16 interest in fixtures is subordinate to a construction mortgage recorded
17 before the goods become fixtures if the goods become fixtures before the
18 completion of the construction. A mortgage has this priority to the same
19 extent as a construction mortgage to the extent that it is given to refinance a
20 construction mortgage.

21 9. A perfected security interest in crops growing on real property has
22 priority over a conflicting interest of an encumbrancer or owner of the real
23 property if the debtor has an interest of record in or is in possession of the
24 real property.

25 **Sec. 13.** NRS 104.9336 is hereby amended to read as follows:

26 104.9336 1. In this section, "commingled goods" means goods that
27 are physically united with other goods in such a manner that their identity
28 is lost in a product or mass.

29 2. A security interest does not exist in commingled goods as such.
30 However, a security interest may attach to a product or mass that results
31 when goods become commingled goods.

32 3. If collateral becomes commingled goods, a security interest attaches
33 to the product or mass.

34 4. If a security interest in collateral is perfected before the collateral
35 becomes commingled goods, the security interest that attaches to the
36 product or mass under subsection 3 is perfected.

37 5. Except as otherwise provided in subsection 6, the other provisions
38 of this part determine the priority of a security interest that attaches to the
39 product or mass under subsection 3.

40 6. If more than one security interest attaches to the product or mass
41 under subsection 3, the following rules determine priority:

42 (a) A security interest that is perfected under subsection 4 has priority
43 over a security interest that is unperfected at the time the collateral
44 becomes commingled goods.

45 (b) If more than one security interest is perfected under subsection 4,
46 the security interests rank equally in proportion to *the* value of the
47 collateral at the time it became commingled goods.

1 **Sec. 14.** NRS 104.9406 is hereby amended to read as follows:
2 104.9406 1. Subject to subsections 2 to 8, inclusive, an account
3 debtor on an account, chattel paper or a payment intangible may discharge
4 its obligation by paying the assignor until, but not after, the account debtor
5 receives a notification, authenticated by the assignor or the assignee, that
6 the amount due or to become due has been assigned and that payment is to
7 be made to the assignee. After receipt of the notification, the account
8 debtor may discharge its obligation by paying the assignee and may not
9 discharge the obligation by paying the assignor.
10 2. Subject to subsection 8, notification is ineffective under
11 subsection 1:
12 (a) If it does not reasonably identify the rights assigned;
13 (b) To the extent that an agreement between an account debtor and a
14 seller of a payment intangible limits the account debtor's duty to pay a
15 person other than the seller and the limitation is effective under law other
16 than this article; or
17 (c) At the option of an account debtor, if the notification notifies the
18 account debtor to make less than the full amount of any installment or
19 other periodic payment to the assignee, even if:
20 (1) Only a portion of the account, chattel paper or ~~general~~ *payment*
21 intangible has been assigned to that assignee;
22 (2) A portion has been assigned to another assignee; or
23 (3) The account debtor knows that the assignment to that assignee is
24 limited.
25 3. Subject to subsection 8, if requested by the account debtor, an
26 assignee shall seasonably furnish reasonable proof that the assignment has
27 been made. Unless the assignee complies, the account debtor may
28 discharge its obligation by paying the assignor, even if the account debtor
29 has received a notification under subsection 1.
30 4. Except as otherwise provided in subsection 5 and NRS 104.9407
31 and 104A.2303, and subject to subsection 8, a term in an agreement
32 between an account debtor and an assignor or in a promissory note is
33 ineffective to the extent that it:
34 (a) Prohibits, restricts or requires the consent of the account debtor or
35 person obligated on the promissory note to the assignment or transfer of, or
36 the creation, attachment, perfection or enforcement of a security interest in,
37 the account, chattel paper, payment intangible or promissory note; or
38 (b) Provides that the *assignment or transfer, or the* creation,
39 attachment, perfection or enforcement of the security interest may give rise
40 to a default, breach, right of recoupment, claim, defense, termination, right
41 of termination, or remedy under the account, chattel paper, payment
42 intangible or promissory note.
43 5. Subsection 4 does not apply to the sale of a payment intangible or
44 promissory note.
45 6. Subject to subsections 7 and 8, a rule of law, statute, or regulation,
46 that prohibits, restricts, or requires the consent of a government,
47 governmental body or official, or account debtor to the assignment or
48 transfer of, or creation of a security interest in, an account or chattel paper
49 is ineffective to the extent that the rule of law, statute or regulation:

