48 receive. *If a charter school receives special education program units*
49 *directly from this state, the amount of money for special education that*

11 *may request reimbursement from the governing body of the charter*
12 *school for the administrative costs associated with sponsorship for that*
13 *school year if the sponsor provided administrative services during that*
14 *school year. Upon receipt of such a request, the governing body shall pay*
15 *the reimbursement to the board of trustees of the school district, if the*
16 *board of trustees sponsors the charter school, or to the department if the*
17 *state board sponsors the charter school. If a governing body fails to pay*
18 *the reimbursement, the charter school shall be deemed to have violated*
19 *its written charter and the sponsor may take such action to revoke the*

30 school in its first year of operation, the count of pupils who are enrolled in
31 the charter school must initially be determined 30 days before the
32 beginning of the school year of the school district, based on the number of
33 pupils whose applications for enrollment have been approved by the
34 charter school. The count of pupils who are enrolled in the charter school
35 must be revised on the last day of the first school month of the school
36 district in which the charter school is located for the school year, based on
37 the actual number of pupils who are enrolled in the charter school.
38 Pursuant to subsection ~~12~~ 5 of NRS 387.124, the governing body of a
39 charter school may request that the apportionments made to the charter

41 before the apportionments are otherwise required to be made.

42 ~~14~~ 5. *If a charter school ceases to operate as a charter school*
43 *during a school year, the remaining apportionments that would have*
44 *been made to the charter school pursuant to NRS 387.124 for that year*
45 *must be paid on a proportionate basis to the school districts where the*
46 *pupils who were enrolled in the charter school reside.*

47 6. The governing body of a charter school may solicit and accept
48 donations, money, grants, property, loans, personal services or other
49 assistance for purposes relating to education from members of the general

28 2. Except as otherwise provided in subsection ~~4.1~~ 6, a charter school
29 shall not accept applications for enrollment in the charter school or

41 the school district of the county in which the pupil resides transfer that
42 pupil to an appropriate school.

43 4. *Except as otherwise provided in this subsection, upon the request*

27 If more eligible pupils apply for enrollment in such a charter school than
28 the number of spaces which are available, the charter school shall

1 **Sec. 31.** NRS 387.124 is hereby amended to read as follows:
2 387.124 Except as otherwise provided in *this section and* NRS
3 387.528:

4 1. On or before August 1, November 1, February 1 and May 1 of each
5 year, the superintendent of public instruction shall ~~[-except as otherwise~~
6 ~~provided in subsections 2 and 3,]~~ apportion the state distributive school
7 account in the state general fund among the several county school districts
8 and charter schools in amounts approximating one-fourth of their
9 respective yearly apportionments less any amount set aside as a reserve.
10 The apportionment to a school district, computed on a yearly basis, equals
11 the difference between the basic support and the local funds available
12 pursuant to NRS 387.1235, minus all the funds attributable to pupils who
13 reside in the county but attend a charter school ~~[-]~~ *and all the funds*
14 *attributable to pupils who reside in the county and are enrolled full time*
15 *or part time in a program of distance education provided by another*
16 *school district or a charter school.* No apportionment may be made to a
17 school district if the amount of the local funds exceeds the amount of basic
18 support. ~~[-The]~~ *If an agreement is not filed for a pupil who is enrolled in a*
19 *program of distance education as required by section 44 of this act, the*
20 *superintendent of public instruction shall not apportion money for that*
21 *pupil to the board of trustees of the school district in which the pupil*
22 *resides, or the board of trustees or governing body that provides the*
23 *program of distance education.*

24 2. *Except as otherwise provided in subsection 3, the* apportionment to
25 a charter school, computed on a yearly basis, is equal to the sum of the
26 basic support per pupil in the county in which the pupil resides plus the
27 amount of local funds available per pupil pursuant to NRS 387.1235 and
28 all other funds available for public schools in the county in which the pupil
29 resides ~~[-]~~ *minus all the funds attributable to pupils who are enrolled in*
30 *the charter school but are concurrently enrolled part time in a program*
31 *of distance education provided by a school district or another charter*
32 *school.* If the apportionment per pupil to a charter school is more than the
33 amount to be apportioned to the school district in which a pupil who is
34 enrolled in the charter school resides, the school district in which the pupil
35 resides shall pay the difference directly to the charter school.

36 ~~[-]~~ 3. *Except as otherwise provided in this subsection, the*
37 *apportionment to a charter school that is sponsored by the state board,*
38 *computed on a yearly basis, is equal to:*

39 (a) *The sum of the basic support per pupil in the county in which the*
40 *pupil resides plus the amount of local funds available per pupil pursuant*

42 *county in which the pupils resides; or*

43 (b) *The statewide average per pupil amount for pupils who are*
44 *enrolled full time,*
45 *whichever is greater. If the calculation set forth in paragraph (a) is less*
46 *than the calculation pursuant to paragraph (b), the school district in*
47 *which the charter school is located shall pay the difference directly to the*
48 *charter school. If a charter school provides a program of distance*
49 *education pursuant to sections 35 to 49, inclusive, of this act, the*

1 *apportionment to the charter school for pupils who are enrolled in the*
2 *program of distance education must be calculated as set forth in*
3 *subsection 2 or 4, as applicable.*

