AN ACT relating to environmental health specialists; defining the practice of environmental health; requiring persons who engage in the practice of environmental health to be registered; providing for registration of environmental health specialist trainees; authorizing the Board of Registered Environmental Health Specialists to employ certain persons; requiring the Chairman of the Board to be elected biennially on or before a certain date; requiring the issuance of a basic certificate of registration as an environmental health specialist under certain circumstances; revising the requirements for registration as an environmental health specialist; authorizing the Board to register certain persons by reciprocity; exempting certain retired persons from the requirements for continuing education; requiring an applicant for a certificate of registration as an environmental health specialist trainee or for a basic certificate of registration as an environmental health specialist to pay a fee; providing a penalty; and providing other matters properly relating thereto.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 625A of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 10, inclusive, of this act.

Sec. 2. *“Basic certificate of registration as an environmental health specialist” means a basic certificate of registration issued by the Board pursuant to subsection 2 of NRS 625A.110.*

Sec. 3. *“Board” means the Board of Registered Environmental Health Specialists.*

Sec. 4. *“Environmental health specialist” means a person who is qualified to advocate or recommend the use of sanitary measures for the public benefit by reason of education, practical training and experience determined by the Board to be satisfactory. The term does not include any person who is licensed to engage in the practice of professional engineering pursuant to chapter 625 of NRS.*

Sec. 5. *“Environmental health specialist trainee” means a person who is employed in the practice of environmental health and who meets the requirements of section 8 of this act.*

Sec. 6. 1. *“Practice of environmental health” means the practice of environmental health in the public or private sector and includes, without limitation, organization, management, enforcement, consultation and emergency response to prevent hazards to environmental health and safety, and the promotion and protection of the public health and environment in the following areas:*

- (a) Food protection;*
- (b) Housing;*
- (c) Manufactured housing;*
- (d) Public accommodations;*
- (e) Institutional environmental health;*
- (f) Land use;*
- (g) Community noise control;*
- (h) Recreational swimming areas and waters;*
- (i) Control of electromagnetic radiation;*
- (j) Management of solid, liquid and hazardous materials;*
- (k) Control of underground tanks;*
- (l) On-site septic systems;*
- (m) Vector control for a public health agency;*
- (n) Quality of drinking water;*
- (o) Water sanitation;*
- (p) Emergency preparedness;*
- (q) Bioterrorism; and*

(r) Sanitation of milk and dairy products.

2. The term does not include practice in the field of:

(a) Environmental health by a person whose primary work is performed by and for the Division of Environmental Protection of the State Department of Conservation and Natural Resources or for an entity whose activities are limited solely to issues relating to air quality;

(b) Industrial hygiene, public education, indoor air quality, health physics, mold assessment or mold remediation;

(c) Professional engineering;

(d) Cleaning up and disposing of hazardous waste and substances performed by a person who is certified by the State Department of Conservation and Natural Resources pursuant to NRS 459.400 to 459.600, inclusive, and the regulations adopted pursuant thereto, unless the clean up and disposal of the hazardous waste and substances is performed directly by and for a public health agency;

(e) Zoonotic disease ecology or vector-borne disease ecology, or both, when the practice in that field is performed as a specialty; or

(f) Mining performed by an employee of a mining company engaged in mining operations in this State.

Sec. 7. On and after July 1, 2005, a person shall not engage in the practice of environmental health unless he is registered with the Board as an environmental health specialist or an environmental health specialist trainee, or holds a basic certificate of registration as an environmental health specialist.

Sec. 8. 1. A person may be employed in the practice of environmental health as an environmental health specialist trainee if the person possesses a baccalaureate or higher degree which includes the satisfactory completion of at least 45 quarter hours, or 30 semester hours, of academic work in basic science courses, including biology, chemistry, physics, geology, sanitary engineering or environmental engineering, from an institution of higher education approved by the Board.

2. To engage in the practice of environmental health as an environmental health specialist trainee, a person must:

(a) Register with the Board within 90 days after the date on which he initially becomes employed as an environmental health specialist trainee; and

(b) Be employed as a part of a training program in which the environmental health specialist trainee works in the practice of environmental health under the direct supervision of a person registered as an environmental health specialist.