1 (a) Prohibits, restricts, or requires the consent of the government,
2 governmental body or official, or account debtor to the assignment or
3 transfer of, or the creation, attachment, perfection, or enforcement of a
4 security interest in, the account or chattel paper; or

5 (b) Provides that the *assignment or transfer, or the* creation,
6 attachment, perfection, or enforcement of the security interest may give
7 rise to a default, breach, right of recoupment, claim, defense, termination,
8 right of termination, or remedy under the account or chattel paper.

9 7. Subject to subsection 8, an account debtor may not waive or vary its
10 option under paragraph (c) of subsection 2.

11 8. This section is subject to law other than this article which
12 establishes a different rule for an account debtor who is an individual and
13 who incurred the obligation primarily for personal, family or household
14 purposes.

15 9. This section does not apply to an assignment of a health-care-
16 insurance receivable.

17 **Sec. 15.** NRS 104.9407 is hereby amended to read as follows:

18 104.9407 1. Except as otherwise provided in subsection 2, a term in

21 the *assignment or transfer, or the* creation, attachment, perfection, or
22 enforcement of a security interest in an interest of a party under the lease
23 contract or in the lessor's residual interest in the goods; or

24 (b) Provides that the *assignment or transfer, or the* creation,
25 attachment, perfection, or enforcement of the security interest may give
26 rise to a default, breach, right of recoupment, claim, defense, termination,
27 right of termination or remedy under the lease.

28 2. Except as otherwise provided in subsection 7 of NRS 104A.2303, a
29 term described in paragraph (b) of subsection 1 is effective to the extent
30 that there is:

31 (a) A transfer by the lessee of the lessee's right of possession or use of
32 the goods in violation of the term; or

33 (b) A delegation of a material performance of either party to the lease
34 contract in violation of the term.

35 3. The creation, attachment, perfection, or enforcement of a security
36 interest in the lessor's interest under the lease contract or the lessor's
37 residual interest in the goods is not a transfer that materially impairs the
38 lessee's prospect of obtaining return performance or materially changes the
39 duty of or materially increases the burden or risk imposed on the lessee
40 within the purview of subsection 4 of NRS 104A.2303 unless, and then
41 only to the extent that, enforcement results in a delegation of a material
42 performance of the lessor. Even in that event, the creation, attachment,
43 perfection and enforcement of the security interest remain effective.

8 or perfection of the security interest may give rise to a default, breach, right
9 of recoupment, claim, defense, termination, right of termination or remedy
10 under the promissory note, health-care-insurance receivable or general
11 intangible.

12 2. Subsection 1 applies to a security interest in a payment intangible or
13 promissory note only if the security interest arises out of a sale of the
14 payment intangible or promissory note.

15 3. A rule of law, statute, or regulation that prohibits, restricts, or
16 requires the consent of a government, governmental body or official,
17 person obligated on a promissory note, or account debtor to the assignment
18 or transfer of, or creation of a security interest in, a promissory note,
19 health-care-insurance receivable or general intangible, including a contract,

32 regulation described in subsection 3 would be effective under law other
33 than this article but is ineffective under subsection 1 or 3, the creation,
34 attachment or perfection of a security interest in the promissory note,
35 health-care-insurance receivable or general intangible:

36 (a) Is not enforceable against the person obligated on the promissory

39 promissory note or the account debtor;

40 (c) Does not require the person obligated on the promissory note or the
41 account debtor to recognize the security interest, pay or render
42 performance to the secured party or accept payment or performance from
43 the secured party;

44 (d) Does not entitle the secured party to use or assign the debtor's rights

3 **Sec. 26.** NRS 104.9625 is hereby amended to read as follows:

4 104.9625 1. If it is established that a secured party is not proceeding
5 in accordance with this article, a court may order or restrain collection,
6 enforcement or disposition of collateral on appropriate terms and
7 conditions.

