**AN ACT** relating to educational personnel; revising provisions governing the appointment of a hearing officer in cases involving the demotion, dismissal or refusal to reemploy licensed educational personnel and in cases involving the suspension or revocation of an educational license; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Existing law prescribes the process for the appointment of hearing officers to  
2 preside over disciplinary proceedings involving licensed school district employees.  
3 Under existing law, the Department of Education must maintain a list of hearing  
4 officers composed of attorneys. The State Board of Education creates the list after  
5 receiving nominations from the State Bar of Nevada and the Nevada Trial Lawyers  
6 Association. (NRS 391.3161)

7 Under certain circumstances, existing law requires hearing officers to be  
8 selected from a list provided by the American Arbitration Association. (NRS  
9 391.3161) A hearing officer must be appointed from the American Arbitration  
10 Association list if the hearing concerns the possible suspension or revocation of a  
11 teacher's license. (NRS 391.322) Hearing officers must attend 4 hours of  
12 instruction in administrative law provided by the Board and are entitled to  
13 compensation for their services. (NRS 391.3161, 391.3192)

14 This bill removes the requirement that hearing officers be appointed from a list  
15 provided by the American Arbitration Association. This bill requires that all  
16 appointments be made by the Hearings Division of the Department of  
17 Administration. Hearing officers appointed by the Hearings Division do not have to  
18 attend instruction provided by the Board and are not entitled to compensation for  
19 their services.

20        This bill also requires the Board to create procedures for challenging the  
21 appointment of a hearing officer.
