**PROPOSED AMENDMENT
FOR
SENATE BILL 488**

**Senator Dean A. Rhoads
April 2, 2003**

Add a section to Senate Bill 488 substantively as follows:

Appropriate from the State General Fund to the Legislative Committee on Public Lands the sum of \$150,000 to contract with a qualified engineering firm to conduct an engineering, geotechnical study of the feasibility of renovating or constructing a dam at the Bishop Creek Dam Site in Elko County.

Provide that the money may not be expended until:

1. The study authorized in Section 1 of the bill has been completed and provided to the Legislative Committee on Public Lands and the Committee has made a finding that the project is feasible based upon the analyses outlined in Section 1; and
2. Expenditure of the money has been approved by the Legislature's Interim Finance Committee.
