9 the elements of the offenses to which I now plead as set forth in Exhibit 1.

10 I understand that as a consequence of my plea of guilty I may be
11 imprisoned for a period of not more than (maximum term of imprisonment)
12 and that I (may or will) be fined up to (maximum amount of fine). I
13 understand that the law requires me to pay an administrative assessment
14 fee.

15 I understand that, if appropriate, I will be ordered to make restitution to
16 the victim of the offenses to which I am pleading guilty and to the victim
17 of any related offense which is being dismissed or not prosecuted pursuant
18 to this agreement. I will also be ordered to reimburse the State of Nevada
19 for expenses related to my extradition, if any.

20 I understand that I (am or am not) eligible for probation for the offense
21 to which I am pleading guilty. (I understand that, except as otherwise
22 provided by statute, the question of whether I receive probation is in the
23 discretion of the sentencing judge, or I understand that I must serve a
24 mandatory minimum term of (term of imprisonment) or pay a minimum
25 mandatory fine of (amount of fine) or serve a mandatory minimum term
26 (term of imprisonment) and pay a minimum mandatory fine of (amount of
27 fine).)

28 I understand that if more than one sentence of imprisonment is imposed
29 and I am eligible to serve the sentences concurrently, the sentencing judge
30 has the discretion to order the sentences served concurrently or
31 consecutively.

32 I understand that information regarding charges not filed, dismissed
33 charges or charges to be dismissed pursuant to this agreement may be
34 considered by the judge at sentencing.

35 I have not been promised or guaranteed any particular sentence by
36 anyone. I know that my sentence is to be determined by the court within
37 the limits prescribed by statute. I understand that if my attorney or the State
38 of Nevada or both recommend any specific punishment to the court, the
39 court is not obligated to accept the recommendation.

40 I understand that the division of parole and probation of the department
41 of ~~motor vehicles and~~ public safety may or will prepare a report for the
42 sentencing judge before sentencing. This report will include matters
43 relevant to the issue of sentencing, including my criminal history. I
44 understand that this report may contain hearsay information regarding my
45 background and criminal history. My attorney (if represented by counsel)
46 and I will each have the opportunity to comment on the information
47 contained in the report at the time of sentencing.

WAIVER OF RIGHTS

By entering my plea of guilty, I understand that I have waived the following rights and privileges:

1. The constitutional privilege against self-incrimination, including the right to refuse to testify at trial, in which event the prosecution would not be allowed to comment to the jury about my refusal to testify.

2. The constitutional right to a speedy and public trial by an impartial jury, free of excessive pretrial publicity prejudicial to the defense, at which trial I would be entitled to the assistance of an attorney, either appointed or retained. At trial, the state would bear the burden of proving beyond a reasonable doubt each element of the offense charged.

3. The constitutional right to confront and cross-examine any witnesses who would testify against me.

4. The constitutional right to subpoena witnesses to testify on my behalf.

5. The constitutional right to testify in my own defense.

6. The right to appeal the conviction, with the assistance of an attorney, either appointed or retained, unless the appeal is based upon reasonable constitutional, jurisdictional or other grounds that challenge the legality of the proceedings and except as otherwise provided in subsection 3 of NRS 174.035.

VOLUNTARINESS OF PLEA

I have discussed the elements of all the original charges against me with my attorney (if represented by counsel) and I understand the nature of these charges against me.

I understand that the state would have to prove each element of the charge against me at trial.

I have discussed with my attorney (if represented by counsel) any possible defenses and circumstances which might be in my favor.

All of the foregoing elements, consequences, rights and waiver of rights have been thoroughly explained to me by my attorney (if represented by counsel).

I believe that pleading guilty and accepting this plea bargain is in my best interest and that a trial would be contrary to my best interest.

I am signing this agreement voluntarily, after consultation with my attorney (if represented by counsel) and I am not acting under duress or coercion or by virtue of any promises of leniency, except for those set forth in this agreement.

I am not now under the influence of intoxicating liquor, a controlled substance or other drug which would in any manner impair my ability to comprehend or understand this agreement or the proceedings surrounding my entry of this plea.

My attorney (if represented by counsel) has answered all my questions regarding this guilty plea agreement and its consequences to my satisfaction and I am satisfied with the services provided by my attorney.

18 thereto for the protection of persons insured thereunder who are legally
19 entitled to recover damages, from owners or operators of uninsured or hit-
20 and-run motor vehicles, for bodily injury, sickness or disease, including
21 death, resulting from the ownership, maintenance or use of the uninsured
22 or hit-and-run motor vehicle. No such coverage is required in or
23 supplemental to a policy issued to the State of Nevada or any political
24 subdivision thereof, or where rejected in writing, on a form furnished by
25 the insurer describing the coverage being rejected, by an insured named
26 therein, or upon any renewal of such a policy unless the coverage is then
27 requested in writing by the named insured. The coverage required in this
28 section may be referred to as "uninsured vehicle coverage."

29 2. The amount of coverage to be provided must be not less than the
30 minimum limits for liability insurance for bodily injury provided for under
31 chapter 485 of NRS, but may be in an amount not to exceed the coverage

36 motor vehicles ~~and public safety~~ evidence of financial responsibility as
37 required by chapter 485 of NRS;

38 (b) With respect to the ownership, maintenance or use of which there is

2 bond applicable to the operator; or

3 (f) The owner or operator of which is unknown or after reasonable

12 unincorporated area, to the sheriff of the county or to the Nevada highway
13 patrol.

14 4. For the purposes of this section, the term "uninsured motor vehicle"
15 also includes, subject to the terms and conditions of coverage, an insured
16 other motor vehicle where:

27 5. If payment is made to any person under uninsured vehicle coverage,
28 and subject to the terms of the coverage, to the extent of such payment the
29 insurer is entitled to the proceeds of any settlement or recovery from any

31 made, and to amounts recoverable from the assets of the insolvent insurer
32 of the other motor vehicle.
