CHAPTER.....

AN ACT relating to environmental health specialists; defining the practice of environmental health; authorizing the Board of Registered Environmental Health Specialists to employ certain persons; requiring the Chairman of the Board to be elected biennially on or before a certain date; requiring persons who engage in the practice of environmental health to hold a certificate of registration as an environmental health specialist or environmental health specialist trainee; revising the requirements relating to the issuance and renewal of a certificate of registration; authorizing the Board to issue a certificate of registration to certain persons by reciprocity; exempting certain retired persons from the requirements for continuing education; requiring certain application, examination and renewal fees; providing penalties; and providing other matters properly relating thereto.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 625A of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 10, inclusive, of this act.

Sec. 2. *“Board” means the Board of Registered Environmental Health Specialists.*

Sec. 3. *“Certificate of registration” or “certificate” means a certificate of registration as an environmental health specialist or environmental health specialist trainee issued by the Board pursuant to this chapter.*

Sec. 4. 1. *“Environmental health specialist” means a person who is engaged in the practice of environmental health and who holds a certificate of registration as an environmental health specialist issued by the Board pursuant to this chapter.*

2. The term does not include any person who practices in a field excluded from the definition of the “practice of environmental health” pursuant to subsection 2 of section 6 of this act, unless the person holds a certificate of registration as an environmental health specialist issued by the Board pursuant to this chapter.

Sec. 5. *“Environmental health specialist trainee” means a person who is engaged in the practice of environmental health and*

who holds a certificate of registration as an environmental health specialist trainee issued by the Board pursuant to this chapter.

Sec. 6. 1. *“Practice of environmental health” means the use of public health principles in the application of the sanitary sciences, the biological sciences or the physical sciences to investigate, prevent or reduce environmentally acquired disease or illness.*

2. The term does not include practice in the field of:

(a) Environmental health by a person whose primary work is performed by and for the Division of Environmental Protection of the State Department of Conservation and Natural Resources or for an entity whose activities are limited solely to issues relating to air quality;

(b) Industrial hygiene, public education, indoor air quality, health physics, mold assessment or mold remediation;

(c) Cleaning up and disposing of hazardous waste and substances performed by a person who is certified by the State Department of Conservation and Natural Resources pursuant to NRS 459.400 to 459.600, inclusive, and the regulations adopted pursuant thereto, unless the clean up and disposal of the hazardous waste and substances is performed directly by and for a public health agency;

(d) Zoonotic disease ecology or vector-borne disease ecology, or both, when the practice in that field is performed as a specialty;

(e) Mining performed by an employee or contractor of a mining company engaged in mining operations in this State;

(f) Building inspections performed by a person whose primary purpose is to determine compliance with building and safety codes; or

(g) Epidemiological investigations performed by a person whose primary profession or employment is as an epidemiologist or disease investigator.

Sec. 7. 1. *On and after July 1, 2007, a person shall not engage in the practice of environmental health in this State unless the person holds a certificate of registration as an environmental health specialist or an environmental health specialist trainee issued by the Board pursuant to this chapter.*

2. Any person who violates any provision of this section is guilty of a misdemeanor.

Sec. 8. 1. *A person is eligible to engage in the practice of environmental health as an environmental health specialist trainee if the person possesses a baccalaureate or higher degree which includes the satisfactory completion of at least 45 quarter hours, or 30 semester hours, of academic work in basic science courses, including biology, chemistry, physics, geology, sanitary*

engineering or environmental engineering, from an institution of higher education approved by the Board.

2. To engage in the practice of environmental health as an environmental health specialist trainee, a person:

(a) Must be employed as a part of a training program in which the person engages in the practice of environmental health under the direct supervision of one or more other persons who hold certificates of registration as environmental health specialists; and

(b) Must file with the Board an application for a certificate of registration as an environmental health specialist trainee not later than 90 days after the date on which the person initially becomes employed as a part of the training program.

3. Except as otherwise provided in this subsection, the certificate of registration of a person as an environmental health specialist trainee expires 3 years after the date on which the person initially becomes employed as a part of the training program in which the person engages in the practice of environmental health as an environmental health specialist trainee. If, upon completion of the 3-year period, the person has met all requirements to be issued a certificate of registration as an environmental health specialist other than passing the examination required pursuant to NRS 625A.120, the Board may, upon a showing of good cause, grant the person a 1-year extension of the person's certificate of registration as an environmental health specialist trainee before the person must pass the examination. A request for such an extension must be submitted by the person in writing and received by the Board at least 60 days before the date on which the person's certificate of registration as an environmental health specialist trainee expires.

Sec. 9. The Board may employ and fix the compensation to be paid to attorneys, investigators and other professional consultants and clerical personnel necessary to the discharge of its duties and may reimburse those employees for any actual expenses they incur while acting on behalf of the Board. Any reimbursement paid pursuant to this section is in addition to any per diem allowance or travel expenses paid to those employees pursuant to NRS 625A.050.

Sec. 10. The provisions of this chapter do not preclude a person who practices in a field excluded from the definition of the "practice of environmental health" pursuant to subsection 2 of section 6 of this act from being issued a certificate of registration by the Board if the person otherwise meets the requirements for the issuance of the certificate.

Sec. 11. NRS 625A.010 is hereby amended to read as follows:

625A.010 The purpose of registering environmental health specialists *and environmental health specialist trainees* is to

protect the public health and safety and the general welfare of the people of this State. Any certificate *of registration* issued pursuant to this chapter is a revocable privilege, and no holder of such a certificate *of registration* acquires thereby any vested right.

Sec. 12. NRS 625A.020 is hereby amended to read as follows:
