463.0195 **“Temporarily ~~{work permit}~~ registered as a gaming employee” means ~~{a work permit which is valid only for a period not to exceed 90 days from its date of issue and is not renewable}~~ authorized to be employed as a gaming employee in this state or serve as an independent agent from the date of submitting an application for registration or renewal of registration for a period not to exceed 120 days following receipt of a complete application by the Board, including classifiable fingerprints, unless otherwise suspended”.**

{NRS 463.0195 is now being amended as opposed to repealed.}

[End]

Substantive Amendments to SB 432

Revisions to Language of Bill as Introduced

I.

Amend section 7, page 4, line 27, after “**Board.**” by inserting:

“The application for registration and change of employment notice *must* be filed through the licensee for whom the applicant will commence or continue working as a gaming employee, *unless filed directly with the Board as prescribed by regulation of the Commission* ”.

Rationale: The addition of this sentence will allow the Commission to adopt regulations, if appropriate, that permit electronic filing and/or direct filing by the individual applicants. (NOTE: Deleted sentence at page 4, lines 20 through 22.)

II.

Amend section 7, pages 4 and 5, by deleting lines 41 through 44 on page 4 lines 1 through 12 on page 5, and inserting:

“5. A *complete* application for registration or renewal of registration as a gaming employee, as provided in subsection 9, or a change of employment notice received by a licensee shall be mailed to the Board within 1 business day of receipt.”

Rationale: This subsection has been rewritten in its entirety. By simply referencing subsection 9 which sets forth what constitutes a “*complete*” application, the language in subsection 5(b) has been eliminated, thus, avoiding duplicity but still preserving the intent of this subsection.

III.

Amend section 7, page 6, line 4, by deleting “An” and inserting “**Except as otherwise prescribed by regulation of the Commission, an**”.

Rationale: Once again, this will allow the Commission to adopt regulations, if appropriate, that permit electronic filing and/or direct filing by the individual applicants. (NOTE: Deleted “, unless such application for registration or renewal is filed with the Board as prescribed by regulation of the Commission” at page 6, lines 8 through 10.)

IV.

Amend section 7, page 7, by deleting lines 4 through 6.

Rationale: The provisions of this Bill are being addressed in another Bill.

V.

Amend section 7, page 7, line 11, after "or" by inserting:

"unless otherwise prescribed by regulation of the Commission";
(d) A completed statement as prescribed in NRS 439.3351. If the Board determines after receipt of an application that the application is incomplete, the Board may suspend the temporary registration of the employee of the applicant who filed such incomplete application. The temporary registration is suspended until such time as he files a complete application.

Rationale: (1) The addition of the language "unless otherwise prescribed by regulation of the Commission" will provide the Commission with flexibility to adopt regulations that would enable law enforcement agencies (including the Board) to collect that portion of the fee prescribed in subsection 6 that is payable to the central repository and the FBI when fingerprints are submitted electronically to those agencies.

(2) New subsection (d) was added to the definition of "completed" application in order to ensure compliance with the child support regulations that are found in NRS 463.3351 (see Section 8 of this Bill).

(3) The remaining new language will give the Board discretion to suspend a person's "temporary" registration for a period of time at its discretion.

VI.

Amend section 24, page 20, by inserting a new subsection:

"4. Sections 7 to 14, inclusive, and 20 to 23, inclusive, shall not become effective on January 1, 2004."

Rationale: Postpone the effective date to provide the Commission time to adopt the necessary regulations to implement the registration program.
