20 order may be granted by the court.

1 **Sec. 2.** NRS 445B.470 is hereby amended to read as follows:

2 445B.470 1. A person shall not knowingly:

3 (a) Violate any applicable provision, the terms or conditions of any
4 permit or any provision for the filing of information;

5 (b) Fail to pay any fee;

6 (c) Falsify any material statement, representation or certification in any
7 notice or report; or

8 (d) Render inaccurate any monitoring device or method,
9 required pursuant to the provisions of NRS 445B.100 to 445B.450,
10 inclusive, or 445B.470 to 445B.640, inclusive, or any regulation adopted
11 pursuant to those provisions.

12 2. Any person who violates any provision of subsection 1 shall be
13 punished by a fine of not more than \$10,000 for each day of the violation.

14 3. The burden of proof and degree of knowledge required to establish a
15 violation of subsection 1 are the same as those required by 42 U.S.C. §
16 7413(c), as that section ~~exists~~ *existed* on October 1, 1993.

17 4. If, in the judgment of the director of the department or his designee,
18 any person is engaged in any act or practice which constitutes a criminal
19 offense ~~under~~ *pursuant to* NRS 445B.100 to 445B.640, inclusive, the
20 director of the department or his designee may request *that* the attorney
21 general or the district attorney of the county in which the criminal offense
22 is alleged to have occurred ~~to~~ institute by indictment or information a
23 criminal prosecution of the person.

24 5. *If, in the judgment of the control officer of a local air pollution*
25 *control board, any person is engaged in such an act or practice, the*
26 *control officer may request that the district attorney of the county in*
27 *which the criminal offense is alleged to have occurred institute by*
28 *indictment or information a criminal prosecution of the person.*

29 **Sec. 3.** NRS 445B.500 is hereby amended to read as follows:

30 445B.500 1. Except as otherwise provided in this section and in NRS
31 445B.310:

32 (a) The district board of health, county board of health or board of
33 county commissioners in each county whose population is 100,000 or more
34 shall establish a program for the control of air pollution and administer the
35 program within its jurisdiction unless superseded.

36 (b) The program must:

37 (1) Include standards for the control of emissions, emergency
38 procedures and variance procedures established by ordinance or local
39 regulation which are equivalent to or stricter than those established by
40 statute or state regulation; and

41 (2) Provide for adequate administration, enforcement, financing and
42 staff.

43 (c) The district board of health, county board of health or board of
44 county commissioners is designated as the air pollution control agency of
45 the county for the purposes of NRS 445B.100 to 445B.640, inclusive, and
46 the federal act insofar as it pertains to local programs, and that agency is
47 authorized to take all action necessary to secure for the county the benefits
48 of the federal act.

* S B 5 3 3 R 1 *

1 (d) Powers and responsibilities provided for in NRS 445B.210,
2 445B.240 to ~~445B.450,~~ 445B.470, inclusive, 445B.560, 445B.570,
3 445B.580 and 445B.640 are binding upon and inure to the benefit of local
4 air pollution control authorities within their jurisdiction.

5 2. The local air pollution control board shall carry out all provisions of
6 NRS 445B.215 with the exception that notices of public hearings must be
7 given in any newspaper, qualified pursuant to the provisions of chapter 238
8 of NRS, once a week for 3 weeks. The notice must specify with
9 particularity the reasons for the proposed regulations and provide other
10 informative details. NRS 445B.215 does not apply to the adoption of
11 existing regulations upon transfer of authority as provided in NRS
12 445B.610.

13 3. In a county whose population is 400,000 or more, the local air
14 pollution control board may delegate to an independent hearing officer or
15 hearing board its authority to determine violations and levy administrative
16 penalties for violations of the provisions of NRS 445B.100 to 445B.450,
17 inclusive, and 445B.500 to 445B.640, inclusive, or any regulation adopted
18 pursuant to those sections. If such a delegation is made, 17.5 percent of any
19 penalty collected must be deposited in the county treasury in an account to
20 be administered by the local air pollution control board to a maximum of
21 \$17,500 per year. The money in the account may only be used to defray the
22 administrative expenses incurred by the local air pollution control board in
23 enforcing the provisions of NRS 445B.100 to 445B.640, inclusive. The
24 remainder of the penalty must be deposited in the county school district
25 fund of the county where the violation occurred.

26 4. Any county whose population is less than 100,000 or any city may
27 meet the requirements of this section for administration and enforcement
28 through cooperative or interlocal agreement with one or more other
29 counties, or through agreement with the state, or may establish its own
30 program for the control of air pollution. If the county establishes such a
31 program, it is subject to the approval of the commission.

32 5. No district board of health, county board of health or board of
33 county commissioners may adopt any regulation or establish a compliance
34 schedule, variance order or other enforcement action relating to the control
35 of emissions from plants which generate electricity by using steam
36 produced by the burning of fossil fuel.

37 6. For the purposes of this section, "plants which generate electricity
38 by using steam produced by the burning of fossil fuel" means plants that
39 burn fossil fuels in a boiler to produce steam for the production of
40 electricity. The term does not include any plant which uses technology for
41 a simple or combined cycle combustion turbine, regardless of whether the
42 plant includes duct burners.

43 **Sec. 4.** This act becomes effective on July 1, 2001.
