Re: AB365

Dear Chairperson Anderson and Members of the Committee:

I regret that I am unable to personally attend Tuesday morning's hearing on AB365; however, I believe that the changes as set forth in AB365 are an improvement to the guardianship statutes. I hope that you, as members of the Assembly Judiciary Committee, understand and see the need for these proposed changes and will assist in the passage of AB365.

I appreciate your cooperation in this very important effort of change and reform. Thank you for your consideration of my concerns.

Sincerely,

A handwritten signature of Philip H. Dunleavy in dark ink, written over a printed name and title.
