Good Morning Legislatures

My name is Elizabeth Millett

I am a consumer

I would like to talk about how the budget affects me.

I will no longer be able to see the Doctor except in crisis..

Bus passes are no longer available so I will not be able to use the Mental Health facilities.

Art class is unable to get supplies – this is very important in my recovery.

I beg you to support the budget 100 %
This concludes my testimony
