RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to Bob Tallman.

Assemblyman Marvel moved the adoption of the resolution.

Remarks by Assemblymen Marvel, Angle, and Ocegüera.

Assemblyman Marvel requested that the following remarks be entered in the Journal.

ASSEMBLYMAN MARVEL:

Thank you, Mr. Speaker. It is a pleasure for me today to be here to present this resolution to Bob Tallman. As the resolution states, Bob is the voice of rodeo, but he is also the voice of the state of Nevada. He has traveled extensively in just about every state in the Union. He has been overseas. He has been to Australia. Every place he goes he promotes Nevada, so I would call him, perhaps, one of the foremost ambassadors we have ever had in the state of Nevada.

As you know, Bob is the first Nevadan inducted into the Cowboy Hall of Fame, and it is just a little bit more prestigious than what we have here in the Assembly.

Bob has announced at every major, national, or final rodeo from high school rodeo to the wrangler's rodeo in Las Vegas. He has been down there 18 times. I think most of the people in Las Vegas have been to the National Finals Rodeo. He has been 28 years at the Reno Rodeo, which is quite a record, I would say, and he keeps coming back. As a matter of fact, I think my colleague from Fallon had his first start announcing rodeos in Fallon.

Bob has done more than just being a rodeo announcer and raiser of great bucking bulls. He has raised over \$300,000 for a cancer pediatrics center at the Anderson Hospital in Houston, Texas. Plus, he has kept a fund for any contestant who has been injured in a rodeo.

They say that Bob is the first true Nevadan who has been elected to the Cowboy Hall of Fame. I heard the other day that my nephew, Joe Marvel, will be inducted in July of this year.

Bob, at one time, had radio station programs. They tell me that Bob was, probably, only second to Paul Harvey in his audience. I think that was quite an achievement in itself. I just can't elaborate enough on what Bob has done for rodeo, the state of Nevada, the children of the state of Nevada, and, you might say, for the nation.

It is such a pleasure having him here today. He is so well recognized that Governor Guinn had a proclamation declaring a Bob Tallman Day; Dallas, Texas, had a Bob Tallman Day; and we even had one in the city of Winnemucca. Bob, you have made us proud in Nevada and you have made us proud in Winnemucca. It is a great pleasure having you with us today. It is sad that Bob's mother and dad couldn't be here today. His dad is not in real good health, but John and Irene Tallman are very good friends of mine. I think his wife, Chris, is probably raising bulls in Texas today. She is taking care of the ranch. He just recently had his daughter, Nicole, married

off. For some of you old-timers, you might remember his grandfather. He was an Assemblyman in 1936 and 1938, then was elected to the Senate in 1940, and served in that capacity until 1952. I think he was the Lieutenant Governor at that time. He had quite a commendable record while he served in the Legislature.

I have sitting here with me David and Sue Abel from Elko, Lee and Tracy Smith, and we have members of the Reno Rodeo Association. Would you all stand up, please? It is great to have you with us. Without further ado, I would like to make this presentation to Bob on behalf of the Assembly. It is a pleasure having you with us today. Congratulations.

ASSEMBLYWOMAN ANGLE:

Thank you, Mr. Speaker. I want to rise in support of ACR 18, having lived 11 years in Winnemucca. Bobby Tallman was a hero for our children there, and I want to thank you, Bobby Tallman, for putting Nevada on the map, Winnemucca especially, and for being a role model for our children.

ASSEMBLYMAN OCEGUERA:

Thank you, Mr. Speaker. It is kind of funny. I have been going to the National Finals Rodeo since 1991, and one year I was riding along in a car going to the awards ceremony at the Gold Coast, and Bob Tallman pulled up beside me with Boyd. He looked over and I was with riding with a young lady friend. I had a cold Coors Light, believe it or not, in my hand. I was in the passenger seat, of course. Bob pulled me up on stage at the Gold Coast later and he said, "Look at this, this young kid from Fallon is elected to the Nevada Legislature, has a pretty blond, and a cold Coors Light. It doesn't get much better than that." I couldn't believe it.

Bob, congratulations. It is wonderful to see you here. You have done so many wonderful things for the state. I appreciate it.

Resolution adopted.

Assemblyman Marvel moved that all rules be suspended and that Assembly Concurrent Resolution No. 18 be immediately transmitted to the Senate.

Motion carried unanimously.