4 *4. In addition to the apportionments made pursuant to this section,*
5 *an apportionment must be made to a school district or charter school that*
6 *provides a program of distance education for each pupil who is enrolled*
7 *part time in the program if an agreement is filed for that pupil pursuant*
8 *to section 44 or 45 of this act, as applicable. The amount of the*
9 *apportionment must be equal to the percentage of the total time services*
10 *are provided to the pupil through the program of distance education per*
11 *school day in proportion to the total time services are provided during a*
12 *school day to pupils who are counted pursuant to subparagraph (2) of*
13 *paragraph (a) of subsection 1 of NRS 387.1233 for the school district in*
14 *which the pupil resides.*

15 5. The governing body of a charter school may submit a written
16 request to the superintendent of public instruction to receive, in the first
17 year of operation of the charter school, an apportionment 30 days before
18 the apportionment is required to be made pursuant to subsection 1. Upon
19 receipt of such a request, the superintendent of public instruction may
20 make the apportionment 30 days before the apportionment is required to be
21 made. A charter school may receive all four apportionments in advance in
22 its first year of operation.

23 ~~3-1~~ 6. If the state controller finds that such an action is needed to
24 maintain the balance in the state general fund at a level sufficient to pay the
25 other appropriations from it, he may pay out the apportionments monthly,
26 each approximately one-twelfth of the yearly apportionment less any
27 amount set aside as a reserve. If such action is needed, the state controller
28 shall submit a report to the department of administration and the fiscal
29 analysis division of the legislative counsel bureau documenting reasons for
30 the action.

31 **Sec. 32.** NRS 387.1243 is hereby amended to read as follows:

32 387.1243 1. The first apportionment based on an estimated number
33 of pupils and special education program units and succeeding
34 apportionments are subject to adjustment from time to time as the need
35 therefor may appear.

36 2. The apportionments to a school district may be adjusted during a
37 fiscal year by the department of education, upon approval by the *state*
38 board of examiners and the interim finance committee, if the department of
39 taxation and the county assessor in the county in which the school district
40 is located certify to the department of education that the school district will
41 not receive the tax levied pursuant to subsection 1 of NRS 387.195 on

43 (a) The leasehold interest, possessory interest, beneficial interest or
44 beneficial use of the property is subject to taxation pursuant to NRS
45 361.157 and 361.159 and one or more lessees or users of the property are
46 delinquent in paying the tax; and

47 (b) The total amount of tax owed but not paid for the fiscal year by any
48 such lessees and users is at least 5 percent of the proceeds that the school

1 district would have received from the tax levied pursuant to subsection 1 of
2 NRS 387.195.

3 If a lessee or user pays the tax owed after the school district's
4 apportionment has been increased in accordance with the provisions of this
5 subsection to compensate for the tax owed, the school district shall repay to
6 the *state* distributive school account in the state general fund an amount
7 equal to the tax received from the lessee or user for the year in which the
8 school district received an increased apportionment, not to exceed the
9 increase in apportionments made to the school district pursuant to this
10 subsection.

11 3. On or before August 1 of each year, the board of trustees of a school
12 district shall provide to the department, in a format prescribed by the
13 department, the count of pupils calculated pursuant to subparagraph ~~(6)~~
14 (8) of paragraph (a) of subsection 1 of NRS 387.1233 who completed at
15 least one semester during the immediately preceding school year. The
16 count of pupils submitted to the department must be included in the final
17 adjustment computed pursuant to subsection 4.

18 4. A final adjustment for each school district and charter school must
19 be computed as soon as practicable following the close of the school year,
20 but not later than August 25. The final computation must be based upon the
21 actual counts of pupils required to be made for the computation of basic
22 support and the limits upon the support of special education programs,
23 except that for any year when the total enrollment of pupils and children in
24 a school district or a charter school located within the school district
25 described in paragraphs (a), (b), (c) and ~~(d)~~ (e) of subsection 1 of NRS
26 387.123 is greater on the last day of any school month of the school district
27 after the second school month of the school district and the increase in
28 enrollment shows at least:

29 (a) A 3-percent gain, basic support as computed from first month
30 enrollment for the school district or charter school must be increased by 2
31 percent.

32 (b) A 6-percent gain, basic support as computed from first month
33 enrollment for the school district or charter school must be increased by an
34 additional 2 percent.

35 5. If the final computation of apportionment for any school district or
36 charter school exceeds the actual amount paid to the school district or
37 charter school during the school year, the additional amount due must be
38 paid before September 1. If the final computation of apportionment for any
39 school district or charter school is less than the actual amount paid to the
40 school district or charter school during the school year, the difference must
41 be repaid to the state distributive school account in the state general fund
42 by the school district or charter school before September 25.

43 **Sec. 33.** NRS 387.185 is hereby amended to read as follows:

5 pursuant to the provisions of NRS 354.603, all school money due that
6 school district must be paid over by the state treasurer to the school district
7 on August 1, November 1, February 1 and May 1 of each year or as soon
8 thereafter as the school district may apply for it, upon the warrant of the
9 state controller drawn in conformity with the apportionment of the
10 superintendent of public instruction as provided in NRS 387.124.

11 3. No county school district may receive any portion of the public

15 due each charter school must be paid over by the state treasurer to the
16 governing body of the charter school on August 1, November 1, February 1
17 and May 1 of each year or as soon thereafter as the governing body may
18 apply for it, upon the warrant of the state controller drawn in conformity
19 with the apportionment of the superintendent of public instruction as
20 provided in NRS 387.124. If the superintendent of public instruction has
21 approved, pursuant to subsection ~~4~~ 5 of NRS 387.124, a request for
22 payment of an apportionment 30 days before the apportionment is
