Room 4B868
Washington, DC 20301-2900

Dear Doctor Crouch:

As the Homeland Security Advisor for the State of Nevada, I am concerned about the public safety of the citizens of the State of Nevada. I request the Department of Defense's position on its policy toward protecting our country and the State of Nevada from ballistic missile attack. I would furthermore request a non-classified threat assessment and the current status in progress for missile defense.

Sincerely,
