EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to intoxicating liquor; requiring that certain persons employed at certain establishments where alcoholic beverages are sold must successfully complete a program of training relating to alcoholic beverages; requiring the Department of Taxation to impose administrative fines upon the owners or operators of certain establishments for certain violations; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under local ordinances adopted by certain counties and cities, persons who serve, sell or distribute alcoholic beverages must complete an alcohol awareness training course. (Clark County Code § 8.20.055, Las Vegas Municipal Code § 6.5.520, North Las Vegas Municipal Code § 5.26.520)

This bill requires by state statute that employees of certain establishments which sell alcoholic beverages complete an alcoholic beverage awareness program certified by the Commission on Postsecondary Education. This requirement is phased in over the next several years. This bill requires the owner or operator of such an establishment to ensure that by July 1, 2006, at least one employee who has successfully completed the program is on the premises during the hours that the establishment is open for business. In addition, after January 1, 2008, this bill requires that every employee of such an establishment who sells or serves alcoholic beverages or performs the duties of a security guard must successfully complete an alcoholic beverage awareness program certified by the Commission within 30 days after employment. This bill prohibits any other agency, board, commission, local government or other political subdivision of this State from adopting any additional

17 requirements or standards for the education of persons employed to sell or serve
18 alcoholic beverages at such an establishment. This bill defines an "establishment"
19 subject to the provisions of the bill as a business that sells alcoholic beverages by
20 the drink for consumption on the premises or that sells alcoholic beverages in
21 corked or sealed containers for consumption off the premises. Wholesale liquor
22 distributors and private clubs and other facilities that are not open to the public are
23 not included in the definition.

24 Existing law establishes the authority of county liquor boards and incorporated
25 cities to regulate and license the sale of intoxicating liquor. (NRS 244.350,
26 268.090) Existing law authorizes an incorporated city to fix, impose and collect a
27 license tax on the sale of beer, wines or other alcoholic beverages and requires the
28 Department of Taxation to administer and enforce laws related to the importation
29 and sale of intoxicating liquors. (NRS 268.090, 369.150) Existing law also requires
30 sheriffs and police officers to assist in the enforcement of the licensing and tax laws
31 related to intoxicating liquor. (NRS 369.540)

32 This bill authorizes a county liquor board or incorporated city to deny a license
33 to, or refuse to renew the license of, an owner or operator of an establishment who
34 has willfully violated the provisions of this bill more than three times during any
35 24-month period. The Department of Taxation is also required to impose an
36 administrative fine against an owner or operator for violating the provisions of this
37 bill. This bill further provides that a law enforcement agency whose officer
38 discovers a violation of the provisions of this bill is required to report the violation
39 to the Department of Taxation.
