72nd REGULAR SESSION
OF THE NEVADA STATE LEGISLATURE

ASSEMBLY BILL 311
(First Reprint)

Topic

Assembly Bill 311 revises the participation of homeschooled children in school activities.

Summary

This measure requires that school districts allow homeschooled children to participate in interscholastic activities and events in accordance with rules adopted by the Nevada Interscholastic Activities Association (NIAA). The Association must consult homeschool advisory councils about regulations that affect such participation. The bill prohibits a private school or public school district from prescribing more restrictive rules for homeschooled children than the NIAA prescribes.

Effective Date

This measure is effective on July 1, 2003.

33 Sec. 7. NRS 386.580 is hereby amended to read as follows:

34 386.580 1. An application for enrollment in a charter school
35 may be submitted to the governing body of the charter school by the
36 parent or legal guardian of any child who resides in this state.
37 Except as otherwise provided in this subsection, a charter school
38 shall enroll pupils who are eligible for enrollment in the order in
39 which the applications are received. If the board of trustees of the
40 school district in which the charter school is located has established
41 zones of attendance pursuant to NRS 388.040, the charter school
42 shall, if practicable, ensure that the racial composition of pupils
43 enrolled in the charter school does not differ by more than 10
44 percent from the racial composition of pupils who attend public
45 schools in the zone in which the charter school is located. If more

1 pupils who are eligible for enrollment apply for enrollment in the
2 charter school than the number of spaces which are available,
3 the charter school shall determine which applicants to enroll on the
4 basis of a lottery system.

5 2. Except as otherwise provided in subsection 6, a charter
6 school shall not accept applications for enrollment in the charter
7 school or otherwise discriminate based on the:

- 8 (a) Race;
- 9 (b) Gender;
- 10 (c) Religion;
- 11 (d) Ethnicity; or
- 12 (e) Disability,

13 of a pupil.

14 3. If the governing body of a charter school determines that the
15 charter school is unable to provide an appropriate special education
16 program and related services for a particular disability of a pupil
17 who is enrolled in the charter school, the governing body may
18 request that the board of trustees of the school district of the county
19 in which the pupil resides transfer that pupil to an appropriate
20 school.

21 4. Except as otherwise provided in this subsection, upon the
22 request of a parent or legal guardian of a child who is enrolled in a
23 public school of a school district or a private school, or ~~who~~
24 ~~receives instruction at home,~~ *a parent or legal guardian of a*
25 *homeschooled child*, the governing body of the charter school shall

42 approval for a child to participate in a class or extracurricular

44 body determines that the child has failed to comply with applicable
45 statutes, or applicable rules and regulations. If the governing body

1 so revokes its approval, neither the governing body nor the charter
2 school is liable for any damages relating to the denial of services to
3 the child.

4 6. This section does not preclude the formation of a charter
5 school that is dedicated to provide educational services exclusively
6 to pupils:

7 (a) With disabilities;

8 (b) Who pose such severe disciplinary problems that they
9 warrant an educational program specifically designed to serve a
10 single gender and emphasize personal responsibility and
11 rehabilitation; or

12 (c) Who are at risk.

13 If more eligible pupils apply for enrollment in such a charter school
14 than the number of spaces which are available, the charter school
15 shall determine which applicants to enroll on the basis of a lottery
16 system.

17 Sec. 8. NRS 392.070 is hereby amended to read as follows:

18 392.070 1. Attendance required by the provisions of NRS

24 2. The board of trustees of each school district shall provide
25 programs of special education and related services for
26 *homeschooled* children. ~~{who are exempt from compulsory~~
27 ~~attendance pursuant to subsection 1 and receive instruction at~~
28 ~~home.}~~ The programs of special education and related services

31 in programs of special education and related services pursuant to
32 NRS 388.440 to 388.520, inclusive;

33 (b) In the same manner that the board of trustees provides, as
34 required by 20 U.S.C. § 1412, for the participation of pupils with
35 disabilities who are enrolled in private schools within the school
36 district voluntarily by their parents or legal guardians; and

37 (c) In accordance with the same requirements set forth in 20
38 U.S.C. § 1412 which relate to the participation of pupils with
39 disabilities who are enrolled in private schools within the school
40 district voluntarily by their parents or legal guardians.

41 3. Except as otherwise provided in subsection 2 for programs
42 of special education and related services, upon the request of a
43 parent or legal guardian of a child who is enrolled in a private
44 school or ~~{who receives instruction at home,}~~ *a parent or legal*
45 *guardian of a homeschooled child*, the board of trustees of the

1 school district in which the child resides shall authorize the child to
2 participate in a class that is not available to the child at the private
3 school or home school or participate in an extracurricular activity,
4 excluding sports, at a public school within the school district if:

5 (a) Space for the child in the class or extracurricular activity is
6 available; and

7 (b) The parent or legal guardian demonstrates to the satisfaction
8 of the board of trustees that the child is qualified to participate in the
9 class or extracurricular activity.

10 If the board of trustees of a school district authorizes a child to
11 participate in a class or extracurricular activity, excluding sports,
12 pursuant to this subsection, the board of trustees is not required to
13 provide transportation for the child to attend the class or activity. *A*
14 *homeschooled child must be allowed to participate in*
15 *interscholastic activities and events pursuant to NRS 386.420 to*
16 *386.470, inclusive, and sections 3, 4 and 5 of this act.*

17 4. The board of trustees of a school district may revoke its
18 approval for a pupil to participate in a class or extracurricular
19 activity at a public school pursuant to subsection 3 if the board of
20 trustees or the public school determines that the pupil has failed to
21 comply with applicable statutes, or applicable rules and regulations
22 of the board of trustees. If the board of trustees revokes its approval,
23 neither the board of trustees nor the public school are liable for any
24 damages relating to the denial of services to the pupil.

25 5. The programs of special education and related services
26 required by subsection 2 may be offered at a public school or
27 another location that is appropriate.

28 6. The Department may adopt such regulations as are necessary
29 for the boards of trustees of school districts to provide the programs
30 of special education and related services required by subsection 2.

31 7. As used in this section, "related services" has the meaning
32 ascribed to it in 20 U.S.C. § 1401(22).

33 Sec. 9. This act becomes effective on July 1, 2003.