3. Except as otherwise provided in this subsection, the registration of a person as an environmental health specialist trainee expires 3 years after the date on which the person initially becomes employed in the practice of environmental health as an environmental health specialist trainee. If, upon completion of the 3-year period, the environmental health specialist trainee has met all requirements to be registered as an environmental health specialist other than passing the examination required pursuant to NRS 625A.120, the Board may, upon a showing of good cause, grant a 1-year extension of registration as an environmental health specialist trainee to the environmental health specialist trainee to pass the examination. A request for an extension of registration by an environmental health specialist trainee must be submitted in writing and received by the Board at least 60 days before the date on which his registration as an environmental health specialist trainee expires.

Sec. 9. The Board may employ and fix the compensation to be paid to attorneys, investigators and other professional consultants and clerical personnel necessary to the discharge of its duties and may reimburse those employees for any actual expenses they incur while acting on behalf of the Board. Any reimbursement paid pursuant to this section is in addition to any per diem allowance or travel expenses paid to those employees pursuant to NRS 625A.050.

Sec. 10. The provisions of this chapter do not preclude a person engaged in a field described in subsection 2 of section 6 of this act who otherwise meets the requirements for registration as an environmental health specialist from registering as an environmental health specialist.

Sec. 11. NRS 625A.010 is hereby amended to read as follows:
625A.010 The purpose of registering environmental health specialists, *environmental health specialist trainees and holders of basic certificates of registration as environmental health specialists* is to protect the public health and safety and the general welfare of the people of this State. Any certificate issued pursuant to this chapter is a revocable privilege, and no holder of such a certificate acquires thereby any vested right.

Sec. 12. NRS 625A.020 is hereby amended to read as follows:
625A.020 As used in this chapter, unless the context otherwise requires:

~~1. "Board" means the Board of Registered Environmental Health Specialists.~~

~~2. "Environmental health specialist" means a person who:~~

~~(a) Is qualified to advocate or recommend the use of sanitary measures for the public benefit by reason of education, practical~~

~~training and experience determined by the Board to be satisfactory;
and~~

~~—(b) Has received from the Board a certificate of registration.~~

~~→ The term does not include any person who engages in the
practice of professional engineering, unless he is licensed to do so
pursuant to chapter 625 of NRS.], the words and terms defined in
sections 2 to 6, inclusive, of this act have the meanings ascribed to
them in those sections.~~

Sec. 13. NRS 625A.030 is hereby amended to read as follows:

625A.030 1. There is hereby created the Board of Registered
Environmental Health Specialists, consisting of the State Health
Officer or his designated representative and four members appointed
by the Governor.

2. After the initial terms, each member appointed by the
Governor must be appointed for a term of 3 years.

3. Of the members of the Board appointed by the Governor
after his initial appointments:

(a) Two must represent the general public. These members must

(2) The spouse or the parent or child, by blood, marriage or
adoption, of an environmental health specialist.

(b) Two must be environmental health specialists, one employed
by the health district containing Washoe County and one employed
by the health district containing Clark County.

4. The Governor may, after notice and hearing, remove any
member of the Board for misconduct in office, incompetency,
neglect of duty or other sufficient cause.

5. The Board shall elect from its members who are not
employees of the State a Chairman and a Secretary. The Chairman
must be elected ~~annually~~ *biennially* on *or before* July 1 ~~of each~~
even-numbered year. The Secretary continues in office at the
pleasure of the Board.

Sec. 14. NRS 625A.040 is hereby amended to read as follows:

625A.040 1. The Board shall hold at least one meeting
annually to:

(a) Review and evaluate applications for *certificates of*
registration as environmental health specialists ~~and~~ *and*
environmental health specialist trainees and for basic certificates
of registration as environmental health specialists.

(b) Conduct examinations.

(c) Review expenditures by the Board.

(d) Prepare reports.

(e) Transact any other business necessary to enable the Board to
carry out its duties.

2. Special meetings of the Board may be called by the Secretary upon the written request of any two members of the Board or upon a written request signed by 10 environmental health specialists ~~H~~, *environmental health specialist trainees or holders of basic certificates of registration as environmental health specialists, or any combination thereof.*

3. Three members of the Board constitute a quorum to transact all business, and a majority of those present must concur on any decision.

Sec. 15. NRS 625A.090 is hereby amended to read as follows:
625A.090 The Board shall maintain a register of all:

1. Applicants for *a certificate of registration as an environmental health specialist or environmental health specialist trainee or for a basic certificate of registration as an environmental health specialist* which contains:

- (a) The name, age and place of residence of the applicant;
- (b) The name and address of the employer of the applicant or address of the place of business of the applicant;