8 2. Subject to subsections 3, 4 and 6, a person is liable for damages in
9 the amount of any loss caused by a failure to comply with this article. Loss
10 caused by a failure to comply ~~with a request under NRS 104.9210~~ may
11 include loss resulting from the debtor's inability to obtain, or increased
12 costs of, alternative financing.

13 3. Except as otherwise provided in NRS 104.9628:

14 (a) A person that, at the time of the failure, was a debtor, was an obligor
15 or held a security interest in or other lien on the collateral may recover
16 damages under subsection 2 for its loss; and

17 (b) If the collateral is consumer goods, a person that was a debtor or a
18 secondary obligor at the time a secured party failed to comply with this
19 part may recover for that failure in any event an amount not less than the
20 credit service charge plus 10 percent of the principal amount of the
21 obligation or the time-price differential plus 10 percent of the cash price.

22 4. A debtor whose deficiency is eliminated under NRS 104.9626 may
23 recover damages for the loss of any surplus. However, a debtor or
24 secondary obligor whose deficiency is eliminated or reduced under that
25 section may not otherwise recover under subsection 2 for noncompliance
26 with the provisions of this part relating to collection, enforcement,
27 disposition or acceptance.

28 5. In addition to any damages recoverable under subsection 2, the
29 debtor, consumer obligor or person named as a debtor in a filed record, as

41 6. A debtor or consumer obligor may recover damages under
42 subsection 2 and, in addition, \$500 in each case from a person that, without
43 reasonable cause, fails to comply with a request under NRS 104.9210. A
44 recipient of a request under that section which never claimed an interest in
45 the collateral or obligations that are the subject of a request under that
46 section has a reasonable excuse for failure to comply with the request
47 within the meaning of this subsection.

2 included in the request as against a person that is reasonably misled by the
3 failure.

4 **Sec. 27.** NRS 104.9705 is hereby amended to read as follows:

5 104.9705 1. If action, other than the filing of a financing statement,
6 is taken before July 1, 2001, and the action would have resulted in priority
7 of a security interest over the rights of a person that becomes a lien creditor
8 had the security interest become enforceable before that date, the action is
9 effective to perfect a security interest that attaches under this article as
10 amended within 1 year after that date. An attached security interest
11 becomes unperfected 1 year after July 1, 2001, unless the security interest
12 becomes a perfected security interest under this article as amended before
13 the expiration of that period.

14 2. The filing of a financing statement before July 1, 2001, is effective
15 to perfect a security interest to the extent the filing would satisfy the
16 applicable requirements for perfection under this article as amended.

17 3. This article as amended does not render ineffective an effective
18 financing statement that was filed before July 1, 2001, and satisfied the
19 applicable requirements for perfection under the law of the jurisdiction
20 governing perfection as provided in NRS 104.9103 as that section read at
21 the time of filing. However, except as otherwise provided in subsections 4
22 and 5 and NRS 104.9706, the financing statement ceases to be effective at
23 the earlier of:

24 (a) The time the financing statement would have ceased to be effective
25 under the law of the jurisdiction in which it is filed; or

26 (b) June 30, 2006.

27 4. The filing of a continuation statement on or after July 1, 2001, does
28 not continue the effectiveness of the financing statement filed before that
29 date. However, upon the timely filing of a continuation statement after that
30 date and in accordance with the law of the jurisdiction governing
31 perfection as provided in part 3, the effectiveness of a financing statement
32 filed in the same office in that jurisdiction before that date continues for the
33 period provided by the law of that jurisdiction.

34 5. Paragraph (b) of subsection 3 applies to a financing statement that
35 was filed against a transmitting utility before July 1, 2001, and satisfied the
36 applicable requirements for perfection under the law of the jurisdiction
37 governing perfection as provided in NRS 104.9103 as that section read at
38 the time of filing only to the extent that part 3 provides that the law of a
39 jurisdiction other than *the* jurisdiction in which the financing statement is
40 filed governs perfection of a security interest in collateral covered by the
41 financing statement.

42 6. A financing statement that includes a financing statement filed
43 before July 1, 2001, and a continuation statement filed after that date are
44 effective only to the extent that the financing statement satisfies the
45 requirements of part 5 for an initial financing statement.

46 **Sec. 28.** This act becomes effective at 12:01 a.m. on July 1, 2001.
