SB 236

Proposed Amendments

City of Henderson

3/12/2003

In order to provide consistency with existing statutes:

- Amend the title, in the third line, by deleting "500" and in the fourth line, by deleting "yards" and inserting "1500 feet".
- Amend section 1, page 3, line 7, by deleting "**500 yards**" and inserting "**1500 feet**".

In order to clarify "public places," amend section 1, page 3, line 10, by deleting "**(c) Any other public place at which children normally congregate**" by amending it to read:

"(c) Any other place determined by the governing body to be a public place where children typically congregate, such as, but not limited to: recreation centers, churches, boys and girls clubs, daycare centers, libraries."
