SUBMITTED BY: Assemblywoman Dawn Gibbons

3. Except as otherwise provided in subsection 5, the  
4 mandatory paid leave described in subsection 2 must not be  
5 counted against any annual vacation time, compensatory time or  
6 sick leave time that a public officer or employee has accrued.  
7 4. To be eligible for the mandatory paid leave described in  
8 subsection 2, a public officer or employee must provide to his  
9 administrator of a hospital, signed statement from a physician or from the  
10 bone marrow or all or part of one of his organs, or is scheduled to  
11 make such a donation; and  
12 (b) The particulars of the officer's or employee's donation,  
13 including, without limitation:  
14 (1) The date on which and the time at which the donation  
15 took place or is scheduled to take place; and  
16 (2) The name of the medical facility at which the donation  
17 took place or is scheduled to take place; and  
18 (3) The name of the physician who harvested or is  
19 scheduled to harvest the officer's or employee's bone marrow or  
20 whole or partial organ.

5. If a public officer or employee obtains paid leave pursuant  
6 to this section but does not ultimately make the donation for which  
7 the leave was granted, the employer of the public officer or  
8 employee may require the public officer or employee to reimburse  
9 the employer accordingly, either through the payment of money or  
10 the exchange of another type of paid leave that the public officer  
11 or employee has accrued.

6. No part of this section prohibits an employer, after a public  
7 officer or employee has exhausted the mandatory paid leave  
8 described in subsection 2, from allowing the public officer or  
9 employee to:  
10 (a) Take unpaid leave;  
11 (b) Use annual vacation time, compensatory time or sick leave  
12 time; or

13 (c) Both (a) and (b),  
14 if the employer reasonably believes that the public officer or  
15 employee requires an additional period of relief from his duties to  
16 recuperate from the donation of bone marrow or all or part of one  
17 of his organs.  
18 7. No period in which a public officer or employee is absent  
19 from work to donate bone marrow or all or part of one of his  
20 organs, or to recuperate from such a donation, whether the period  
21 of absence is paid or unpaid, may be used as the basis for:  
22 (a) Reducing the officer's or employee's benefits or seniority;

23 or

1 (b) Terminating the officer's or employee's position.  
2 8. As used in this section:  
3 (a) "Bone marrow" means the soft material that fills hu  
4 bone cavities.  
5 (b) "Organ" means a vascularized human organ, all or p  
6 which is capable of being transplanted from a living human t  
7 to a living human recipient, including, without limitation:  
8 (1) An organ such as a kidney, all of one of whi  
9 capable of being transplanted from a living human donor  
10 living human recipient; and  
11 (2) An organ such as a liver, lung or pancreas, only p  
12 which is capable of being transplanted from a living human t  
13 to a living human recipient.

14 (c) "Vascularized human organ" means a human organ  
15 requires the continuous circulation of blood to remain usefi  
16 purposes of transplantation.
