AN ACT relating to vehicles; requiring a person whose title to or  
interest in a vehicle is transferred to submit a notice of  
transfer and release of liability to the Department of  
Motor Vehicles under certain circumstances; and  
providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

- 1 Existing law regulates the manner in which a person may transfer title to or an  
2 interest in a vehicle to another person. (NRS 482.399-482.420)  
3 This bill requires a person who transfers title to or an interest in a vehicle to  
4 another person to send a notice of transfer and release of liability to the Department  
5 of Motor Vehicles within 5 days after making such a transfer.  
6 Under existing law, any person who abandons a vehicle is responsible for the  
7 cost of its removal and disposition. A vehicle is presumed to have been abandoned  
8 by the registered owner of the vehicle unless the registered owner proves that he  
9 complied with the laws governing the transfer of title to or an interest in the  
10 vehicle. (NRS 487.220)  
11 Because the new requirement to send a notice of transfer and release of liability  
12 is added to the laws governing the transfer of title to or interest in a vehicle, a

13 person must comply with that notice to rebut the presumption that he abandoned the  
14 vehicle if the abandoned vehicle remains registered to him after he transferred his  
15 title to or interest in the vehicle.
