AN ACT relating to wildlife; revising provisions governing the
eligibility of a person to apply for a tag to hunt mule deer;
and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Under existing law, in addition to a hunting license, a tag is required for a
2 person to hunt deer, elk, antelope, mountain sheep or bear. (NRS 502.130) Existing
3 law authorizes the Board of Wildlife Commissioners to regulate the manner in
4 which such tags may be obtained and used. (NRS 502.160) Existing law also
5 authorizes the Department of Wildlife to issue deer or antelope tags as
6 compensation for damage caused by those animals on private land. (NRS 502.145)
7 This bill provides that a person who obtains a tag to hunt a mule deer and who
8 is successful in harvesting a mule deer is not eligible to apply for another tag to
9 hunt a mule deer during the year after the year in which he harvests the mule deer.
10 This provision does not apply to a person who applies for the issuance of a tag to
11 hunt deer as compensation for damage caused by deer to the person’s private
12 property.
