MEMORANDUM

JAN 24 2003

DATE: January 23, 2003  
TO: Members of the Legislative Commission's Budget Subcommittee  
FROM: Carol M. Stonefield, Senior Research Analyst  
Research Division  
SUBJECT: Millennium Scholarship Program and University and Community College  
System of Nevada Students Enrolled in Remediation Courses

Questions arose at the University and Community College System of Nevada (UCCSN) budget presentation earlier today regarding the number of Nevadans participating in the Millennium Scholarship Program. Other questions concerned the number of recent high school graduates who enroll in remedial courses as freshmen students at the UCCSN institutions.

Senator Barbara K. Cegavske asked that the enclosed tables containing that information be distributed to all members of the Legislative Commission's Budget Subcommittee. These pages will be included later in the 2003 Nevada Education Data Book, compiled by the Research Division of the Legislative Counsel Bureau.
