**EXPLANATION OF S.B. 107**  
(Prepared by the Legal Division)

This bill eliminates the limitation on time for a city or county to authorize the imposition of administrative assessments for court facilities.

**Section 1** of the bill amends NRS 176.0611 which allows a city or county to authorize the justices and judges of the justices' and municipal courts to impose a \$10 administrative assessment for the provision of court facilities on a defendant who pleads or is found guilty of a misdemeanor. This administrative assessment is to be used for maintenance and construction of court facilities, including repayment of any bond relating to court facilities. Currently, subsection 1 of NRS 176.0611 provides that this authorization sunsets after 25 years. This bill eliminates that sunset provision.

**Section 2** makes the bill effective upon passage and approval.
