Hello!

I am writing to tell you all how excited I am about your plans to bring a Triple-A team to Reno. I am a lifelong Reno/Sparks resident and baseball is my all-time favorite pastime and passion. I believe that bringing a Triple-A team to the region is the best way to have a successful franchise in this community. The allure of a Triple-A stadium and the caliber of players passing through are surefire ways to get the community behind your organization. I have spent considerable time in North Carolina experiencing the unique following of baseball in the South Atlantic and Carolina Leagues and am thrilled with the potential of having better caliber baseball in my home town.

I am writing because I would absolutely love to be a part of your organization. I am the client services director at a local advertising agency, my background is in advertising and marketing and I would welcome the chance to help create the drum roll for Sierra Nevada Baseball in this community. If you are in need of another pathetically devoted baseball student and fan to help with your organization I would be interested in anything I can do.

Best,

Brandi A [REDACTED]
