Dear Ms/Sir:

First I would like to say Thank You for this program, and let you know how much it has helped my family.

Robert (my son) had a car accident, and has not been able to do alot for himself since.

His Personal Attendant helps him with all his personal care, bath, shaving, dressing and makes his food for breakfast, keeps his bath and room presentable.

Robert Has a special walker and with his attendant's help, he is able to walk every morning and get some exercise.

I really don't know what I would do without this program. I am alone and all of Robert's care would fall on me to do, and at my age I don't think I could do it, plus Robert would not be comfortable with his Mother helping him with his bath.

Thank you again for this service and please do not stop this program, think about what would happen to all the people that this program helps.

Sincerely,

Edie Jones
