AN ACT relating to intoxicating liquor; requiring that certain persons employed at certain establishments where alcoholic beverages are sold must successfully complete a program of training relating to alcoholic beverages; requiring the Department of Taxation to impose administrative fines upon the owners or operators of certain establishments for certain violations; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Under local ordinances adopted by certain counties and cities, persons who  
2 serve, sell or distribute alcoholic beverages must complete an alcohol awareness  
3 training course. (Clark County Code § 8.20.055, Las Vegas Municipal Code §  
4 6.5.520, North Las Vegas Municipal Code § 5.26.520)

5 This bill requires by state statute that employees of certain establishments  
6 which sell alcoholic beverages complete an alcoholic beverage awareness program  
7 certified by the Commission on Postsecondary Education. This requirement is  
8 phased in over the next several years and applies only in a jurisdiction that: (1) is  
9 located in a county whose population is 400,000 or more (currently Clark County);  
10 and (2) has established requirements and standards for the education of persons  
11 who sell or serve alcoholic beverages at such an establishment.

12 This bill requires the owner or operator of such an establishment to ensure that  
13 by July 1, 2006, at least one employee who has successfully completed the program  
14 is on the premises during the hours that the establishment is open for business. In  
15 addition, after January 1, 2008, this bill requires that every existing (continuing)  
16 employee of such an establishment who sells or serves alcoholic beverages or

17 performs the duties of a security guard must, on or before January 31, 2008,  
18 successfully complete an alcoholic beverage awareness program certified by the  
19 Commission.

20 In the jurisdictions to which this bill applies, the bill prohibits any other agency,  
21 board, commission, local government or other political subdivision of this State  
22 from adopting any additional requirements or standards for the education of persons  
23 employed to sell or serve alcoholic beverages at such an establishment. This bill  
24 defines an "establishment" subject to the provisions of the bill as a business that  
25 sells alcoholic beverages by the drink for consumption on the premises or that sells  
26 alcoholic beverages in corked or sealed containers for consumption off the  
27 premises. Wholesale liquor distributors and private clubs and other facilities that  
28 are not open to the public are not included in the definition.

29 Existing law establishes the authority of county liquor boards and incorporated  
30 cities to regulate and license the sale of intoxicating liquor. (NRS 244.350,  
31 268.090) Existing law authorizes an incorporated city to fix, impose and collect a  
32 license tax on the sale of beer, wines or other alcoholic beverages and requires the  
33 Department of Taxation to administer and enforce laws related to the importation  
34 and sale of intoxicating liquors. (NRS 268.090, 369.150) Existing law also requires  
35 sheriffs and police officers to assist in the enforcement of the licensing and tax laws  
36 related to intoxicating liquor. (NRS 369.540)

37 This bill authorizes a county liquor board or incorporated city to deny a license  
38 to, or refuse to renew the license of, an owner or operator of an establishment who  
39 has willfully violated the provisions of this bill more than three times during any  
40 24-month period. The Department of Taxation is also required to impose an  
41 administrative fine against an owner or operator for violating the provisions of this  
42 bill. This bill further provides that a law enforcement agency whose officer  
43 discovers a violation of the provisions of this bill is required to report the violation  
44 to the Department of Taxation.
