41 *security or assets must remain in place and which principals and*
42 *managers of the applicant must continue to be active in those capacities*
43 *to provide the fitness and ability required for continued operation under*
44 *the certificate of public convenience and necessity issued to the fully*
45 *regulated carrier of passengers.*

7 limousines allocated pursuant to section 22 of this act, the authority shall
8 consider separately the interests, welfare, convenience, necessity and
9 well-being of the customers of taxicab motor carriers and of other fully

11 2. If circumstances require a temporary increase in the number of
12 vehicles allocated pursuant to section 22 of this act, the authority shall
13 allocate the temporary increase equally among the fully regulated
