**Good Morning Mr. Chairman and members of the committee.**  
**For the record, my name is Sarah Ragsdale and I am the**  
**President of Carson High School's Teens Against Tobacco Use**  
**program. We have 35 teens in our Carson City chapter, but we**  
**are here representing the more than 600 peer educators**  
**statewide. Our roll as T.A.T.U. teens is to inform elementary**  
**school children about the dangers of second hand smoke and**  
**tobacco use.**

**One of our teaching tools is the chemical bucket. It**  
**contains a few of the more than 4000 chemicals and 43 known**  
**carcinogens that are found in second hand smoke. This visual**  
**aide helps us demonstrate what we all inhale when we walk into**  
**a smoke filled room.**

**On behalf of the more than 10,000 elementary school**  
**students we have reached this year, we fully support Assembly**  
**Bill 96 to keep our kids safe from second hand smoke.**
