What is important to Kristina

1. Work – I work for event services as a security guard– the supports I receive from SRC is job coaching. I depend on these supports to keep my job.
2. I receive supported living services. 1:1 training to stay independent- I have lived on my own for three years.
3. I am the boss for the supports I receive- that means I say what things I need help with. That also means I choose who helps me. I choose my own doctors and staff.
4. SRC helped me become my own guardian.
5. SRC provides me with a counselor-
6. If I did not have help from SRC- I might end up in the hospital and I might have to live at home or in a group home on grounds (institution).
