AB 287 Amendment
Nevada Division of State Parks

Sec. 2. 1. The Administrator, subject to the approval of the Director, may charge and collect from each grant recipient a fee one time per grant award for administering the federal grants provided to the State of Nevada and its political subdivisions for the planning, acquisition or development of outdoor recreational projects pursuant to the Land and Water Conservation Fund established by 16 U.S.C. § 4601-5 to the extent that such a fee does not violate the terms of such a federal grant.

2. If a fee is charged pursuant to subsection 1, the fee must be charged in an amount that is based on the direct costs attributed to one grants administrator and associated travel, services, supplies and equipment.

3. Notwithstanding any other specific provision to the contrary, if a fee is charged to the Division pursuant to subsection 1, the fee may be paid from money received by the Division for the planning, acquisition or development of outdoor recreational projects regardless of the source of the money to the extent that such payment of the fee does not violate the terms of any federal grant awarded to the State of Nevada.

Sec. 3. 1. Any money the Administrator receives pursuant to section 2 of this act:

(a) Must be deposited in the State Treasury and accounted for separately in the State General Fund;

(b) Does not revert to the State General Fund at the end of any fiscal year; and

(c) May be used by the Administrator only to pay the costs of administering the federal grants provided for the planning, acquisition or development of outdoor recreational projects pursuant to the Land and Water Conservation Fund established by 16 U.S.C. § 4601-5. The costs of administering those federal grants include, without limitation, costs for salaries, travel expenses and per diem allowances of personnel whose duties are to administer the federal grants.

2. Any interest or income earned on the money in the account, after deducting applicable charges, must be credited to the account. Any claims against the account must be paid in the manner that other claims against the State are paid.
