AN ACT relating to local governments; directing the Legislative Commission to conduct an interim study of the competition between local governments and private enterprises in the provision of certain goods or services; and providing other matters properly relating thereto.

- 1 WHEREAS, The structure of Nevada tax laws allows local governments
2 to provide certain goods or services to consumers at a reduced rate because
3 of certain tax exemptions and tax subsidies; and
4 WHEREAS, The tax exemptions and tax subsidies available to local
5 governments are not also available to private enterprises that offer the same
6 goods or services as the local governments offer; and
7 WHEREAS, In certain markets in the state the tax advantages available to
8 local governments place the local governments in direct competition with
9 private enterprises, and in some situations have threatened the economic
10 viability of certain private enterprises; now, therefore
11
12 THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
13 SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
14
15 **Section 1.** The Legislative Commission shall appoint a committee

20 **Sec. 2.** The committee appointed pursuant to section 1 of this act must
21 include, without limitation, the following topics in its study:
22 1. A review of the history of the provision of the same goods or
23 services by both local governments and private enterprises in Nevada,
24 especially government-subsidized services such as medical care;

- 1 2. A study of the feasibility of applying some of the same tax laws to
- 2 local governments that apply to private enterprises;

- 4 local governments were required to pay certain fees and other charges that
- 5 private enterprises pay as a normal cost of conducting business;
- 6 4. An analysis of the effect of a prohibition on the provision by local
- 7 governments of goods or services in competition with private enterprises if
- 8 the local governments receive ad valorem taxes as a source of funding; and
- 9 5. A review of the possible options for minimizing any negative effect
- 10 that may occur to private enterprises when a local government provides
- 11 certain goods or services in direct competition with those private

- 13 that are only available to local governments.
- 14 **Sec. 3.** 1. The Legislative Commission shall submit a report of the
- 15 findings of the committee and any recommendations of the committee for

- 18 pursuant to section 1 of this act must be approved by a majority of the
- 19 members of the Senate and a majority of the members of the Assembly
- 20 appointed to the committee.
