 **Sec. 3.** NRS 590.071 is hereby amended to read as follows:

38 590.071 1. The state board of agriculture shall:

39 (a) Enforce the standards relating to ~~the quality of fuel established~~
40 **petroleum products adopted** pursuant to NRS 590.070.

41 (b) Adopt regulations specifying a schedule of fines that it may impose,
42 upon notice and hearing, for each violation of the provisions of NRS
43 590.070. The maximum fine that may be imposed by the board for each
44 violation must not exceed \$5,000 per day. All fines collected by the board
45 pursuant to the regulations adopted pursuant to this subsection must be
46 remitted to the county treasurer of the county in which the violation
47 occurred for credit to the county school district fund.

48 2. The state board of agriculture may:

* A B 6 2 9 R 1 *

- 1 (a) In addition to imposing a fine pursuant to subsection 1, issue an
- 2 order requiring a violator to take appropriate action to correct the violation.
- 3 (b) Request the district attorney of the appropriate county to investigate
- 4 or file a criminal complaint against any person that the board suspects may
- 5 have violated any provision of NRS 590.070.