By Assemblymen Parnell, Allen, Anderson, Angle, Arberry, Atkinson, Buckley, Carpenter, Christensen, Claborn, Conklin, Denis, Gansert, Gerhardt, Giunchigliani, Goicoechea, Grady, Hardy, Hettrick, Hogan, Holcomb, Horne, Kirkpatrick, Koivisto, Leslie, Mabey, Manendo, Marvel, McClain, McCleary, Mortenson, Munford, Ocegura, Ohrenschall, Parks, Perkins, Pierce, Seale, Sherer, Sibley, Smith, and Weber; Senators Horsford, Amodei, Beers, Care, Carlton, Cegavske, Coffin, Hardy, Heck, Lee, Mathews, McGinness, Nolan, Raggio, Rhoads, Schneider, Tiffany, Titus, Townsend, Washington, and Wiener:

Assembly Concurrent Resolution No. 19—Recognizing the value of and the need for the study of the arts in public education.

WHEREAS, The study of the arts in public education stimulates the school setting and enhances the morale of pupils, as well as the quality of the school environment; and

WHEREAS, Because studies indicate that there is a direct correlation between the study of the arts and aptitude in math and science, and because pupils tend to understand history and culture better through the study of the arts, arts education promotes the academic curriculum in a meaningful way; and

WHEREAS, The study of the arts also develops the personal confidence of pupils as they acquire skills by participating in concerts, musical productions and plays, by writing books and poems, and by participating in other cultural events, such as art shows and photography exhibits; and

WHEREAS, It has been recognized that the study of the arts can expand the horizons of even very young children and often leads to a lifelong thirst for knowledge of other cultures, other countries and other philosophies; and

WHEREAS, Organizations such as the Chicago Arts Partnerships in Education have proven that the study of the arts contributes to the overall development of young people in a powerful way by teaching them creativity, teamwork, discipline, self-expression, critical thinking, problem solving, understanding of others as well as other skills; and

WHEREAS, Studies in Chicago and Minneapolis have proven that test scores rise dramatically in schools that integrate the arts into the curriculum, with the greatest impact on disadvantaged learners; and

WHEREAS, In recent years, many public school districts have drastically reduced budgets for arts education in an effort to save money, which fails to acknowledge the important role of the study of the arts in developing in children a passion for learning; and

WHEREAS, For many children, the only opportunity to learn about the arts is through school programs; and

WHEREAS, Studies have shown that the integration of the arts into the school curriculum also energizes and challenges teachers, providing opportunities for rewarding professional developmental experiences; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That the members of the Nevada Legislature believe that it is vital for every pupil in the public schools in this State to have the opportunity to study the arts; and be it further

RESOLVED, That it is important to recognize the benefits of the study of the arts in public education for pupils and for our society in general and to encourage a coalition of educators, artists, parents, children and community members to create a network to support the study of the arts; and be it further

RESOLVED, That the members of the 73rd Session of the Nevada Legislature recognize and support the efforts of all those who encourage the study of the arts in public education.

3. The board of trustees of a school district or the governing body of a charter school may submit an application to the Department of Education for a grant of money from the appropriation made by subsection 1 on a form provided by the Department.

4. Upon receipt of such an application, the Department of Education shall review the application to determine whether it is complete and meets the criteria established pursuant to paragraph (b) of subsection 2 and provide a grant of money to the board of trustees of the school district or the governing body of the charter school, as applicable.

5. The board of trustees of a school district or the governing body of a charter school that receives a grant of money pursuant to subsection 4 shall:

(a) Use the money to establish an advisory technical skills committee and to establish and maintain a program of career and technical education; and

6. The Department of Education shall compile the reports received pursuant to paragraph (b) of subsection 5 and submit the compilation to the Director of the Legislative Counsel Bureau for transmission to the 74th Session of the Legislature.

7. Any remaining balance of the appropriation made by subsection 1 must not be committed for expenditure after June 30, 2007, and must be reverted to the State General Fund on or before September 21, 2007.

(b) Determine the number of pupils enrolled in each career and technical high school, identified by school district.

(c) Determine the success of each career and technical high school in this State, including, without limitation, a determination of whether each career and technical high school operated by a school district increases within the school district:

(1) The graduation rate from high school; and

(2) The percentage of pupils who remain enrolled in high school.

(d) Identify effective practices carried out by school districts regarding the development, enrollment and operation of career and technical high schools and the feasibility of carrying out those practices statewide.

(e) Identify the need, if any, for expanding the availability of career and technical high schools in this State.

3. The subcommittee appointed pursuant to subsection 1 shall submit a report of its findings and any recommendations for legislation to the Legislative Committee on Education on or before August 1, 2006. The Legislative Committee on Education shall consider the recommendations of the subcommittee and on or before February 1, 2007, submit the report of the subcommittee to the Director of the Legislative Counsel Bureau for transmission to the 74th Session of the Nevada Legislature.

Sec. 24. The Department of Education shall develop and carry out a public awareness campaign that is designed to increase the public's awareness and knowledge of the availability and success of career and technical high schools within this State."
