Proposed Amendment to SJR 10
Submitted by Assemblywoman Peggy Pierce

Goal:

To emphasize the importance of public participation in this process of planning a consolidation of these public and private lands; to emphasize that applicable federal laws should be adhered to; and to emphasize that it is the concept of consolidation that is being legislatively supported, not any particular plan.

Suggested Language:

(1) Amend the preamble of the resolution, page 2, between lines 26 and 27, by inserting:

WHEREAS, The changes to be made in this proposed consolidation of public and private lands will greatly affect the residents of Nevada and the interests of the State as a whole and, therefore, necessitate full public participation and consultation during the remaining planning process; and

(2) Amend the resolution, page 2, line 38, before "consolidation" by inserting "concept of".

3) Amend the resolution, page 2, between lines 41 and 42, by inserting:

RESOLVED, That all aspects of the process to develop a final plan for the proposed consolidation of public and private lands should occur, after compliance with all applicable Federal environmental laws, including but not limited to the National Environmental Protection Act; and be it further
