Chairman Perkins:

[Meeting called to order.] We are still awaiting some information. There is not much to present at this moment, and rather than cancel everything and repost, in consultation with Senator McGinness, we feel it is an urgent enough issue that we are going to recess the Joint Committee subject to the call of the Chair. At a moment's notice, if we have the information in hand, we can get together. That can be this evening or early in the morning. Therefore, this Committee will stand recessed [at 3:39 p.m.].
