Proposed Amendments to AB 206
Proposed by Assemblywoman Peggy Pierce

1. Amend section 1, page 2, line 13, by adding the following sentence:
"The total amount of allowable deduction includes any permanent partial disability compensation deducted from the employee's temporary total disability compensation, or any other compensation."
2. Amend section 1, page 2, line 36, to read:
"single payment pursuant to the employee's request or by a reduction of the compensation for the"
3. Amend section 1, page 2, by bracketing and striking lines 38 through 43 to **delete** the current language in paragraph (a). Also, adjust line 44 in paragraph (b) to **delete** "If the employee received a minimum lump sum,". (The purpose of this amendment is to reverse the ruling in Miller vs. SIIS, 112 Nev. 1112 (1996) which allows the insurer to recapture the value, rather than the actual amount, of the prior lump sum PPD because of the use of the phrase "an amount equal to the monthly installment rate for awards for PPD...".)
4. Amend section 1, page 3, by changing lines 7 and 8 to read:
"the lump sum less all deductions made to date from the lump sum amount paid the employee."
5. Require any insurer who has an outstanding repayment schedule pursuant to subsection 4 of NRS 616C.440 to recalculate the amount to be recovered to remove the interest.
